THE BEE HIVE

GUARDED BY FAITHFUL IN GREAT ST. PETERS

Clad In All Pomp of Regal Power Body of
Great Pope Is Gently Borne From
Throne Room of Vatican

Mournful Procession Guides the Way to Where the Dead Man Lies--
For Three Days Public Will Visit Revered Spot
and Will Kiss the Slippered Feet

Rome, July 22.—At 8 p. m. all was
in readiness to take the body of the
pope from the Vatican to the basilica
of St. Peter's. A mournful procession
gathered around the bier, which was
gently lifted. The dead pontiff was
now clad in all the pomp of his holy
office. About him had been placed
the sacerdotal robes used only when
he celebrated grand mass. Nothing
that was emblematic of the power
wielded by the dead man for more
than a quarter of a century was omit-
ted.

Leading the procession, as it passed
out of the throne room, came groom-
serving lighted torches. Behind
them came aged mace bearers and
other domestics of the papal house-
hold. A platoon of the noble guard and
all the clergy of the Vatican followed.
Behind the bier came three nephews
of the late pope. United States was
represented in the procession by Man-
ager Thomas Kennedy, rector of the
American college. Franciscan peni-

tentaries still kept up an unceasing
refrain of the intercession.

At the hall of the Palafranciere, the
cortage came to a standstill. There
cardinals, who had been waiting in the
hall of the consistory, took their places
immediately behind the bier. After
the cardinals came the whole diplo-
matic body associated with the Vati-
can. The noble and Swiss palatine
guards brought up the rear. When
flaring torches entered the steps, the
choir commenced to sing in sorrowful
cadence, "Liberal De Domine." The
body was stretched behind iron gates
and two members of the noble guard
took up positions on either side of the
bier. The procession then returned
to the Vatican, leaving the body in the
greatest church in the world, alone,
except for the faithful guard and the
penitentiaries.

The body of the dead pope tonight
rests on a high catafalque with his
slipper feet protruding through the
gates to be kissed by the faithful when
they will be admitted to the church to-
morrow and the following two days.

BATTERS DOWN DOOR TO CRYPT

Rome, July 22.—While the remains
of the pope were being carried into St.
Peter's this evening the private cere-
mony of depositing the urn contain-
ing his viscera in the church of St.
Vincent and Anastasius was taking
place, a curious hitch occurred. When
the solemn procession arrived at the
door of the special depository in the
crypt, it was stopped, as the key was
not to be found. Attendants finally
were obliged to break down the door.
The depository had not been opened

since 1346, as contrary to the custom,
the viscera of Pius IX are at St. Peter's.
The rector of the church of St. Vin-
cent and Anastasius will ask that the
viscera of Pius IX be transferred to his
church also, in order to make the se-
quence complete.

The will of the late pope is still un-
opened. Leo's intimates say, however,
that it declares his intention to leave
everything he possessed to the church,
his blood relations having already
been generously provided for.

CALLERS ON THE PRESIDENT

LEGISLATIVE MATTERS DISCUSSED
BETWEEN ROOSEVELT
AND GUESTS.

Oyster Bay, July 22.—While admit-
ting before he left for New York that
proposed financial legislation was un-
der consideration today, Congressman
Cannon insisted that his call upon the
president was principally social. Mat-
ters of legislation, both financial and
general, were discussed briefly and in-
formally.

Senator Platt, of New York, said, af-
ter his call upon the president today,
that every republican in New York
was supporting the president freely
and enthusiastically, and he had no
more doubt of his election than he had
of his nomination. The senator said
that Senator Hanna, in his judgment,
would be reelected chairman of the
national committee.

PIRATES RELEASE CHINAMAN

WEALTHY HONOLULU MER-
CHANT RESCUED BY
TROOPS

San Francisco, July 22.—Advices
from Canton say that Lam Ching Wa,
the wealthy Honolulu Chinese, who
was captured by river pirates on June
17 and held for ransom has been re-
leased. The pirates were followed by gov-
ernment troops at the instance of the
French consul, had been notified of
their crime, and finally fled, leaving
Ching Wa and other prisoners, captur-
ed with him and held for ransom, be-
hind to be rescued by the soldiers.
Lam Ching Wa is an American, hav-
ing been naturalized under the Ha-
waiian monarchy and was thus made
a citizen by the act creating the terri-
tory.

New York, July 22.—A party of sci-
entists from the Smithsonian institute
has arrived on the steamer Silveira
from New Foundland, bringing the
frame of a 78-foot whale, which is to
be the central attraction at the St.
Louis exposition. The party has been
in the north since early spring.

REMOVED FOR JUST CAUSE

SUPERINTENDENT HEDGES OF
THE FREE DELIVERY DE-
PARTMENT FALSIFIED
THE REPORTS.

Washington, July 22.—Charles Hedges
today was removed from the office
of superintendent of the free delivery
postoffice department, on a charge of
falsifying his diary and looting his
traveling commission. It is charged
that he reported himself at various
places, when, in fact, he was not at
those places on the dates mentioned,
in some instances being hundreds of
miles away. Ervin Thorpe, postoffice
inspector in charge of New York, has
been designated as acting superintend-
ent in place of Hedges.

PLAN ELEPHANT HUNT

STOCK BROKERS TO GO AFTER
BIGGER GAME THAN BULLS
AND BEARS.

New York, July 22.—An elephant
hunt in Abyssinia, on a grand scale is
reported to have been planned by sev-
eral prominent brokers in Wall street,
one of the leading spirits is person-
ally acquainted with King Menelik for
whom many valuable presents will be
taken along. Some of the brokers' num-
erous friends intimate that the hunt
will not be for elephants, but to seek
trace of the long lost Solomon
gold mines.

RACED THROUGH BANK OF FOG

Atlantic Highlands, N. J., July 22.—
Sir Thomas Lipton watched anxiously
from the deck of the Erin today
while for an hour his priceless cup
challenger was temporarily lost behind
a wall of fog. When the beautiful
yacht came limping out of the fog with
her gaff broken, Sir Thomas was so
pleased to see her safe that the acci-
dent was of little importance to him.
The yacht has a spare gaff and it will
be in place in time for tomorrow's race.
The new boat was over three minutes
ahead of the old one when the fog
closed in.

REFUSES TO OPEN TOWNS

Complications May Ensnare if Ports
Guarded By Russians Are
Invaded By China

PRINCE CHING WRITES LETTER

By Including One Town In
Treaty, Situation May Be
Relieved Somewhat

Pekin, July 22.—Prince Ching, pres-
ident of the foreign office, has written
United States Minister Conger, refus-
ing to open towns in Manchuria. In
his letter he dwells upon the impos-
sibility of China opening to foreigners
towns which are not in her possession,
but which are held by Russian troops
and points out complications which
would be likely to follow. It is believed
here, however, that a compromise
may be reached by including one town,
Ta Tung Kao-in, in the new commer-
cial treaty.

SKELETON OF A LABOR UNION

TRIAL OF FORMER TREASURER
OF JOURNEYMEN STONE CUT-
TERS BEGINS IN NEW YORK.

New York, July 22.—Before Judge
Newburger, in the court of general ses-
sions, Lawrence Murphy, formerly
treasurer of the Journeymen Stonecut-
ters' association, has been placed on
trial for grand larceny. The specific
charge says that Murphy on May 1,
1902, appropriated \$12,794, all the funds
of the union. Some of the questions
John F. McIntyre Murphy's counsel,
asked in examining the witness re-
garded as significant, were:

"If the evidence during the trial of
this case shows that it was customary
in this stone cutters' union to levy
fines and penalties upon master mas-
ons, owners, builders and bosses, would
this prejudice you against the de-
fendant?"

"If it is shown that through threats
and fear these owners and builders
have given up to persons in the union
large sums of \$50,000, \$40,000, \$25,000,
and \$10,000 from time to time, would
your verdict be influenced? Could you
still return your unprejudiced ver-
dict?"

Continued McIntyre, "if we prove
that persons connected with the union
were in the habit of meeting in a sal-
oon to arrange plans for extorting
money from owners and construction
companies and then divided among
themselves these large sums surren-
dered to them to prevent strikes or
bring them to an end, would you re-
turn an unprejudiced verdict?"

POOR PEOPLE FEAR BIG LOSS

FOURTEEN THOUSAND STOCK-
HOLDERS IN NEW YORK
COMPANY THINK THEIR
SAVINGS LOST.

New York, July 22.—Fourteen thou-
sand stockholders in the New York Bu-
ilding Loan Banking company, a ma-
jority of them persons of limited
means, residing in Greater New York
are anxiously awaiting action upon
the report of the referee appointed
on complaint of the banking depart-
ment made last December to examine
into the solvency of the institution
which claims assets of over \$8,000,000.
One of the men connected with the
head office of the company declared
no copy had been received of the ref-
eree's report and nothing will be done
until it comes before the supreme
court next Tuesday at Albany. He
said there had been 3000 applications
for withdrawal since the investigation
began, but that, owing to a rule that
the association can pay out only one-
half of its income about 700 had been
unable to withdraw. The sworn re-
port of the statement for Jan. 1, 1902,
gives the total assets as \$8,746,689 to-
tal earnings \$3,209,468.66; guaranty
fund and surplus \$377,011.88.

of the grand lodge are concerned,
though three more days will be de-

night the streets were given up to a
confetti fête in which thousands of
the best people on earth and other vis-
itors took part.

IRISH GREET ROYAL GUESTS RIGHT ROYALLY

King Expresses Hope to Become Better
Acquainted With Conditions in
Ireland--Interested in Poor

Prominent People Gather at Levee Held By Edward at Castle--
Streets Packed By Hundreds Eager to See and Hear
Their Notable Guest--Welcome Cordial

Dublin, July 22.—King Edward and
Queen Alexandra, accompanied by the
Lord Lieutenant and Princess Victoria,
drove from the vice-regal lodge to the
castle, which they reached shortly be-
fore 11 o'clock this morning. The king
who wore a field marshal's uniform,
received in the throne room a large
number of deputations prior to the
levee, which opened at noon.

Already 63 deputations have present-
ed addresses. Replying to the Dublin
citizens committee the king said that
there is no part of his dominions in
which he takes greater interest than
in Ireland. The queen and himself
have long been in sympathy, he said,
with the movements tending to
advance the social and material wel-
fare of the community, and they hope
now to become acquainted with the

conditions under which the people live
and to learn what may be done to
brighten the lot of the poor.

In the meanwhile King Edward held
a levee at the castle, which was attend-
ed by a great number of prominent
people from all parts of Ireland.

Among those present at the levee
were the Roman Catholic Lord Arch-
bishop of Dublin, the Most Rev. Dr.
Walsh, primate of Ireland, and his sec-
retary.

Maud Gonne (Mrs. McBride) hung a
black flag out of her window yesterday
in memory of the pope, she said. It
was pulled down by the police. She
hung out another black flag and, arm-
ing herself with boiling water, defied
the police, who summoned reinforce-
ments. But they made no further at-
tempts to haul down the black flag,
which was again displayed today.

CONSTITUTION LOSES HER MAST

Newport, R. I., July 23.—Within a
mile of the start today the Reliance
and Columbia struck bottom in Vine-
yard sound. The Reliance came off
within two minutes, while the Colum-
bia held on for more than an hour, be-
ing finally assisted off, apparently un-
injured.

The other two boats kept on, and a
strong puff of wind snapped off the
topmast of the Constitution. She pro-
ceeded, however, and crossed the line
nearly three quarters of an hour af-
ter the Reliance. A diver examined
the fin of the Reliance after her arriv-
al, but could discover no damage.
The Constitution will have a new top-
mast, and will also start tomorrow.
The Columbia arrived half an hour af-
ter the Constitution, apparently unin-
jured.

MAY CALL OUT THE PRINTERS

PRESIDENT'S DECISION IS DE-
FIED BY ULTIMATUM OF
UNION.

Washington, July 22.—President
Barrett, of the local organization of
book binders, today announced that
every book binder in the government
printing office and members of allied
unions will quit work if W. A. Miller,
assistant foreman in the government
printing office, whose dismissal from
that office the president recently re-
voked, is permitted to resume work.
A public statement issued by the book
binder's union says: "Miller in office
and public places made use of scur-
rilous and insulting remarks about the
employees.

LOWER YUKON IS LOW.

Vancouver, B. C., July 22.—A special
from Dawson says: So far this season
no boats have arrived here from St.
Michaels, and if the water in the low-
er Yukon falls much more, it is feared
little freight sent in by St. Michaels
will be landed at Dawson this season.

FORMER SOLDIER MISSING

BRIDE OF SIX MONTHS ASKS PO-
LICE TO FIND
HIM.

San Francisco, July 22.—Robert Nor-
ris, a discharged soldier, is missing
from his home in this city and his
bride of a few weeks has asked the po-
lice to search for him. Norris was mar-
ried to Miss Florence Parker six
months ago. He was at that time a
private in the 106th company, Coast ar-
tillery, but three months after the ar-
riage he purchased his release from
the service and was given a certificate
of honorable discharge from the army.
Norris is a native of Hardman
county, Tenn., and enlisted in the
army at Paris, Texas, two years ago.

YOUNG CORBETT WINS.

Boston, July 22.—Young Corbett got
decision over Jimmy Briggs at the end
of the tenth round tonight. The con-
test was won on merits, and a large
