is supposed to turn to love in the spring, and we might add—to thoughts of clothes of brighter hue and more stylish cut than in the fall.

Smart-Sac

Three Button Sack exemplifies what the swell C. & B. tailoring does for the nobby young man of to-day who has a cultivated taste for dressing well. The fine tailored appearance at purchase is continued after wearing it. Made of well-shrunk selected fabrics, cut short-waisted and slightly full over the hips. The tailored touch in the design of the front and cut of the lapels makes it the select young man's expression of

MONTANA TURNS OUT TO GREET PRESIDENT

Soldiers, Old Time Western Friends And Great Crowd Of Citizens Meet The Notable Guest Upon His Arrival In Helena.

Butte Tendered Roosevelt One Long Ovation—Thousands Of Children A Feature Of The Greeting—President Will Be Greeted In Pocatello By 500 Gaily Attired, Mounted Indians.

Helena, May 27.—President Roosevelt's special train arrived here over the Northern Pacific at 8:30 o'clock this morning on schedule time. An immense crowd was at the station to greet the president. Around the station a cordon of soldiers had been stationed while a battalion of the Twenty-fourth United States Infantry, from Fort Harrison was drawn up opposite the train. Battery A, national guard, commenced firing president's salute on arrival of the train.

Among the delegation at the station were many old-time western friends of President Roosevelt. One of the first persons he inquired about was John Willis, a hunter and trapper of Thompson Mont., with whom he had camped years ago in this state. After an address at the capitol the president was escorted into the state house where took place an informal reception, in which former Senator Thom as H. Carter and members of the Montana legislature took part. After a short drive over the city the president and party boarded the special train, which had been transferred to the Great Northern track, and at 12:30 o'clock the train left for Butte.

Butte, May 27.—President Roosevelt arrived in Butte at 3:52 p. m. He came on the Great Northern from Helena. The drive through the streets of Butte was one long ovation. Neighboring towns for fifty miles had poured in their thousands and the thoroughfares over which the line of march lay were

crowded to suffocation. At the court house two thousand school children, appropriately dressed in the national colors, saluted the president. He stopped a few minutes and spoke kindly words to the little ones. Two squares down the granite street the citizens of Anaconda, who had come over fifteen hundred strong, presented the president with a handsome vase made of silver, copper and sapphire. A banquet at which one hundred plates were laid, was given at Thornton Hall. Mayor Mullins presided and the guests included Senator Clark and other distinguished Montanans. The president was presented with a handsome souvenir in a copper frame in the name of the citizens of Butte. The president made two short speeches while here.

ESCORT OF INDIANS. Pocatello, Idaho, May 27.—When President Roosevelt arrives in Pocatello on Thursday morning, he will meet with perhaps the most novel reception he has experienced on his trip. Three miles north of town the presidential train will be met by 500 mounted Indians from the Fort Hall reservation, garbed in their fanciest regalia, and by arrangement with the railroad officials the train will slow to a speed not inconsistent with the capacity of the Indian ponies. During the president's stay in this city the Indians will form a guard. The Indians express a keen desire to welcome the "great father."

HARROWING TALE RETOLD

Young Jew, Direct From Kishinef, Arrives On An Ocean Liner At New York.

SMUGGLED OUT OF COUNTRY

"Christians" Came Out Of Their Churches Butchered Helpless People On Streets.

New York, May 27.—Maadl Schuelmeister, 20 years of age, and a native of Kishinef was among the steerage passengers landed at Ellis Island today from the North German Lloyd liner Grosser Kurfurst. He left Kishinef Monday after the massacre. He declares Russia never saw anything to equal the outrage. Questioned through an interpreter, he said:

"The houses of Jews were stoned and threats made to kill them. On the Jewish passover there was much rioting. The next day, when the Christians came out of their churches, the crowds armed with stones and iron bars, attacked the Jewish people in the streets and began to sack the houses killing men, women and children. 'I saw the mob enter the yard of the house next to us, where they stoned a shoemaker to death. While I was hidden in the cellar I heard the mob enter our house and break the furniture and smash the windows. 'We were released from the cellar by our landlord. The next day the chief of police announced that the rioting must stop, and that we would be safe in the streets. I saw in the cemetery 50 bodies of men and women waiting to be buried. These were badly mutilated some with crushed heads and some with large holes through the head from ear to ear, made by spikes that were driven through them.' Schuelmeister said he left Kishinef and was smuggled across the frontier, where "an agent" helped him to get to Bremen.

WOULD HAVE SHUNNED CHURCH

Priest Ordered Nonunion Men to Cease Work Owing to Pressure.

New Rochelle, N. Y., May 27.—Fearing that his congregation would not attend the new \$40,000 church given by Adran Iselin to the Italian Catholics of this place if nonunion labor was employed Father Manzello, a nephew of Cardinal Satoli, has ordered all the men at work on the building to cease operations. It is said the priest took this action after he had held a consultation with Mr. Iselin and the contractor. The latter had ignored the strike in the building trades and were employing nonunion men. This angered the Italians and they told the priest that if the church was built by nonunion labor they would shun it.

The church probably will remain as it is with the foundation only half completed until the strike is ended.

WILL DISTRIBUTE NEGROES.

Boston Society Seeks to Depopulate the South of Colored People.

Boston, May 27.—Plans have been completed by a secret organization with headquarters here for a great negro exodus from the south. The plan of the society which numbers 500 members is to depopulate the entire south and southwest of negroes who will be brought north to Boston and there distributed through the west in agricultural and mining communities. The first great body of emigrants, 1000, will land in Boston about the first of July, the society's leaders say. The southern headquarters of the society are in Georgia, but the precise location is kept secret in fear of mob violence, or interference from the whites.

Secret agents of the society are now gathering negroes from all parts of the south.

QUARREL AND MURDER.

Men Rowed Over Household Goods and Now There May Be Lynching.

Gunnison, Colo., May 27.—Thomas Treatise shot and instantly killed John Poas in a quarrel over household goods which Mrs. Poas had moved from the Poas ranch near Baldwin. The shooting occurred in the house of Treatise where Mrs. Poas had taken the goods. Treatise surrendered to the sheriff and Mrs. Poas was arrested as a witness.

Threats of lynching Treatise were heard.

MALEFACTOR ARRESTED

Postmaster General Payne Brings To Light Amazing Case Of Bribery.

SUPERINTENDENT A. MACHEN

Accepted Big Money From Firm Privileged To Furnish Office Supplies.

Washington, May 27.—A. W. Machen superintendent of the free delivery who was relieved from duty some time ago, was arrested today on the instigation of the postoffice department, charged with receiving bribes from contractors. Fourth Assistant Postmaster-General Bristow this afternoon issued the following statement:

"Mr. A. W. Machen, general superintendent of the free delivery service, was arrested at 1 o'clock today. He is charged with receiving bribes amounting to about \$22,000, in connection with a contract held by Groff Bros. of Washington, D. C., for a patent fastener on street letter boxes known as the Groff fastener. The postoffice department, in the last ten years has used about \$140,000 worth of these fasteners, and it is shown by ample evidence that for the past three years at least Mr. Machen has been receiving 40 percent of the amounts paid to the Groffs. The transaction of the business was conducted by Diller B. Groff, who controls the patent of his brother, Samuel M., a police commissioner."

Mr. Machen was taken before United States Commissioner Taylor, and through his attorneys, Douglas & Douglas, demanded an immediate hearing. The district attorney said he was not ready to proceed, and asked for a postponement for 10 days. The preliminary hearing was set for Friday, June 5.

ROOSEVELT IS INDORSED

Republicans Of Pennsylvania Are A Solid Mass For A Second Term For Ted.

HARMONY WAS THE WORD

Pledge Themselves For Renomination And No Change In Tariff Schedules.

Harrisburg, Pa., May 27.—The republican state convention today indorsed President Roosevelt for renomination, and declared against any change in the present tariff schedules.

The state administration was strongly indorsed and no mention was made in the platform of the Grady-Sauls II-bel law enacted by the recent legislature.

Senator Quay declined to accept reelection as chairman of the state committee, and his colleague, Senator Penrose, was chosen his successor.

The convention was remarkable for the unanimity with which it disposed of its business, and the lack of contest for the four places on the state ticket. The convention was held much earlier than usual in its history on account of the desire of Senator Quay and other party leaders to be away during the summer.

Mr. Quay was not here during the convention, and his interests were in charge of Senator Penrose and other lieutenants.

John Johnson, a resident of West Astoria was taken into custody yesterday by Sheriff Linville at the request of his friends, who suspect his sanity. He will have an examination at 2 p. m. today before Judge Trenchard to ascertain his condition.
