## Some Men

like clothes in the very height of fashion. SOME DON'T. That's because tastes differ so. One man wants the most extreme cut, while another wants it thoroughly conservative. Nothing Old-Fashioned, mind you; just up-to-date in every way, though rather subdued in style. We cater to both. One kind of taste doesn't make a business, you know, so that's why we keep in stock enough variety to satisfy the dress desires of a good-sized town. Whatever your leaning may be, you can always find it where the garments bear the label of Crouse & Brandegee, Utica, New York. Asking for that

## TAMMANY HOLDS BIG RALLY

Senator Towne Injects Some In-  
teresting Arguments Into  
Campaign During  
an Address.

New York, Oct. 14.—All other fea-  
tures of the political campaign were  
overshadowed in interest today by the  
almost positive assurance that the fac-  
tional democratic fight in Brooklyn  
would be continued, and that probable  
peace between the McLaughlin faction  
and Tammany hall is as far distant as  
ever. McLaughlin declined an invitation  
to attend the Brooklyn ratification meet-  
ing unless the full democratic ticket  
was endorsed, and Senator McCarren  
called at Tammany headquarters to ex-  
press his approval of McLaughlin's  
course.

A bitter struggle for supremacy is  
predicted at the approaching meeting  
of the Brooklyn county committee called  
at the instance of McCarren.

Tammany hall held an enthusiastic  
ratification meeting tonight, at which  
the Brooklyn delegates were not pres-  
ent.

Appeals for campaign funds were  
sent out today by the citizens' union  
and republican organizations.

## TAMMANY'S BIG MEETING.

New York, Oct. 14.—Tammany hall  
was thronged tonight at the first great  
mass meeting of the campaign, held to  
ratify the democratic platform and  
nominations. Ex-United States Senator  
Charles A. Towne was the first speaker.  
Towne argued that the non-partisan  
government was a failure. Whatever  
might be said of it in theory, he could  
not recall an instance where it had suc-  
ceeded in fact.

William McAdoo, formerly assistant  
secretary of the navy, said:  
"We are tonight fighting a battle for  
the restoration of a democratic govern-  
ment in the United States."

He said that Mr. Chamberlain would  
succeed in converting the British empire  
to protection, and it was only by hav-  
ing the democratic party returned to  
power at Washington that the British  
government could be thwarted in its  
effort to injure American trade.

## DEMOCRATS ENDORSED.

New York, Oct. 14.—The committee  
of 40 from the New York democracy in-  
dorsed the democratic candidates on  
the city, borough and county tickets to-  
day.

## BOOKER T. ON NEGRO AND DAIRY.

New York, October 14.—Booker  
T. Washington, who is just back  
from a short vacation in Europe, has  
been welcomed home by a meeting of  
3000 negroes here. In responding to  
numerous addresses, he said the oppor-  
tunities for education and labor for the  
negro here are much better than the  
poorer classes get on the other side.

"The poorer classes there," he said,  
"have more money than the colored peo-  
ple here, although they earn less. On  
the other hand, in point of general  
morality, I think that our people com-  
pare favorably with the lower classes  
of Europe." While abroad, Washington  
took up the studies of dairies and dairy  
products in Normandy. He believes  
the conditions there can be adapted to  
Tuskegee with great success.

## SOLD WHISKY TO INDIANS.

Butte, Mont., Oct. 14.—(Special)—A  
special to the Miner from Browning,  
Mont., says:

The authorities on the Blackfoot re-  
servation believe they have located the  
man who sold the whiskey to the In-  
dians that led to the terrible murders  
of Sunday morning, and Jake William-  
son, of Cut Bank, has been arrested on  
a charge of having violated the law in  
this respect. He was brought to Brown-  
ing by Deputy United States Marshal  
Wall.

A preliminary examination was held  
by the United States commissioner.  
Williamson waived examination and  
was bound over to the United States  
grand jury in the sum of \$1000 which he  
succeeding in securing. Nothing mate-  
rially has been further learned re-  
garding the suspected murderers.

## HARVESTER COMPANY CHANGES.

Chicago, Oct. 14.—The tribune today  
says: Radical changes in the offices of  
the International Harvester Company,  
by which the offices of the constituent  
companies will be consolidated, are be-

ing put into effect by the directing of-  
ficials of the big combine. It is stated  
that the plan will be in force by Janu-  
ary 1, though thus far it has been kept  
a closely guarded secret.

By this consolidation step, which will  
extend throughout the country, to all  
cities and towns where the McCormick,  
Deering and other companies have  
offices, it is expected to save the salar-  
ies of several thousand employees, the  
total saving to the combine amounting  
to hundreds of thousands of dollars an-  
nually. It will be the policy of the  
company to keep the best employees in  
all the offices.

For the Cincinnati district, W. D.  
Adams, the present general agent of  
the Champion branch, will be the gen-  
eral manager under the new system,  
and S. C. Ritter, the general agent of  
the Deering company, will be made the  
new general agent. The saving there  
is estimated at \$500,000 a year.

## DIAMOND LUXURIES GO UP.

New York, Oct. 14.—Leading diamond  
merchants in this city have received  
advices from their brokers in London,  
Amsterdam and Antwerp, that the di-  
mond selling syndicate of the De Beers  
Company of South Africa, has advanced  
the price of all "rough" goods 5 per  
cent and the price of the larger rough  
diamonds 10 per cent. The syndicate  
handles the output of the De Beers  
Company which produces, it is said,  
about 95 per cent of the total output of  
the world.

The advance is the third since Febru-  
ary, and diamonds were then selling  
higher than at any time since the con-  
solidation of the South African mines  
in the seventies. Accompanying the ad-  
vance came advices from the diamond  
market centers of Europe, indicating  
that conditions there are unprecedented  
for 30 years. German buyers have in-  
vaded Antwerp and Amsterdam, the  
principal cutting centers of the con-  
tinent, and purchased all the cut and  
polished goods in sight. Another fea-  
ture of the new market conditions is  
that European dealers have refused to  
sell goods on time. The reasons given  
for the advance are manifold, but the  
general opinion seems to be that the  
output of the Kimberly field is decreas-  
ing. Diamond importations to this  
country show a decline recently.

## ESCAPED MURDERER TAKEN

One of the Utah Prisoners Cap-  
tured Near Salt Lake.

Salt Lake, Oct. 14.—James Lynih, the  
condemned prisoner, who, with Nick  
Haworth, escaped from the state pris-  
on here last Friday night, was captured  
this afternoon at Woods Crossing, 12  
miles north of this city. The capture  
was made by Fred Wilson, a telegraph  
operator, and two residents of the town.

Lynch offered no resistance. He was  
in a deplorable condition from lack of  
food and loss of blood from a wound in  
his right arm which he had received  
during the battle with the prison  
guards at the time of the outbreak.

At an investigation today of the re-  
cent outbreak at the penitentiary it  
was learned that guns were secured  
by the prisoners from outside parties,  
who threw the weapons over the walls.

## NOT SO FIERCE AS PAINTED.

New York, Oct. 14.—Under the head-  
ing "The Lion Not as Fierce as Paint-  
ed," local newspapers have published  
an article referring to President Ros-  
evelt's policy regarding canal matters,  
cables the Herald's Panama correspond-  
ent.

"Evidently Nicaragua is merely a  
scarescrow," says one paper. "Colum-  
bia must continue to maintain herself  
with dignity." The foregoing is but a  
sample of many similar articles. The  
approaching elections, which should  
take place within six weeks, will be a  
test of the peace of the republic. An  
outbreak is feared, however, before the  
end of the month, as the situation is  
rapidly approaching a critical stage.  
According to late mail advices from  
Bogota, canal matters are now com-  
pletely ignored in the capital and Pres-  
idential aspirations and the various  
phases of the political struggle are the  
all-absorbing topics.

## FEAR ATTACK BY INDIANS

People of Cut Bank, Mont., in  
Dread of Violence.

Butte, Oct. 14.—A special to the Miner  
from Harve says:  
The people of Cut Bank have been  
living in fear of an attack from Black-  
foot Indians from the reservation since  
the tragedy enacted near Browning  
Sunday morning, when seven of the  
tribe were killed in a drunken row.

Directly after the killing the Indians  
were thrown into a panic and it is feared  
that they may yet do violence to  
Wake Williamson, who is charged with  
having sold the Indians liquor. The  
Indians threatened to burn the town of  
Cut Bank. Threats were also made  
against Major Monteath, the Indian  
agent at Browning.

## ROBERT BODER SUICIDE.

San Francisco, Oct. 14.—The man who  
committed suicide in a King street  
lumber yard on last Saturday has been  
identified as Robert Boder, late of Chi-  
cago. He wrote to friends in that city  
before he shot himself, stating that he  
intended to take his own life.

## SENATOR MILDLY INDIGNANT

Says He Has Known Miss Wood  
for a Long Time, but That  
the Lawsuit Talk  
Is Rubbish.

New York, Oct. 14.—Miss Mae Wood,  
to whom has been attributed the pur-  
pose of instituting suit for breach of  
promise of marriage against Senator T.  
C. Platt on the eve of his marriage  
with Lillian T. Janeway of Washing-  
ton, arrived this afternoon from On-  
tario county, N. Y., where she has been  
at the bedside of a sick relative. Miss  
Wood expressed herself in terms of in-  
dignation concerning the published  
rumors, and said she was not interest-  
ed in any person's matrimonial affairs.

"The only persons who are apt to get  
into trouble," she added, "are those  
who are at the bottom of these silly  
rumors."

"I have known Senator Platt for  
several years. He has always been  
friendly to me and I esteem him highly.  
I regret the publication of these redic-  
ulous stories as very unfortunate and  
detracting."

To a reporter Senator Platt said:  
"I have seen the statement about  
Miss Wood in newspapers and regret  
that anything should have been pub-  
lished to her discredit. Of course, all  
suggestions in regard to lawsuits are  
absurd. I have known Miss Wood for  
a long time and regard her as a lady  
of fine attainments."

## MICHAEL DONNELLY BETTER

Chicago, Oct. 14.—Michael Donnelly,  
international president of the Amalgam-  
ated meat cutters and Butcher  
Workmen, lies at home recovering from  
a vicious assault that is alleged to have  
been instigated by labor leaders who  
are opposing his attempts to purify  
the Chicago Federation of Labor, says  
the Chicago Tribune.

Donnelly was attacked on the night  
of September 23 while returning from  
a meeting of the Packers' Trades Coun-  
cil, the central trades union body of  
the stock yards. For 10 days the doc-

tors expressed little hope for his recov-  
ery, and gave out a report that he was  
suffering from a physical break down  
by over-work.

Private detectives were set at work  
and they have just announced that the  
guilty men are known and they will  
be arrested as soon as the instigators  
of the assault are discovered.

When Donnelly, on July 5, charged  
the secretary of a large employers' as-  
sociation for "fighting" labor leaders,  
he was told to "keep his hands off." He  
continued the fight, and as a result  
charges were made against several of  
the most prominent officials of trade  
unions in the city. Then came the  
threats of personal violence, but these  
Donnelly ignored, declaring that he  
would clear up the case at any cost.

The attack came on Donnelly just at  
the opening of a series of conferences  
between the Amalgamated Meat Cut-  
ters and Butcher Workmen and the  
packing men of the country. Donnelly  
was to have acted as spokesman for  
the men and all knew that his ab-  
sence from the meeting would mean de-  
moralization. His close advisers and  
the union realized this and gave out the  
report that he was temporarily ill.  
Vice-President C. B. Schmidt of the  
union, took his place at the head of the  
committee which dealt with the pack-  
ers and the men were packed with the  
information that he was working un-  
der Donnelly's orders.

## FITZ FAILS TO DO THE TRICK

Joe Grim Stands Before Cor-  
nish Six Rounds.

Philadelphia, Oct. 14.—Bob Fitz-  
simmons tonight failed to knock out  
Joe Grim in the scheduled six rounds.  
The plucky Italian, who has met many  
good fighters and has never been knock-  
ed out, was given severe punishment  
and though knocked down probably a  
dozen times, was on his feet at the end  
of the bout.

## FOUGHT A DRAW.

Detroit, Oct. 14.—Harry Forbes, of  
Chicago, and Tommy Felts, of St.  
Louis, fought a 10-round draw at 115  
pounds tonight before the Metropolitan  
Athletic Club.

## TORPEDO TINGEY TESTED.

Baltimore, Oct. 14.—After success-  
fully undergoing a test for speed and en-  
durances under a trial board of officers  
of the navy, the torpedo boat Tinge-  
y has returned to the builder's yards  
here.

The boat was run over the Barren  
Island course under severe conditions  
as to wind and sea, owing to the recent  
storm. In the speed test she made 25  
knots, being one knot in excess of con-  
tract requirements. In the endurance  
test she maintained steam pressure at  
240 pounds throughout the run. The  
trial was conducted by a board com-  
posed of Captain Charles L. Train, Cap-  
tain L. C. Logan, Commander W. C.  
Cowles, Lieutenant-Commander W. S.  
Smith and Naval Constructor J. B.  
Woodward.

## CHARGES MADE BY DRESSER

Schwab Refused to See Him  
When He Called to Offer  
Plans for Rehabilitat-  
ation of Combine.

New York, Oct. 14.—Inquiry before a  
referee into the affairs of the stranded  
United States Shipbuilding Company  
at the instance of the Bondholders'  
Protective Association was resumed to-  
day and was productive of fresh de-  
velopments that will claim the atten-  
tion of the financial world.

It developed that yesterday D. L. Gro-  
Dresser, late president of the Trust  
Company of the Republic, who last  
week divulged much of the inner his-  
tory of the formation of the combina-  
tion, made an effort to communicate  
with Charles M. Schwab with a view  
to obtaining some concessions as to the  
Bethlehem steel works that would ren-  
der easier the scheme for rehabilitating  
the partly wrecked concern. Schwab  
declined to see Dresser.

W. D. Guthrie, counsel for Schwab,  
tried to show that Dresser had threat-  
ened to make certain disclosures, when  
referred to the stand, that would re-  
flect upon Schwab. Dresser denied that  
he had gone to plead with Schwab or  
to threaten him.

Dresser asserted that the shipbuild-  
ing company had been wrecked because  
Schwab had withheld the profits of the  
Bethlehem company. There was offer-  
ed as evidence a memorandum which  
shows an allowance for "expenses" of  
\$100,000 as the cost of \$300,000 in bonds,  
\$500,000 in preferred stock and \$500,000  
in common stock.

## HAUNTED BY BAD DREAMS.

New York, Oct. 14.—Pursued by a  
grievous dream, Mrs. Rose Roberts,  
widow of a detective once employed by  
ex-President Cleveland, has committed  
suicide at her home in Brooklyn.

The woman had declared she saw her  
self, in the dream, hanging dead in a  
dark room. The dream haunted her  
night and day, and finally she destroy-  
ed herself.
