tion Of Six Days, Resumes  
Regular Service.

### BODIES BADLY DECOMPOSED

Astoria's Donation Of \$1,087  
Received At Stricken Town  
Yesterday—Other Large  
Amounts Received.

Heppner, June 20.—The O. R. & N.  
company today resumed regular service  
to Heppner after an interruption of  
six days.

Eight bodies were received at the  
mortgage today, making a total of 167 re-  
covered. The situation at the morgue  
is becoming very trying as the bodies  
are in a bad state of decomposition.

Money and supplies are being sent in  
from all over the state and from neigh-  
boring states, up to this time \$23,285  
having been received. Many large do-  
nations came in today, among them,  
Astoria's \$1,087, and Pendleton's Fourth  
of July fund, \$150.

### LARGE SUM FROM LA GRANDE

La Grande, June 20.—The citizens of  
this town have already raised \$2500 for  
the relief of Heppner, and more is in  
sight.

ered today are: Mrs. S. Lettler, Mrs.

### PICKET WINS AMERICAN DERBY

Largest Crowd in History of Race  
Turned Out at Chicago Yesterday.

Chicago, June 20.—The Picket  
won the American Derby.  
Claude second, Bernays third,  
time, 2:33. This breaks the rec-  
ord.

The odds were: The Picket,  
10 to 1; Claude 7 to 1; Bernays,  
8 to 1.

The crowd that saw the Amer-  
ican Derby run today was the  
largest in the history of the race.  
It numbered between 60,000 and  
65,000 people. It was Chicago's  
greatest gathering of any year,  
and carried with it an unusual  
display of fashion.

### DREAMED ABOUT BURGLARS

And Died From Injuries Caused by  
Springing From Bed.

New York, June 20.—John Edelstein,  
a wealthy manufacturer and politician  
of Jersey, is dead from a peculiar ac-  
cident. About three weeks ago he  
dreamed that burglars had entered his  
home and that one was attacking him  
with a knife. He sprang out of bed and  
struck his head on a projection. The  
shock caused a clot of blood to settle  
on his brain, resulting in meningitis,  
which caused his death.

### HIS CHILDREN AWARDED HIM

But Their Mother Had Skipped to  
Parts Unknown With Them.

New York, June 20.—General Emil  
Schaefer of New York has been award-  
ed the custody of his two children in  
Jersey City by Vice Chancellor Pitney.  
The fight over the girls has been on  
ever since last fall, when Mrs. Schaefer  
took them from their father's home at  
Mount Morris park. Mrs. Schaefer and  
the children were not in court and her  
counsel and relatives said they did not  
know where she was.

### WAS WITH BOOTH AND BARRETT

New York, June 20.—John B. Walsh,  
an actor, who began his stage career  
in 1857, with Thomas Hamblin and lat-  
ter played with Charlotte Cushman,

Lawrence Barrett, is dead at the Ac-  
tors' Fund home on Staten Island. He  
had been ill about 10 years.

### INVESTIGATION TO GO ON.

Washington, June 20.—Investigation  
will be made of the money order bu-  
reau and dead letter office. Both bu-  
reaux handle considerable money. The  
investigation is to be made as a pre-  
caution.

### ROOT STIRS UP CANADIANS.

Secretary's Proposal to Build Fort at  
Oswego Meets Disfavor.

Oswego, N. Y., June 20.—The recent  
visit of Secretary of War Root to this  
city, and the subsequent announcement  
of plans for rebuilding of historic Fort  
Ontario and its conversion into a bat-  
talion post, have been the subject of  
unfavorable comment by the Canadian  
press.

"The American government has de-  
cided to spend \$250,000 on the prelimi-  
nary construction of a fort at Oswego,"  
says an Ottawa paper. "That fort can  
only have one object—the protection of  
the harbor in case of war with Canada  
and the providing of a stronghold from  
which vessels of war can issue to prey  
upon Canadian lake commerce and  
cities."

### SON OF HIS FATHER SPEAKS

Suggested That U. S. Grant Run as  
Vice-President.

San Diego, Cal., June 20.—U. S. Grant,  
when asked whether it is to be consid-  
ered that he is a candidate for the  
vice-presidency on a ticket with Mr.  
Roosevelt said:

"I have not announced myself as a  
candidate for the vice-presidential  
nomination, but I have known that  
some of my friends have entertained  
the feeling that the position ought to  
come to this coast and that I was prob-  
ably as available a candidate for it as  
any other citizen of the section. Mr.  
Roosevelt can carry the great west  
without the assistance of a western  
name and I think he will favor some  
eastern man."

### SELECTS AN OBSERVATORY.

Mount Wilson May Be Chosen as As-  
tronomical Station.

Los Angeles, Cal., June 20.—Prof. W.  
J. Husey of Lick observatory, who has  
been experimenting to determine the  
suitability of several high altitudes in  
southern California for a permanent  
astronomical station, is said to have de-  
cided in favor of Mount Wilson, situat-  
ed just east of Mount Iowa. Prof. Husey  
will mount a nine-inch telescope on  
Mount Wilson at once for further ex-  
periments. An astronomical station  
was maintained on Mount Wilson sev-  
eral years ago by Harvard university.  
The atmospheric conditions there are  
said to be about almost perfect for as-  
tronomical observations.

### PACIFIC CABLE COMPLETED.

U. S. to Have Direct Communication  
With Manila.

San Francisco, June 20.—Within a  
week the last link of the Commercial  
Pacific cable will be laid between San  
Francisco and Manila and the United  
States will have direct cable communi-  
cation with its Philippine possessions.  
The cable ship Colonia reached Mid-  
way island yesterday, completing the  
link between Guam and Midway and im-  
mediately on its arrival the Anglia  
reparted for Honolulu to close the last  
gap in the trans-Pacific cable, a dis-  
tance of 1160 miles.

Superintendent Harrington of the  
Commercial Pacific Cable company  
stated today that he believed the Ang-  
lia will accomplish the voyage in six  
days, spinning out wire rope en  
route.

### SINKING TO SEA LEVEL

Boston, June 20.—According to a for-  
mer member of the Metropolitan Water-  
board Boston and the surrounding ter-  
ritory are slowly sinking down to the  
sea level. The statement is made in  
a report on the Charles river dam.

The subsidence is estimated to be at  
the rate of about one foot in 100 years.  
The present plans used as a base by  
Boston engineers has sunk to .33 feet  
below the mean low water and throws  
out all survey circulars for the state.  
Various landmarks along Massachusetts  
bay have sunk from one foot to  
two feet in 60 years.

## TUMULT IS THREATENED

Military Companies Ready To Con-  
trol Unruly Elements in Du-  
buque Strike.

### PEACE MUST BE PRESERVED

At The Slightest Outbreak Gov-  
ernor Cummins Will Rush  
Troops To The Scene Of  
Disorder.

Des Moines, Ia., June 20.—Governor  
Cummins, upon receipt of advices that  
a crisis was approaching in the street-  
railway strike at Dubuque, issued or-  
der today mobilizing three additional  
companies of militia at that point. Gov-  
ernor Cummins' action was based upon  
numerous messages from the mayor,  
street and leading citizens of Du-  
buque, expressing a grave fear that an  
outbreak on the part of the street-rail-  
way strikers and their sympathizers  
would take place that might culminate  
in setting fire to some of the leading  
places of business.

The Waterloo, Independence and Ma-  
quoketa companies, which with the  
Dubuque company constitute the First  
battalion of the Fifth-third regiment,  
I. N. G., will patrol the streets of Du-  
buque under the command of Major  
Allen, of Dubuque, who will later be  
superseded by Adjutant-General Byers  
of this city.

The strike was instituted May 7,  
since which time all efforts to operate  
street cars in Dubuque have precipitated  
rioting. Early this week a deter-  
mined effort to resume operations  
caused the most serious outbreak, re-  
sulting in the destruction of much  
property and serious injury to a num-  
ber of persons. Since then repeated  
urgent appeals have been made to the  
governor to send additional troops, the  
sheriff and mayor declaring the lo-  
cal police and sheriff's forces, even  
when supplemented by the local com-  
pany of militia, was helpless in the  
face of the mob of strike sympathiz-  
ers.

The governor refused to do more  
than hold the First battalion in readi-  
ness to rush to Dubuque upon demands  
of a fresh outbreak. Today, however,  
alarming advices concerning a secretly  
planned outbreak impelled him to  
act. He telegraphed to the Dubuque  
authorities that the troops are not there  
for the purpose of assisting the fight  
against the strikers in any way other  
than to preserve peace at all hazards.

### WILL TRAVEL INCOGNITO.

Prince Henry of Prussia to Visit St.  
Louis Fair.

New York, June 20.—Today's court cir-  
cular will say, cables the London cor-  
respondent of the Times, that Prince  
Henry of Prussia, when he visits the  
United States next year for the World's  
fair at St. Louis will not go in an of-  
ficial capacity, but will travel incog-  
nito. The prince will tour the United  
States including the Pacific coast.

The crown prince of Germany also  
will be a visitor to the world's fair and  
may be accompanied by one of his  
brothers.

### TRAINER ALMOST KILLED.

Daring Woman Leaped Upon by Leo-  
pard and Badly Lacerated.

New York, June 20.—Madame Morel-  
lo, trainer of wild animals, has been  
nearly killed by a six-year-old leopard  
which she was training, in one of the  
cages of an animal show at Coney Is-  
land. The animal leaped on her back  
from above and before it could be driv-  
en off, had torn and scratched the wo-  
man almost fatally. Madame Morello  
was finally rescued by men who fought  
the beast off with a pitchfork.

### RELIANCE WINS YACHT RACE

New York, June 20.—The Reliance  
won today's race in Long Island sound  
in the first 20 minutes of sailing. She  
beat the Constitution six minutes and  
18 seconds and the Columbia seven  
minutes and 31 seconds. The course  
was twice around a triangle, 23 1/2 miles  
in all.

### ROYALTY WILL BE THERE.

Berlin, June 20.—An American ban-  
quet is to be given on board the bat-  
tle-ship Kearsarge at Kiel and will be  
attended by Emperor William and the  
empress.

### TRAGEDY IN MUSIC HALL.

Concert Singer Fatally Shot Because  
She Refused Her Hand.

New York, June 20.—Made desperate  
by the repeated refusals of Olive Fos-  
ter, a concert hall singer, to marry him,  
Edward Teets, 21 years old, of this  
city, has shot and probably fatally  
wounded the girl as she sat in the  
crowded balcony of a music hall in  
Coney Island. Teets fired two shots at  
the girl, and then turned the weapon  
upon himself, but it missed fire and he  
was disarmed before he could pull the  
trigger again.

A performance was going on at the  
time the tragedy took place and the  
panic stricken crowd stampeded, mak-  
ing a rush for the doors and fighting madly  
to get out of range of the bullets.

When Teets approached the girl as  
she sat in the balcony, he drew with  
his left hand a box of cards. When the  
girl reached for it he shot her. She  
screamed and sank to the floor. Teets  
fired a second shot but missed. The  
uproar which arose instantly seemed  
to terrify him and he placed the pistol  
against his own head. It missed fire,  
and a policeman seized him. He was  
identified by the victim at the hospital,  
but refused to make any statement re-  
garding the affair. The bullet lodged  
near the girl's heart and the doctors  
said will cause death undoubtedly.

### FOUGHT OVER GRAZING PERMITS

Cattlemen Use Six-shooters With Fatal  
Results.

Holbrook, Ariz., June 20.—News  
reached here of a desperate battle be-  
tween cattlemen on the Apache Indian  
reservation, 10 miles south of Holbrook,  
in which Henry Barrett was killed and  
Fahne Coleman was probably fatally  
injured.

Both are prominent cattlemen and  
have lived in Apache county for many  
years. Only meager reports are ob-  
tainable; but it appears that the men  
became involved in a dispute over their  
respective grazing permits on the reser-  
vation, which are only issued at cer-  
tain times of the year, and are of con-  
siderable value, only a limited number  
of cattle being allowed on the reserva-  
tion. A duel with six-shooters follow-  
ed, in which Barrett received three  
wounds in the abdomen from which he  
died within a few minutes after the  
shooting. Coleman was shot through  
both thighs and was also badly bruised  
about the head by blows from Barrett's  
six-shooter. Coleman was still alive at  
last report, but there is very little hope  
for his recovery.

### AS TO KANSAS AND WHISKY.

Outside Liquor Dealers Trying to  
Work Up an Express Business.

Topeka, Kas., June 20.—Attorney-  
General Coleman has been asked an  
opinion as to the practice of outside  
liquor dealers in shipping liquor into  
Kansas. The shippers are now trying  
to work up an express business, where-  
by they can sell liquor in any quantity  
through an agent. It is claimed that  
by this method there will be no viola-  
tion of the prohibitory law. The  
courts will soon be called on to settle  
that question.

### 27,100 HARVEST HANDS

Topeka, Kas., June 20.—R. B. Grow,  
director of the state free employment  
bureau, has received final estimates as  
to the number of outside harvest hands  
to be needed this year. The total num-  
ber foot up to 27,100.
