Good Game for This Afternoon

Astoria High School and Business
College to Meet on the
Local Field.

The public is looking forward with
interest to the game to take place on
the local field today between the Hol-
mes Business college and the Astoria
high school, and there is promise of a
big crowd being in attendance. The line
up of the two teams stands as follows:

Holmes.....Center.....AstoriaSmith

The high school boys have been doing
some profitable practicing of late and it
is reported that the Portland chaps
are not lacking in grit and determination,
so the game will doubtless be a
hustler from start to finish. The
younger pupils have been disposing of
tickets this week and the people have
shown a disposition to purchase.

GAME AT FORT STEVENS.
The Commercial Club team and the
boys in blue at Fort Stevens will battle
for supremacy on the gridiron to-
morrow at the post. The local men will
go to the west side on board the Major
Guy Howard. The last contest that took
place between these two popular ag-
gregations occurred on the local field
and resulted in favor of the Astorians,
the score being 20 to 0. This unusual
score was the largest ever made on
the local field and the largest ever
made by an Astoria eleven. Whether
tomorrow's game will result vastly dif-
ferent can not be foretold, but it would
not be surprising if the Commercial men
came off victorious.

COMMERCIAL-ALL STAR.
One week from tomorrow there will
be a football game played in this city
that will certainly be a game. The
teams that will be arrayed one against
the other are to be the Commercial and
All Star. The latter is a new aggre-
gation, but is composed of experienced
players. Some of the men have not
been actively engaged in the strenuous
sport since '08, but they claim they
have not lost any of their old tricks.
The team is really a strong one and the
Commercial are not sure that every
thing will be well with them. The gate
receipts will go to defray the expense
of the Commercial club team on the
trip to Vancouver on Thanksgiving
day when the game with the soldiers
is to be played. Recently the Vancou-
ver team was defeated by the Multnomah
club, the score being 16 to 0. If
the locals in the forthcoming contest
win out then they will be in line to play
with the heavy Portlanders. Tomorrow
the soldiers will be pitted against the
Chemaw Indians and the outcome
will be watched with interest by Asto-
rians.

FEDERATION HAS DULL DAY.
Boston, Nov. 13.—Twenty-eight res-
olutions were delivered to the secretary
of the American Federation of Labor
today, and in order that the various
committees might consider them the
convention was adjourned until to-
morrow, one hour after the delegates had
assembled. The feature of the session
was the adoption of a resolution of
sympathy for the street railway men
of Chicago.

SHE TOOK MORPHINE.
London, Nov. 13.—The verdict of the
coroner's jury in the case of Miss So-
phia Frances Hickman, the woman
doctor, whose body was found in an
unfrequented part of Richmond park,
after she had disappeared two months
previous from the Royal free hospital,
with which she had been connected,
was suicide by morphine, while tempo-
rarily insane.

FATAL GAS EXPLOSION.
New York, Nov. 13.—Five persons
have been injured, one so seriously
that he may die, as a result of a gas
explosion in an iron tank in Harlem
used for asphyxiating dogs and cats in
the dog pound. The explosion wrecked
the interior of the building and broke
every pane of glass in it. About 150
dogs and cats escaped.

WHISKY DENIED ROUNDERS.
Nashua, N. H., Nov. 13.—Chief of
Police Healey of Manchester will today
post in the saloons another list of 450
citizens who are not to be sold liquor.
This is done under the new state law.
A week ago the chief posted 150 names.
He declares that any person who buys
whisky for the prohibited rounders
will be added to the list.

WANTED TO SELL THEIR EARS.
New York, Nov. 13.—Search by a
local physician and surgeon for a
human right ear of certain shape and
size, the owner of which was willing
to part with the organ in return for
\$5000, has been concluded. Hundreds
of persons applied in answer to the
doctor's advertisement, but none an-
swered the requirement.

GUNSAUS FOR UNIVERSITY.
Boston, Nov. 13.—Some of the
trustees of the Boston University are
urging the name of the Rev. Dr. F.
W. Gunsalus of Chicago for the vacant
presidency of that institution. It is
understood his name has not yet been
formally presented to the trustees, but
is under serious consideration.

GAELIC FOR BOSTON.
Boston, Nov. 13.—A resolution call-
ing on the school committee to have
Gaelic taught in the Boston high
schools has been passed by both
branches of the city council.

countered some stormy weather that
necessitated repairs before she left the

sound for Port Price. The Lytton is a

Murder Story Nipped in Bud

Supposed Victim of Assassin Gets
Drunk and Leaves Apparel
on the Street.

What appeared yesterday morning to
be a good murder story was spoiled
later in the day by the supposed foully
slain individual turning up alive and
well—and drunk. The story began in
the morning when some workmen
found a coat and shoe lying on Ex-
change street, the ground near being
marked with blood. The police were
notified and a search was begun for
Hemming Macklin, of 1239 Franklin
avenue. Letters were found in the
pocket of the coat that contained the
address of Macklin, who had probably
been engaged in a scuffle during the
night and met with an accident. Just
how his coat and shoe got to be in
the street is probably not known to the
interested party himself, and the loss
of his memory can be obviously ac-
counted for. Anyhow, he was at home
when last heard of and very much alive.

WOODEN CHAIR IS THE THING.
Ithaca, N. Y., Nov. 13.—At a mass
meeting of Cornell freshmen, President
J. G. Schurmann has told the young
students how he thinks they should
study. Their day, he said ought to be
divided as follows: Eleven hours
study, two hours for meals, three
hours for athletics, one hour for re-
creation and the remaining eight hours
for sleep. President Schurmann said
that not much hard work was ac-
complished on the soft chair and
urgently advised the use of an ordinary
hard wooden chair for study purposes.

MEXICAN LADY LOSES JEWELS.
New York, Nov. 13.—Mrs. F. M.
Ybarra, a wealthy native of Mexico
City and said to be the widow of a
member of President Diaz's cabinet,
has been "robbed of jewels valued at
\$5000, while on a visit to her son in
this city. The family is stopping at a
private hotel much frequented by
Spaniards. There is no clue to the
thieves, the jewels having been taken
from a dresser while their owner was
asleep.

a railroad wreck and the same causes
are making human wrecks of sufferers
from Throat and Lung troubles. But
since the advent of Dr. King's New
Discovery for Consumption, Coughs

cured, and hopeless resignation is no
longer necessary. Mrs. Lois Cragg of
