Topeka, May 30 .- Three large flour mills, three woolen mills, and other manufacturing establishments are entirely destroyed. The water supply of the whole city has been cut off. The water from the river extends nearly a mile on the south side. The Rock Island depot has had to be abandoned. and more than 500 people on this side of the river are also homeless but no loss of life has resulted in South Topeka. The Kansas avenue bridge is the only one across the river for miles, and the approaches to that bridge are flooded by 30 fest of water. A pontoon bridge is being erected in an effort to reach the sufferers.

Seven thousand or more people are on this side of the river sheltered in public buildings and in the homes of citizens, Standing on the statehouse dome, as many as 80 fires can be counted in difwhole central portion of the city had been burned out at 10 o'clock tonight not a house in North Topeka will be left standing.
