THE BEE HIVE

PONTIFF IS FATIGUED WITH HEAVY CEREMONIES

Receives Delegations Attending Coronation and Grants Audience to Three Hundred

ACKNOWLEDGES HE IS BUT MORTAL

Beseches His People to Pray For Him to Bear Burden—Venetian Friends Say Pope Pius Has Aged Ten Years Since Election

Rome, Aug. 10.—Pope X had another fatiguing day as he received all delegations which had come to Rome to attend the coronation ceremonies. He accorded a lengthy audience to about 300 persons from Venice, receiving them in Clementine hall.

The pontiff allowed all members of the delegation to kiss his hand, and called by name those whom he knew. He

said to them: "I am a poor mortal, too weak for the heavy cross which God has given me. But his will be done. I will carry it as best I can, and you must all pray to our Lord to give me necessary strength." His old veteran friends agree that the pope looks 10 years older than he did before his election, but that his affable and simple manner has not changed.

CAN NOT ESCAPE REPORTERS

AIRSHIP MAN SEEKS ISOLATION BUT NEWSPAPER MEN PREPARE TO FOLLOW HIS MOVEMENTS

Chicago, August 10.—A dispatch to the Tribune from Washington, D. C., says:

Written from his quarters at the Quantico club at Wilewater, Va., by the critics of Truxton Beale and other members of the club, and taking exception to what they declared was his monopoly of the club house, Prof. S. P. Langley of airship fame, has directed his chief assistant, Manly, in charge of the flying machine experiments, and the force under his command to move to Clifton Beach, eight miles below Wilewater. Prof. Langley hopes there by to get out of the reach of reporters and conduct his experiments in absolute secrecy. His new headquarters are eight miles from a telegraph station. The newspaper men at Wilewater have prepared to follow him to Clifton Beach and continue their vigil over his operations.

KING OF SPRINTERS RETIRES

PROUD VILLAGERS GIVE HOLIDAY IN HONOR OF GREAT HORSE—USEFULNESS PAID

New York, August 10.—The race horse Chucatanunda, known as "King of Sprinters" is believed to have run his last race, says a special dispatch from Saratoga. While working over the track at a good clip, he "broke down" in the off foreleg so badly that he fell and will have to be retired. It is supposed that he stepped into a hole made by another horse's hoof on the muddy track.

Chucatanunda is owned by millionaire Sanford of Amsterdam, N. Y. The horse came home from a remarkably successful campaign last season. Business in the city was suspended and the people marched through the streets with a brass band behind the racer which was loaded with flowers and wreaths contributed by the women of Amsterdam.

ARISTOCRAT COMMITS SUICIDE

New York, August 10.—James Smart Lockie has shot and killed himself at his home in Queens Park, the most aristocratic quarter of the city, says a Herald dispatch from Toronto, Ont. He was manager of the Imperial Trust Company of Toronto and moved in the best society. He was formerly manager in New York for the Bank of British North America. The reason for his suicide is not known.

A SHAW APPOINTEE.

Washington, Aug. 14.—Secretary Shaw today appointed James L. Gerry chief of the customs department of the treasury department to succeed John R. Garretson, recently appointed auditor for the District of Columbia.

EGLISTON APPOINTED.

Boise, Idaho, August 10.—Governor Morrison has accepted the resignation of R. H. Davis as commissioner of immigration, labor and statistics and has named T. C. Eglston of Caldwell to succeed him.

MAKE READY FOR BATTLE

SHAMROCK III IS BEING PUT IN TRIM TO RACE FOR THE CUP AGAINST THE RELIANCE.

New York, Aug. 10.—A small army of dock yard employes, besides her own crew and the crew of Shamrock I, swarmed about Shamrock III as she lay in dry dock in Erie basin today and began the task of putting her in trim for the cup races. She will be cleaned, repainted and renamed. The day before the first race with the Reliance she will probably be measured by an official measurer of the New York Yacht Club to ascertain her racing length and whether either boat will have to give the other time allowance.

APPEAL FROM MACEDONIA

Sofia, Aug. 10.—The Macedonian committee has issued the following appeal to the powers: The Musselman's systematic persecution has compelled the Christians in Macedonia to institute a general rising. They have had recourse to this extreme measure after exhausting all pacific means to secure the intervention of Europe. The sporadic efforts of the powers to secure reforms have failed. They have resulted merely in greater oppression.

LOWER COURT IS UPHELD

LOOKS AS THOUGH BREMERTON SALOONS MUST STAY CLOSED FOR GOOD.

Olympia, Wash., Aug. 10.—The supreme court today denied the writ of supercedas asked for by the Bremerton saloon keeper permitting him to run a saloon pending the decision of the lower court upholding the town council in its contention that it had a right to revoke the saloon license prior to its expiration. This in effect upholds the lower court. This was the case that grew out of Bremerton's revoking all saloon licenses as a result of the navy department's order that, on account of immoral surroundings, no more vessels would go to Bremerton.

FORCED TO COME OUT.

Victoria, B. C., Aug. 10.—The steamer Amur, which arrived tonight from Skagway, had three passengers from the new gold fields on the Arkell river. They say 400 claims have been staked. No one has reached bed rock. A majority of the stamperers were like themselves, being forced to come out because they had no provisions or tools.

LOSES POWER OF SPEECH

New York, August 10.—Bernard Cohen, 12 years old, who has just been discharged from a hospital, where he has been hovering between life and death for five weeks, has lost his memory and power of speech. The doctors say he will have to learn anew how to talk. There was a clot of blood on the lad's brain when he entered the hospital caused by the stone which fell upon his head and fractured the skull. After an operation, it was found that Cohen's memory and power of speech were gone. He already has learned several words and is expected to recover the lost faculties.

LOCAL G. A. R. FAVORS MILES

Cushing Post No. 14, Instructs Delegates to National Encampment For Him

TO BE COMMANDER-IN-CHIEF

National Encampment of Civil War Veterans to Meet at San Francisco August 14

Veterans of the civil war who live in Astoria, and there are quite a few of the silver-haired warriors left, have gone on record as favoring the election of General Miles as commander-in-chief of the Grand Army of the Republic. At a meeting of Cushing Post, No. 14, G. A. R. held last night the following brief but pointed resolution was unanimously adopted:

Resolved, that it is the desire of this Post that any comrade who may attend the encampment from Astoria shall use every effort in his power to advance the interests of General Miles for commander-in-chief of the G. A. R. The men who placed the stamp of approval on the resolution by a rousing vote know what it means to defend the flag of the country on the firing line and they forget that the man who has just stepped down and out from the high office of commander-in-chief of the United States army ever crossed swords with the administration through the columns of the great administration press. They are willing to forget all this in the memory of his splendid record as a fighting man, and they testify their esteem for him in according him their unanimous support for command of the forces that belong to the ranks of the retired.

Thomas Dealy, commander of the post is the regular appointed delegate to the national encampment, and the alternatives are Comrades Taylor, Charles Wright and C. A. May.

The Miles boom for commander-in-chief originated in Maryland, and that state will go to the encampment, which meets at San Francisco, Aug. 14, with a solid delegation for him.

MILES WILL ATTEND.

General Miles has accepted the invitation of the Maryland delegation to accompany them to San Francisco. The Marylanders believe that the mere suggestion of choosing the retired commander will be sufficient to arouse great enthusiasm in the encampment, and will result in his election by a large majority.

Up to this time General John C. Black of Illinois, formerly commissioner of pensions, and ex-Governor Bulkeley of Connecticut have been the candidates most talked about, and it is said that their supporters have become almost acrimonious in advocating their favorite candidates. The Astorians, like the Marylanders, believe, however, that when they put forward the name of General Miles it will immediately appeal to all factions as one on which they can unite, and that the general is eminently fitted to head the Grand Army.

TO THE GRAND ENCAMPMENT

CIVIL WAR VETERANS AND THEIR FRIENDS ARE EN ROUTE FOR SAN FRANCISCO

Chicago, August 10.—Civil war veterans and their friends are pouring through Chicago by the thousands on their way to the national encampment of the Grand Army of the Republic, which opens August 14 in San Francisco. A dozen special trains carrying delegates from nearly all the eastern states passed through the city Sunday.

In the Pennsylvania delegation was Thomas Stewart of Philadelphia, the present commander-in-chief of the national organization. He was accompanied by 75 members of his staff. The Massachusetts party, comprising 45 persons, in charge of Colonel Dwight O. Judd, commander-in-chief of the department of Massachusetts also passed through.

WIDOW AND HER MITE

Old Orchard, Mo., August 10.—A contribution of 28 cents from a Maine woman, a widow who said it was all she had was the beginning of the collections taken up here by Rev. A. B. Simpson of New York in the Christian Alliance Camp Meeting. He suggests that she retain a part but she refused. The collection was for foreign missions, and \$42,000 was raised in the three principal meetings of the day.

EIGHTY-TWO BODIES TAKEN FROM TUNNEL

Two Trains Take Fire and the Result is Awful Death and Destruction--Firemen to Rescue

PASSENGERS STRUGGLE TO ESCAPE

An Accident on an Underground Railway in France—Disabled Train Is Taken In Charge By Another and Both Are Destroyed.

Paris, August 10.—A catastrophe occurred last evening on the Metropolitan electric underground railway from which 82 bodies have been recovered. The total number of victims is estimated at 90. One of the trains broke down at Menilmontant. This train was promptly emptied and the train which followed was ordered to push it to the repairing sheds. On the way these two

trains caught fire. Meanwhile a crowded train reached Les Charoines, the preceding station, and the officials seeing smoke pouring out of the tunnel gave the alarm. A panic ensued, the passengers struggling to escape. Firemen for several hours were unable to enter the tunnel owing to the dense smoke. Finally they succeeded in flooding the burning mass and shortly afterward they were able to enter the tunnel.

PRINCESS OF ROYAL BLOOD

DAUGHTER OF KING POMPARE ARRIVES IN SAN FRANCISCO WITH HER AUNT.

Chicago, August 10.—A dispatch to the Tribune from San Francisco, says: Princess Arimahnihini Pomare, daughter of the late King Pomare of Tahiti, has just arrived in this city on the steamship Mariposa. She was accompanied by her aunt, Mrs. Dorence Atwater, whose husband has been a planter in the islands for the last 29 years, but intends to again make his home in America. Miss Pomare is the younger of King Pomare's two daughters. She is about 16 years of age, tall and attractive. Her father was the last of a long line of rulers. He lived part of the time in European style, but the greater part of his life in native fashion. His children, however, were brought up in modern modes and were educated at the French convent in the Tahitian port of Papeete, and speaks French, some English and their native tongue.

DEPUTIES ARE SWORN IN.

Cheyenne, Wyoming, August 10.—A dozen deputies have been sworn in by Sheriff Smalley to resist any attempt at lynching Tom Horn and James McCloud, the condemned murderers who yesterday made an unsuccessful attempt to break jail. The city is quiet and orderly tonight.

RENEWAL OF INSURRECTION

AUSTRIA AND RUSSIA TO BE SUPPORTED IN ORDER TO RESTORE PEACE.

Rome, Aug. 10.—It is stated here that there has been an exchange of views between the powers regarding the situation in Macedonia. Apparently the powers have decided to support Austria and Russia in their efforts to re-establish peace. Reports recently received here from the Italian consuls in the Balkans predicted the present revival of the insurrection which the consuls considered almost entirely the work of Boris Sarafoff, the Macedonian agitator. The plan of Sarafoff, as understood, is to bring about a European intervention by provoking the Turks to massacre.

THINK HE'S ESCAPED CONVICT

Putte, Mont., August 10.—A special to the Miner from Missoula says a man answering the description of Charles Lenox, the escaped murderer from the Silver Bow county jail, was seen in this city last night shortly after the arrival of the North Coast limited train at 11:35. He was seen in the Louvre saloon down town, wore overalls and is of sandy complexion and his clothes looking as if he had just got off the breakers of the train. As soon as the man saw the officer he made a hurried escape from the place.
