OHIO GIVES REPUBLICAN PLURALITY
The Entire State Ticket Has Been Elected There--Hamilton Goes 35,000 Republican.

Massachusetts Has Re-elected Republican Governor by a Large Plurality.

RESULTS FROM OTHER STATES
Democratic Majority Is Greatly Reduced in Rhode Island--Maryland and Kentucky Results.

Columbus, O., Nov. 3.—Indications point to the election of the republican state ticket by a large plurality.

Cleveland, Nov. 3.—At 10:15 p. m. Senator Foraker telegraphed to Senator Hanna his congratulations. Senator Foraker said Hamilton county had gone republican by 35,000.

MASSACHUSETTS.
Boston, Nov. 3.—John L. Bates was re-elected governor today by a plurality of about 37,000 over William A. Gaston, the democratic candidate. With a dozen cities and towns to hear from, Bates had a lead of 32,325. The missing towns are all strongly republican. Three hundred cities and towns out of 353, including Boston, give Bates 146,000, Gaston 123,000.

AT BRIDGEPORT.
Bridgeport, Conn., Nov. 3.—Mayor Dennis Mulvihill, known as the "stoker mayor," and practically the entire democratic ticket were elected today.

RHODE ISLAND.
Providence, Nov. 3.—At midnight returns indicated the re-election of Governor Garvin, democrat, by a greatly reduced plurality.

NEW JERSEY.
Trenton, Nov. 3.—The republicans today elected four state senators and enough of the assembly to claim both houses of the legislature.

PENNSYLVANIA.
Philadelphia, Nov. 3.—All the candidates on the republican state ticket were elected today by the usual large majorities. The plurality for Mathus, republican candidate for state treasurer is estimated to be about 200,000, and the remainder of the ticket has run about the same.

KENTUCKY.
Louisville, Nov. 3.—With the close of an election characterized by an unusually heavy vote, numerous disorders and evidences of many gross irregularities, the re-election of Governor Beckham (democrat) over Colonel Morris B. Belknap (republican) by a majority of fully 15,000 seems assured. The republicans concede the re-election of Governor Beckham.

IN IOWA.
Des Moines, Nov. 3.—Returns received up to midnight indicate the re-election of Governor Cummins by a plurality of 60,000, and his associates on the republican ticket by substantially the same pluralities. Returns indicate that there will be little change in the political complexion of the legislature as compared with that of the past two years.

COLORADO.
Denver, Nov. 3.—There seems to be little doubt of the election of John Campbell, republican, as member of the supreme court. The News, democratic, concedes the election of Campbell. The republicans claim his election over Wilson, democrat, by 5000 plurality.

NEBRASKA.
Omaha, Nov. 3.—The defeat of J. J. Sullivan, the democratic candidate for the supreme bench, by John Barnes, republican, is conceded. Barnes' majority is about 5000.

MARYLAND.
Baltimore, Nov. 4.—At 1 o'clock this morning indications point to the election of Warfield, democrat, as governor, over Williams, republican, and the election of a democratic legislature. As far as is known at this hour the election passed off quietly throughout the state except in Harlock, Dorchester county, where there is said to have been a dispute between whites and blacks in which 12 persons were wounded.

FROM THE PRESIDENT.
Washington, Nov. 3.—President Roosevelt, who was at Oyster Bay today, to cast his ballot, returned to Wash-

ton at 9:15 tonight. He was driven at once to the White House. The president received election returns. The only expression the president would make regarding the elections was that he was very much gratified with the outcome in Ohio.

TROUBLE AMONG TURF MEN.

New York, Nov. 3.—As the result of a charge made by Louis V. Bell, a well known turfman, that his horses had been unfairly handicapped for a long period, for which he could obtain no redress, Walter S. Vosburg, official handicapper for the Jockey Club, who is also a steward at the Aqueduct meeting now being held, declares he will lay the matter before the Jockey Club. Bell, who formerly owned Hermis, which he sold to E. R. Thomas for \$60,000 caused considerable excitement about the club house by his verbal attack on Vosburg. He declares, however, that he has ample grounds for complaint and points to cases where his horses have been, he says, weighted out of any chance to win. The outcome of the dispute is anticipated with considerable interest by horsemen.

WALCOTT GETS DECISION.

Boston, Nov. 3.—Joe Walcott received the decision over Kid Carter, of New York, in a lively 15-round battle tonight. Walcott had a shade the better of it.

More Trouble With Indians

Uprising of the Sioux in Wyoming Is Not Yet Over, Says Senator Warren.

Washington, Nov. 3.—The commissioner of Indian affairs has received telegrams giving further details concerning the recent fatal encounter between Wyoming officers and Indians. Indian Agent Brennan says the Indians engaged were from Pine Ridge and therefore were Sioux. The party was traveling through Wyoming on a permit. Brennan also attributes the fight to a charge made by the officers for the purpose of arresting the Indians. He said he would go to Newcastle, the county seat of Weston county, in which the fight took place, to investigate. Senator Warren said in his telegram that six Indians were killed, six wounded and about the same number captured. One of the party, named South, who is still at large, is, he says, a student. There were two fights, one on Friday or Saturday and the other on Sunday.

"It looks squally," says the senator in his message, "and I fear further trouble." He suggests a close watch on the Indians at the agencies, for fear of more serious consequences.

Governor Is Disappointed

Returns From Washington Without Having Accomplished Object of Trip.

Salem, Nov. 3.—Governor Chamberlain returned today from Washington, D. C., where he went to secure for the purchasers of state lands whose selections had been refused by the federal government the prior right to secure land with scrip. He was much disappointed at his failure to do this. He says, however, that if the government will carry out its recently announced intention of not forming any more permanent reserves until the scrip is properly amended, he will urge no further objection, but will protest against reserves that will increase the amount of scrip.

SOUGHT LIBERTY; MET DEATH

Fate of the Men Who Deserted Whaling Schooner.

San Francisco, Nov. 3.—Men on the whaling ship Belvidere bring news of thrilling escapes from the whaling schooner Bonanza. The vessel was short-handed and in dire straits for a time, but managed to gather a crew of natives and get into the Arctic. When the Bonanza was off Nome the boat struck against an ice floe. Three men got over the side of the ship and made a race for liberty. Five men were sent after the three deserters. This pursuing party also left the ship and struck off for Cape Nome and the mines. It is reported that the three deserters floated off on a giant cake of ice and probably perished.

ATTEMPT ON LIFE OF WITNESS.

Lexington, Ky., Nov. 3.—Twelve shots were fired at Captain E. J. Ewen, the star witness in the feud cases recently tried, as he passed along the dark end of Walnut street tonight. The shots were fired from blind. One went through his hat and another through the lapel of his coat, but none of them touched him.

M'CLELLAN BEATS LOW FOR MAYOR

The Tammany Candidate in New York Goes In by Plurality of Approximately 70,000.

Grout and Fomes Also Win Out Despite Great Opposition to Them.

DEVERY'S CAMPAIGN A FROST

The Independent Democrat Who Tried for Peace Received Practically No Support Yesterday.

New York, Nov. 3.—After a remarkable campaign in which there were united against him nearly all the newspapers and practically every minister of religion in the city, George B. McClellan, son of the civil war general, was today elected the third mayor of Greater New York over Seth Low, fusionist, the present mayor, by a plurality of about 70,000.

Edward M. Grout was elected controller and Charles V. Fomes president of the board of alderman. These two men were originally on the fusion ticket and were endorsed by Tammany, whereupon the fusionists eliminated their names from the Low ballots and nominated other candidates. It was the nomination of Grout and Fomes by Tammany that caused Hugh McLaughlin, the veteran leader of the Kings county democrats, to bolt and declare he would not support men who were not democrats. In spite of the defection of McLaughlin, Grout and Fomes carried Kings county. The management of their campaign there was taken over by State Senator Patrick McCarran when McLaughlin refused to aid.

A surprising feature of the election was the vote for William S. Devery, former commissioner of police, who ran on an independent ticket, which has been given practically no support. This result shows the tremendous change of public sentiment since Mayor Low's election two years ago. At that time he carried all the boroughs but Queens.

When it became known that McClellan had carried the day, Mayor Low sent him a message of congratulation. The mayor was asked for a statement, but declined to give out anything for publication. Turning to the newspaper men, he said: "I think the telegram to Mr. McClellan sums up all I have to say tonight."

The use of voting machines enabled the people of the city to learn the re-

WANT CASES ADVANCED.

Butte, Nov. 3.—The appeals in the three receivership and injunction suits of Lamm and McGinnis against the Amalgamated company and other mining concerns will be brought before the supreme court tomorrow on a motion to advance them for hearing upon the docket.

SAY THEY FOLLOWED ORDERS.

Indianapolis, Nov. 3.—Fireman Schumacher and Conductor Jones, of the wrecked Purdue university special on the Big Four, who are held responsible by the company, were before Coroner Tutthill today. Each testified that the train was running on a different train order which they were following implicitly.

SEATTLE NOT ALARMED.

Seattle, Nov. 3.—The people of Seattle so far betray no general uneasiness over the recent frequent discoveries of hidden dynamite and occasional harmless explosions. There is some speculation as to what has been done with the large quantity of explosives stolen from Fort Lawton, but no apprehension of destruction of life or property is felt.

Proclaims Its Independence

Panama Cuts Loose From Rule of Colombia and People Celebrate Event.

Panama, Nov. 3.—The independence of the Isthmus was proclaimed at 6 p. m. today. A large and enthusiastic crowd of all political parties assembled and marched to headquarters of the government troops, where General Tovar and General Amaya, who arrived this morning, were imprisoned in the name of the republic of Panama. The enthusiasm was intense and at least 5000 of the men in the gathering were armed.

A battalion of Colombian troops at Panama favors a movement which is also thought to meet with the approval of at least two of the government trans ports here.

VESSELS SENT THITHER.

Washington, Nov. 3.—The sensational advice from the Isthmus were not entirely unexpected in view of other reports received. The news caused a sudden outbreak of activity in the navy department and upon President Roosevelt's return he was made acquainted with the publication.

Secretary Hay, Assistant Secretary Darling and a number of others were summoned to the White House and measures were at once taken for the protection of American interests.

SCHMITZ IS RE-ELECTED AT BAY CITY

Labor Union Party Candidate for Mayor Outstrips His Opponents in Interesting Race.

Opposition Did Not Concentrate Its Strength And He Won the Fight.

LANE MAKES POOR CONTEST

Is Lame Third, While Crocker is Reported to Be Very Close Second—Full Reports Are Lacking.

San Francisco, Nov. 4.—Today's election resulted in a signal victory for Eugene E. Schmitz, the present mayor, who has defeated his opponents by a safe plurality. A bitter fight had been made against Schmitz, but the failure of the opposition to center its strength on one of the two candidates resulted in a victory for the union labor party's candidate. The cry, "Anything to beat Schmitz," had been set up all over the city, but he has polled a large vote.

The feature of the election was the poor run made by Franklin K. Lane, the democratic nominee. Lane is a very lame third in the running, despite the vigorous campaign made in his behalf. He drew little strength from Schmitz.

Charles Crocker, the republican nominee, has made an excellent run, and, while the election of Schmitz is conceded by the Chronicle and Call, republican organs, the result is close. Positive assertions on the result can not be made until further semi-official returns are received.

The counting of ballots is proceeding slowly, and at this hour, 2 a. m., only incomplete returns had been received. The prediction that Schmitz is elected is, however, a safe one, and it is believed that further returns will not materially change present conditions.

INSANE MOTHER SUICIDES.

New York, Nov. 3.—Abandoned by her husband 10 days ago and apparently crazed by anxiety, Mrs. Susie Abraham has jumped from a window of her rooms in an East Fourth street tenement. She died instantly. Her 19 year old daughter was with her when she threw the window open. When the child realized that her mother was about to do she grasped her skirts and exerted her utmost strength, but the frantic woman beat her off and leaped out. Neighbors found the child weeping on the sidewalk over the dead body.
