Fifty-one Injured At Kansas City

Cable Cars Carrying Shop Girls
on Their Way to Work
Come Together.

Kansas City, Mo., Nov. 4.—One person was killed and 51 injured, two perhaps fatally, in a collision of cable cars in a fog early today on the steep Twelfth street viaduct. Most of the injured were shop girls on their way from their homes in Kansas City, Kan., to the big department stores on the Missouri side.

The dead girl, Nellie Luscombe, aged 20, was killed instantly. A small piece of steel the size of a lead pencil was driven into the skull between the eyes and the left side of the head was crushed. She was so badly disfigured that it was several hours before she was identified. Of the injured Carrie Mooney, a drygoods clerk, suffered both legs broken and Herman Watkins, a clerk in the Methodist book concern, whose jaw was broken and who was otherwise hurt, will die, it is believed. Seventeen others were more or less seriously hurt, five of them sustaining broken bones. The other 34 injured sustained minor cuts and bruises.

All the injured lived in Kansas City, Kan., or its suburbs. Several of them were children going to school.

Christmas novelties now coming in. Full line of things to burn. Visitors always welcome. Frank Woodfield's Art Store, Bond street.

EASTERN ELECTION RESULTS

(Continued from First page)

the bank and business failures throughout the country, gave color to Senator Hanna's claim that the election in Ohio involved national issues greater in importance than the betterment of our local conditions.

Sure Shot Sing Sing Yawns for Him—Resigns From Union.

New York, Nov. 4.—Samuel Parks, from his cell in the city prison, has announced that he will resign as walking delegate and as a member of the House smiths and Bridgemen's Union at its meeting Friday night. He says he is out of the labor movement forever and declares that he will not appeal from his conviction in the extortion cases for which he recently was tried. He is eager to serve his prison term and is not seeking bail.

"I am 'one,' said Parks. "Nothing can save me from Sing Sing. If I did get a new trial I would be convicted as regularly as I came before a jury. I am not ashamed of my labor career. I thought I was right and followed my best judgment. I have but one regret and that is for my wife. She is prostrated over my troubles."

MEDICAL LAKE SALTS MFG. CO., Sole Mfrs.
NEW YORK AND SPOKANE, WASH.

Medical Lake Salts Mfg. Co., Spokane, Wash.

To whom it may concern—I was afflicted with rheumatism some six years ago and after having tried nearly everything for a year went to Medical Lake and took a brief course of baths, receiving great benefit therefrom. So, when, three weeks ago, I was attacked in a very acute form, with both inflammatory and sciatica, I went immediately to Medical Lake, where I imbued and bathed freely of the water. I am now back at my desk not much the worse for the wear. As to the virtue of the Medical Lake water there can be no possible doubt. Yours very truly,
