NOT A SICK DAY SINCE.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c at Chas. Rogers, druggist.

J. E. Higgins, who returned home from a month's tour of the east Sunday evening, reports himself greatly benefited by his vacation. The objective point of Mr. Higgins' visit was Halifax, Nova Scotia, his former home, to which point he went by the Canadian Pacific. From Victoria to Vancouver from there to Montreal and on to Boston, was the route he traveled. From Boston Mr. Higgins went to Halifax and later returned to the New England metropolis. He returned by way of the Southern Pacific, encountering in his travels the extremes of heat and cold. While in the southern states Mr. Higgins learned that the cotton crop for the season just past was in some places greatly injured by a small insect that devoured the buds before they were allowed to blossom. The planters themselves hardly know the nature of the pest and were unable to successfully controvert the ruin it wrought. In California Mr. Higgins visited with his daughter, Miss Margaret Higgins, who is attending Stanford university.

No Dessert More Attractive

Why use gelatine and spend hours soaking, sweetening, flavoring and coloring when
Jell-O
produces better results in two minutes? Everything in the package. Simply add hot water and set to cool. It's perfection. A surprise to the housewife. No trouble, less expense. Try it to-day. In Four Fruit Flavors: Lemon, Orange, Strawberry, Raspberry. At grocers. 10c.

On Saturday evening Miss Eva Parker and Miss Maude Dawson gave a dancing party in Warren's hall. This was voted the party of the season. Several quadrilles were introduced on the program for the enjoyment of the old folks who do not take readily to the two-step and waltz.

The steamer Acme cleared yesterday for San Francisco with 485,000 feet of lumber.

ENRAGED MAN KILLS FRIEND.

Chicago, Nov. 16.—Dazed by blows struck by men who had insulted the young woman he was escorting, Rudolph Ludwig drew a revolver last night and fired two shots. Both struck Frank Sanders, his friend and companion, who also was struggling with the crowd, and inflicted wounds from which he died two hours later.

The Finnish-Swedish Literary Society gave an interesting performance at Kearney's hall on Saturday evening. A Swedish play was staged, and during the evening a literary and musical program was rendered. The function concluded with a dance.

The roof of the Olney school building was badly burned yesterday morning, the blaze being occasioned by a defective flue. The promptness of the pupils in responding to the fire drill prevented any confusion, so none was injured. As the interior of the rooms escaped damage the usual hours of study will be observed today. The damage done to the roof was occasioned more by the efforts of the firemen to get at the fire than by the fire itself. The loss will amount to \$300. The school has an attendance of 200 pupils and is presided over by Principal Willcutt.

A RUNAWAY BICYCLE.

WOMEN'S SYMPATHY

Is Proverbial. Astoria Women no Exception.

How much we owe to the sympathetic side of womankind; when others suffer they cheerfully lend a helping hand. They tell you the means which brought relief to them that you may profit by their experience. Read the testimony given here by an Astoria woman.

Mrs. Close, wife of John Close, night engineer at Lindenberg's Cold Storage House, foot of Eighth street, residing at 230 Commercial street, says: "About a year ago we moved here from Portland and as I had a great deal to look after I overdid myself and the result was I brought on kidney trouble, back began to ache and as time rolled My back began to ache and as time rolled by it kept getting worse instead of better. It finally grew so bad that I could scarcely stoop or straighten after stooping. When I did any work requiring bending I could hardly get up and I had headaches, dizzy spells and at times everything before me looked blurred. I was just about to start to the store for a plaster to put on my back when I read about Doan's Kidney Pills and they were so highly recommended for kidney trouble I made up my mind to try them and procured a box at Charles Rogeds' drug store on Commercial street. They went right to the root of the disease and helped me from the start and before I had finished the box I was cured. Every thing is changed with me now and I have no symptoms of kidney trouble whatever."
For sale by all dealers; price 50 cents Foster-Milburn Co., Buffalo, N. Y., Sole agents for the United States. Remember the name Doan's and take no other.
