Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, in the form of baths for annoying irritations and inflainmations, or too free or offensive perspiration, in the form of washes for cerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves to women, especially mothers, as well as for all the purposes of the toilet, bath and nur-

Cuticura Soap combines delicate emollient properties derived from Cuti-cura, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odours. No other medicated soap ever compounded is to be compared with it for preserving, purifying and beautifying the skin, scalp, hair and hands. No other foreign or domestic tollet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath and nursery. Thus it combines in one soap at one price the best skin and complexion soap and the best toilet and baby soap ever compounded. Sale greater than the world's product of all other skin soaps.
