## WELCOMED BY WAR WHOOPS

Band Of Indians Raced By Side  
Of Special Train Bearing  
The President.

BOISE PROGRAM WAS FITTING  
Roosevelt Was Accorded Warm  
Greeting And Was Escorted  
Over The Idaho City.

Pocatello, May 28.—President Roosevelt arrived in Pocatello at 8:10 o'clock this morning promptly on schedule time and for just 50 minutes was the guest of the city. His train was met two miles out of the city by a party of 50 mounted Indian braves from Fort Hall reservation, who greeted the train with shrill war whoops and raced along side of it to the city limits. Eight thousand people were at the station to greet the president who was met by a committee of citizens headed by Governor O. B. Stealy, National Committeeman Frank Gooding and United States Senator Heburn. The members of the party were promptly escorted to carriages and were conducted by a guard of honor from Clark Kimball lodge, Brotherhood of Locomotive Firemen of which order the president is an honorary member, by the G. A. R. the Philippine veterans and a squad of cavalrymen to the high school building where from a pavilion erected for the purpose, the president delivered a 30-minute speech. At 9 o'clock the president's train left for Boise.

Boise, May 28.—President Roosevelt's train reached Boise at 4:50 p. m., exactly on time and left at 6:20 for the trip to Salt Lake city. The program arranged for the reception was carried out without a hitch. The president and party marched through a lane of children as they approached the grandstand erected on Jefferson street, in front of the capitol grounds. The city was thronged with people to see the president. He was introduced by Governor Morrison and spoke for 40 minutes. After speaking, the president addressed a few words to the Grand Army post drawn up in the rear of the stand and also to the Spanish war veterans wearing brown uniforms. A tree was then planted in the state house grounds near one planted by President Harrison in 1891. The president and party were then taken on a drive about the city, all the principal points of interest being visited.

#### THREATS NOT CARRIED OUT.

Anaconda, Mont., May 28.—A special to the Standard from Boise, says: Adjutant-General Venkers early this morning received three letters threatening to blow up the grandstand erected for the president's visit, because it was erected by nonunion labor. The letters were turned over to Chief of Police Francis and a close watch was kept on the stand. Nothing was said about the matter while the president was here.

#### IRRIGATION AND CITIZENSHIP

Boise, May 28.—President Roosevelt made a number of short stops in Idaho today after leaving Pocatello, at each of which he was greeted by cheering and enthusiastic crowds. In his speech he confined himself mostly to the benefits that have been and are to be derived from irrigation and to qualities that go to make up good citizenship. During the day he spoke at Shoshone, Kimball, Glenns Ferry, Mountain Home and Nampa.

#### WILL USE PERSUASION.

Washington May 28.—An Indian inspector has been ordered to Quapaw, the Indian agency in Indian territory, to investigate the dissatisfaction of the Modoc Indians who have expressed a desire to return to their old home in the Klamath reservation in Oregon. He will endeavor to persuade the malcontents to postpone their departure until congress can provide for them.

## CONVULSION OF THE EARTH ENDS THOUSANDS OF LIVES

Little Town In Far Away Asia Transformed Into A Mass Of Ruins By  
An Earthquake—Entire Population Meet Sudden Death.

Asiatic Turkey Scene Of The Havoc—Villages For Many Miles Around Felt The Effects Of The Convulsion, Hundreds Of Houses Being Destroyed—Relief Needed In The District.

Constantinople, May 28.—Advices which reached here today from Asiatic Turkey show that a terrible earthquake occurred April 28 at Melazgherd, in the vilayet of Van, 80 miles southeast of Erzeroum, on the Euphrates. The town was totally destroyed with its entire population, numbering 2000 souls, including 700 Armenians as well as troops forming the garrison of Melazgherd. Over 400 buildings in neighboring villages collapsed.

A somewhat severe earthquake shock was felt here this morning, but no serious damage was done.

London May 28.—The foreign office here today received some details from the British Consul at Erzeroum regarding the recent earthquake at Melazgherd, according to which a strong shock

lasting 30 seconds, was felt on the morning of April 29 throughout the entire district between Lake Van and the Russian frontier and as far west as Kharput.

The town of Melazgherd, consisting of 500 houses was destroyed and much havoc was wrought in the surrounding villages. Colonel Khalil Bey, commanding the garrison of Melazgherd with his whole family three other officers and 80 soldiers perished in the ruins. Lieutenant Colonel Tayib Bey whose family perished, became insane.

The telegraph operator who sent the news of the catastrophe said he himself was badly injured and that his wife and sister had been killed.

The foreign office has appealed for subscriptions for the relief of the destitute of the Melazgherd district.

Bremerton Wires Moody That There Will Be No More Saloons.

Seattle, May 28.—After a conference this afternoon between a special committee from the chamber of commerce of Seattle, the mayor and councilmen of Bremerton, and Commandant Bleeker of the navy yard, the following telegram was sent to Secretary Moody of the navy:

"We, the mayor and all members of the city council of Bremerton do hereby agree that no license shall be issued for any saloon on streets leading from the town wharf in Bremerton to the east gate of the navy yard, and that if the navy department requests it, no license shall be issued for any saloon in the town of Bremerton during our term of office."

#### WILL BATTLE SALOONS.

Mayor of Bremerton Active In His Fight Against Them.

Seattle, May 28.—Mayor Croxton of Bremerton has employed a special attorney to prosecute the cases of saloon men who are selling liquor illegally, and declares that there will be no more temporizing with that element. Attention will first be devoted to closing up the saloon of John Pulles, who was yesterday found guilty of running without a license, pending the decision of his case by a higher court. Unless the saloon can be closed by legal means within a few days there are threats that other means will be employed.

New York, May 28.—Harry Payne Whitney and H. B. Duryea's 2-year-old colt, Lad, won the seventeenth Brooklyn handicap at Gravesend today in 2:06 1-4 for the race made by Banastar in 1918. W. C. Fanshaw's Heno and close on Heno's flanks were Foxhall Keene's Injunction, Jacob Worth's Oom Paul, second favorite in betting, and Alex Shield's Hunter Raino.

#### RACE WAS PROCESSION.

Reliance Easily Outsailed Columbia and Constitution Was "Hoodooed."

New York, May 28.—The Constitution's "hoodoo" almost spoiled the race of the trial for the cup defenders in Long Island sound today.

After sailing nine miles of the first leg of the race of the Constitution's topmast was carried away in a little puff of wind and she was out of it for the day. When the accident occurred the Constitution was a half mile behind the Reliance and was leading the Columbia by an equal distance. The Reliance and Columbia finished the race, but it had become a procession, for the Columbia was never formidable after the first five miles had been sailed. The Reliance crossed the finish line a winner by eight minutes and 27 seconds.

August Belmont, manager owner, who was on board the Constitution said that her square topmast was in Bristol and that he did not expect to get it in time to sail in Saturday's race.

Senator Hanna addressed the convention and paid a high tribute to President Roosevelt and his administration. He said in part:

"I have nothing but commendation for the record of the president, who from that awful day in Buffalo when, in the presence of his cabinet, he registered a vow and called as witnesses the whole American people that it would be his duty as well as his pleasure to carry out the policies of Wm. McKinley. That utterance gave him a high place in the hearts of the American people and to the best of his ability he has labored honestly to carry out that pledge."
