OPPONENT OF TWEED DEAD

Vincent Cody, Who Spent Thirty-three Years in Prison.

New York, Oct. 22.—Suffering for most of his life as a result of a victory over William H. Tweed, in the days when that "Boss" was in the height of his power, Vincent Cody is dead. Cody was once a wealthy man. He died a watchman on the Rapid Transit Subway, and, since the Civil War, through which he fought, had served 33 years in state's prison, all of which he declared was due to the fact that he succeeded in defeating Tweed's candidate for the assembly in the "boss" own district shortly after the war because he had not succeeded in getting his old political job when he returned from the front. He declared that Tweed followed him up and that later, when he was arrested because of an accidental shooting in which he was involved, he was convicted by a "packed" jury and sent to prison for life.

Cody's sentence was commuted by Governor Roosevelt but he left the prison much against his will.

UNDERGOES CHANGE OF MIND

Miss Thurman Concludes She Is Not Kuhn's Widow.

Chicago, Oct. 22.—The Tribune today says: Dorothy Thurman has decided she is not the widow of the late Abraham H. Kohn, who died recently in a San Francisco sanitarium. Consequently she will not carry out her threat of seeking to establish her legal right. The decision is said to have followed a conference with her attorney, in which she outlined the basis of her claim. "Miss Thurman believed she was entitled to recognition in the courts, and based her claim upon what she supposed was the law," said a man speaking for her. "She has been advised she was mistaken. There was no ceremony, and Miss Thurman's assertion that she was Kohn's widow grew out of a wrong understanding of the common law of marriage in Illinois."

STATE SCRIBES IN SESSION

Seventy-five Newspapers Represented at Convention.

Salem, Oct. 22.—The eighteenth annual convention of the Oregon State Press Association was formally convened tonight by President Arthur Conklin. Representatives of about 75 Oregon newspapers are now in attendance and the enthusiasm is very pronounced. The attendance is expected to increase by at least 50 before tomorrow night. This evening's session was devoted mainly to organization and the transaction of routine business. The feature of the program was the annual address of President Conklin.

DON'T WANT WINTHROP.

Manila, Oct. 22.—A committee appointed by the American Chamber of Commerce in this city appeared before the Philippine Commission and submitted a cablegram to President Roosevelt recommending the appointment of a business man of the United States as a member of the commission upon the retirement of Governor Taft. The commissioners present, while they raised no objection to the cable being forwarded to the president, declined to express any opinion upon its merits. There is a pronounced objection here to the proposal, that the president appoint Bookman Winthrop, ex-assistant executive secretary to the vacancy, and several heads of the department say they will resign if Winthrop gets the post. It is said that the commission favors George W. Davis.

IMMIGRATION IS ENCOURAGED.

Rochester, N. Y., Oct. 21.—An immigration officer has started for New York with Colla Deligan and her son Peter, of England. The woman is about 40 years of age and the boy is 15. Elizabeth Burnes, sister to Mrs. Deligan, who was arrested September 23 and ordered deported, is said to have confessed at her hearing that both were furnished with money by the authorities at Liverpool, with which to emigrate. The United States revenue cutter Dallas has arrived at Charlotte for Oswego for the purpose of patrolling the lake from Odgensburg. Headquarters have been established at Odgensburg and the boat will be in these waters for five years.

OUR SHIPS AT MONTEVIDEO.

They came from Santos and will go next week to Buenos Ayres to be repaired in the dry dock. The American bark Kennebec has arrived at this port after having sustained heavy damages. Her pilot has a broken leg and arm.

SECOND DAY OF BANKERS' SESSION.

San Francisco, Oct. 22.—The second day's session of the American Bankers' Association was made interesting by the address of Hon. William B. Hildreth, controller of the currency, and by flattering testimonials of the country's prosperity received from the delegates. The attendance today equaled that of the opening day. Tomorrow Hon. Ellis Roberts, treasurer of the United States, will make an address and officers will be elected.

RHEUMATISM CURED AT LAST

Good News, for All Who Suffer With Rheumatism, Free.

To all who suffer with rheumatism I will gladly send free the wonderful story of how my mother was cured after years of suffering, together with the most elaborate treatment on rheumatism ever published.

No matter what your form of rheumatism is, whether acute, chronic, muscular, inflammatory, deformant, sciatic, neuralgia, gout, lumbago, etc.—no matter how many doctors have failed in your case—no matter how many so-called "sure cures" you have tried—I want you to write to me and let me tell you how my mother was cured.

I am neither a doctor nor a professor—simply a plain man of business—but I have a CURE for rheumatism, and I want to tell everyone who suffers with rheumatism all about it. I appeal especially to the "chronically ill" who are wearied and discouraged with "doctoring" and to those who have been cast aside as "incurable."

Send me your address today—a postal card will do—and I will mail you this wonderful story. My address is VICTOR RAINBOLT, Room 2, 136 West 12th street, New York, N. Y.

C. B. Allen, the trap operator, has come over from Ilwaco and will be at the Cole during the winter.
