ROME ILLUMINATED IN HONOR OF POPE PIUS X

Election and Assumption of Holy Office Marked By Impressive Ceremonies at the Vatican

Sarto Receives Unanimous Vote of Conclave—Believed That the New Pope Will Follow Policy of Late Leo XIII. But Will Not Accentuate

Rome, Aug. 4.—Giuseppe Sarto, patriarch of Venice, elected as pope to succeed Leo XIII now reigns at the Vatican and over the Catholic world as Pius X. Tonight all Rome is illuminated in his honor.

His election and assumption of his holy office was marked by striking demonstrations and impressive ceremonies at the Vatican which ended only this evening. Tomorrow the new pope, clad in his pontifical robes and with all ritualistic ceremony, will receive the members of the diplomatic corps, the cardinals and the bishops, who will then offer their official homage, this notwithstanding the fact that twice today the cardinals and many high officials of the Vatican went through a similar ceremony.

The date on which the coronation of Pius X will take place has not yet been decided, but the impression prevails that it will occur on August 9.

Although the election was over at 11 o'clock this morning and was announced to the world 45 minutes later, by the appearance of the new pope at the window of St. Peter's, the conclave was not formally dissolved until 5:30 o'clock this afternoon. The cardinals then returned to their various apartments in Rome.

The cardinals will remain in Rome for tomorrow's ceremonies, and should the coronation be fixed for next Sunday, they are likely to remain until after the ceremony.

The election of the patriarch of Venice was unanimous. After Monday's ballots it was a foregone conclusion he was the only candidate sufficiently acceptable to all to secure the necessary two thirds the laws of the church require. One of the cardinals said tonight he believed Pius X would follow Leo's policy, although he would not accentuate it. This voices the general feeling here.

Continued Ill Health Compels Him to Retire—W. E. Corry Elected to Fill Vacancy.

New York, August 4.—The resignation of Charles M. Schwab as president of the United States steel corporation was tendered and accepted at a meeting of the directors today. The formal announcement of Mr. Schwab's resignation was made in this appended form

"At the regular meeting of the United States Steel Corporation today Mr. Schwab, in consequence of continued ill health, tendered his resignation as president and it was accepted. W. E. Corry, who has been for some time performing the active duties of the president, was elected to the vacancy."

MUST GRANT REDUCED RATE

Decision Sustained to Compel A. C. R. R. to Charge Less on Land Grant Line

Washington, August 4.—The secretary of war has approved the decision holding that the government is entitled to reduced rates over the tracks of land grant railroads operated by other companies. The Astoria and Columbia

River Railroad, operating its lines over the Northern Pacific Railroad in Oregon refused the land grant rate. The attorney general has been requested to bring suit to compel payment of overcharges.

BAN ON FIRECRACKERS

ST. PAUL TAKES DECISIVE STEPS TO REGULATE FOURTH OF JULY NOISANCES.

St. Paul, August 4.—Because of the Fourth of July and the opposition developing on account of the reckless use of blank cartridges, bombs, pistols and other noise makers, Corporation Attorney Michael has drafted an ordinance which it is said the city council will adopt, declaring that all these forms of Fourth of July amusements are prohibited.

The ordinance will not only prohibit the use of these explosives on the Fourth, but dealers will be prohibited from carrying them in stock for a month previous to the Fourth. Violations of the ordinance are made punishable by heavy fines. Business men, doctors, city officials and others of influence are said to be back of the measure.

The present capital of the Consolidated Company is \$80,000,000.

COLOMBIAN ON THE CANAL

PEDRO VELEZ HAS STUDIED SENTIMENT IN UNITED STATES TO GUIDE HIM

New York, August 4.—Pedro Velez, a member of the Colombian congress and one of the house committee which has charge of the Panama canal treaty, will sail for Colon today, after a stay of several weeks in this city and Washington. After visiting his home in Cartagena he will go to Bogota to take part in the canal debate. During his stay Velez has carefully studied sentiment relative to the canal and will use as a guide in the deliberations of congress the information he has gathered.

Regardless of the great advantage of the Panama route, he says, those who favor it over the Nicaragua waterway are greatly in the minority. Velez does not expect an early vote because of protracted debate and numerous amendments which will be offered. "I cannot tell how I will vote," said he, "but if I were to judge according to impressions received here from a general-ity of the press, my decision would be decidedly against the treaty. If the present negotiations with the United States should come to a standstill, I feel our government and people will not in any case try to bargain on or sacrifice the French people, with whom our relations have been cordial.

The canal will be a benefit to Columbia and to the world, but the sentiment here does not trend toward the advantageous circumstances that would induce to strengthen the desire of coming to more intimate and fraternal relations."

REAL WORK OF REGATTA

Committees Appointed to Take Charge of Special Features, Including Races and Ball

PRIME MINISTER IS NAMED

Hon. Harrison Allen Will Be Chief at the Court of Queen Frances—Admiral Coming

The regatta committee is now engaged in the hardest work it has yet attempted. As the time draws near for the opening of the great summer carnival the systematic arrangement of the various features and attractions signed by the committee has to be carried out. The committee yesterday appointed Charles Fox, F. L. Parker and Geo. Goodell as the measuring committee to hand the launches that will take part in the regatta races. The launch owners whose boats will be entered in the races are requested to inform the committee at once so as to give them plenty of time to figure the handicap.

REGATTA BALL.

Secretary West announced last night that the arrangements for the regatta ball had been placed in the hands of Charles Halderman, with power to appoint two or more members to assist him. This committee will work in conjunction with the committee of ladies, and will be vested with authority to make whatever arrangements they deem advisable for this feature of the entertainment.

APPOINTS PRIME MINISTER.

Hon. Harrison Allen, district attorney, has been appointed prime minister to the queen. Into Mr. Allen's hands has been placed full charge of the weighty affairs of state that come under the royal notice, and he will transact all business for the young monarch.

BOWLING TROPHY.

A feature not yet given publicity by the committee is that a silver cup will be presented for a bowling tournament during the regatta. The bowling committees of the Irving and Commercial clubs will be allowed to adopt rules to govern the tournament, and if they see fit outside teams will be allowed to compete for it.

CHAMPION SCULLER COMING.

At W. Pape, the champion amateur single sculler of the Pacific coast, who is at present at Cape Ann, Mass., has written Secretary West stating that he will attend the regatta. Mr. West telegraphed him last night informing him of the dates, and urging that he come. Mr. Pape is said to be a wonderful oarsman, and the fact that he intends to attend and compete for the trophies indicates the widespread interest that is being taken in the regatta.

ADMIRAL SMITH DUE TODAY.

Admiral Smith is due to reach the city today. If he comes he will probably announce the remainder of his staff. Mr. Smith will remain in the city a day or two.

The committee announces that the name of Mrs. H. F. Pruel was inadvertently omitted from the committee on coronation published yesterday. Queen Frances is expected home from Portland on Saturday.

ARRIVAL OF DRAGON.

There was a great "pow wowing" at the O. R. & N. dock yesterday by a crowd of Chinese who collected to do honor to the spectacular dragon that arrived from San Francisco. Those who have seen the dragon at Los Angeles state that it is a fierce looking object, and are sure that its presence at the regatta will add materially to the picturesque awfulness of the carnival. The Chinese who will have charge of the monster are Hop Hing Lung, Hop Yick and Ah Dogg. All are prominent merchants in the local Chinatown. Twenty leading Chinese residents of Portland and several of California will be present to assist in showing off the fantastic monstrosity.

CHURCH BELLS WILL RING

Eldora, Ia., August 4.—The church bell ordinance of this city is dead, and the bells will continue to summon the people to divine worship. Maintaining that the ringing of the church bells disturbed and annoyed the patients in the city hospital, an ordinance was passed by the city council prohibiting the old time custom of ringing and tolling the bells. The ordinance was vetoed by Mayor Ellis D. Robb, and an effort was made to pass the measure over the mayor's veto, but it failed by one vote.

TRAINED BLOODHOUNDS READY FOR MAN HUNT

Convicts Supplied With Cayenne Pepper to Use in Distressing Their Four Footed Pursuers

Poses in Hot Chase After Desperate Men Who Are Divided—Two Battles Looked For Today—Ex-Convicts Are Said to Help the Fugitives

Placerville, Cal., Aug. 4.—If the expectations of Sheriff Bosquit of Eldorado are realized there will be a fight in what is known as the Weber creek country before another day has passed with the escaped convicts. C. H. Farrell who arrived here this afternoon from Reno with his trained bloodhounds is with one of the posses from Placerville and will put the hounds on the trail tomorrow at a point where Weber creek joins the American river. It is known the convicts secured two cans of cayenne pepper at Pilot Hill

a week ago Monday and the dogs may have some difficulty following the trail. Sheriff Norman phoned he was about to start from Plymouth after the other band with 15 men and expects to come up with them tomorrow night as it is supposed they are foot-sore. Sheriff Bosquit is of the opinion this gang is composed of convicts Theron, Woods, Murphy, Howard and Miller. Ex-convicts are locking to this section and the sheriff says that no less than 30 have already been seen. It is believed that many are extending aid to the fugitives.

WASHINGTON FIEND IS LYNCHED

Well To Do Earner Murders Young Sunday School Girl and is Mobbed, Beaten, and Hanged.

Asotin, Wn., Aug. 5.—William Hamilton, who murdered Mabel Richards, was lynched tonight at 12:15. Mabel Richards, the 13-year old daughter of Sheriff Richards, of this county disappeared on her way to Sunday school last Sunday. Yesterday her body was found with the brains mashed out and examination showed she had been outraged. Suspicion was directed towards William Hamilton, a well to do farmer. After his arrest he confessed. The country for miles around was aroused by the fiendishness of the crime and all day crowds have been gathering here with but one thought, that of lynching the confessed murderer.

At 12:15 this morning a mob of 1,000 men stormed the county jail, gained possession of Hamilton, and dragged him to the street. As the leaders emerged from the jail with the terrified fiend the mob took up the cry and he was beaten, kicked and dragged to a point three blocks away where he was hanged to the guy wire of a telephone pole.

SEEKS LONG LOST PARENTS

AFTER THIRTY YEARS OF SEPARATION MINISTER IS REWARDED BY CLUE

New York, August 4.—In an endeavor to find his father, mother, brother and two sisters, whom he has not seen or heard of for 30 years, the Rev. Thomas Ringland, of Ferris, Ill., has notified the police that he will pay a liberal reward for information which would aid him in his search.

The Rev. Mr. Ringland, when but 10 years of age in 1881, was placed in a New York asylum by his parents, who were poor. Through the agency of the asylum, he was apprenticed to an Illinois farmer. He remained there several years and finally decided to become a minister. He entered a Methodist church in Ferris, of which he is now pastor. After a long search, it has been discovered that his father returned to his old home in Ireland in 1881, taking his two little girls with him. It was not learned what had become of the mother.

HEAVY ASSESSMENTS MADE

Sacramento, Cal., Aug. 4.—The state board of equalization has assessed the United Railways of San Francisco at \$20,150,000 on road bed, rails, rolling stock and franchise. The assessor of the city and county of San Francisco will also assess the machinery, buildings, fixtures and all other property.

As the supreme court decided in effect that the state board of equalization must assess the United Railroads which operates its lines in more than one county the board stood by the previously announced intention to assess the road bed, etc., notwithstanding the declaration of Assessor Dodge that he would also assess the road.
