### LINE-UP OF THE TEAMS

Multnomah Sending a Strong Combination for Sunday's Game With Commercial.

LOCAL MEN ARE SANGUINE

Realize That It Will Be Hardest Contest Ever Played Here, but Will Go in to Win.

The big football game scheduled for next Sunday is arousing great interest in the city. For the first time Astoria has a chance to meet the big Multnomah team of Portland and the players feel rather anxious about the result. The work of the Astoria team up to the present time has been remarkable and it remains to pit their strength against Multnomah to demonstrate they have one of the best teams in the state. The team began last night to practice in secret, the object being to develop new plays, in order to spring surprises on the public next Sunday. The men are now in good condition and with this week's work will be in shape to play the game of their lives. They are determined to win if victory is possible. They realize what they are to go up against, and intend to give a good account of themselves. It will be a game none should miss—the greatest game ever played in Astoria.

Captain George Barker appreciates that the local team is going to have the hardest game of its career, but he will go in with the expectation of winning. "All of the visitors are first team men," said Mr. Barker, "but it does not follow that we cannot win. I am of the opinion that there is no stronger defense team in the northwest than ours. At Vancouver the soldiers never once made their yardage—something I never before heard of where two strong elevens contested.

"If we are unable to cope with the Multnomahs by offensive work, we will surely be able to hold the visitors by adopting defensive tactics. Our men have long been anxious to try conclusions with the state champions and can be depended upon to put up the very best quality of football of which they are capable. The game ought to be interesting from start to finish."

The lineup of the two teams is as follows:

Astoria position	Multnomah
Bay.....C.....	Keller
Gammel.....R. G.....	Bailey
Goddard.....L. G.....	Krenick
Minard.....R. T.....	Gearin
Sutton.....L. T.....	Kirkly
Painter.....R. E.....	Dowling
Trullinger-Wedel.....L. E.....	Pratt
Stockton.....Q.....	Johnson
Graham.....R. H.....	Jordan
Barker.....L. H.....	Kerrigan
Abercrombie.....N. F.....	Crosby

With the Multnomah team Wickensham and Zan will attend the game as subs, while Tom Ross will act as an official.

During the last few weeks several eastern gentlemen who have visited this city, among them two from Milwaukee, Wis., have asked when furnished with beer at the Occident hotel, where it was manufactured. Their surprise was great when informed that what they were drinking was the product of an Astoria concern. Without exception all expressed surprise, saying

that whoever the brewer was, he made better beer than is manufactured in Milwaukee. One of the gentlemen happened to be interested in an eastern concern, in the shape of a brewery, and remarked: "That beer is not very strong in alcohol, but its nutritive properties are greater, I'll warrant than any other beer in America." The tribute was a high one, but there are very few people here who do not endorse the eastern man's views.

C. O. Porter, an old resident of the west side, died at St. Mar's hospital last night. Mr. Porter was taken ill a few days ago while on a visit to this city. He suffered from ptomine poisoning and went into rapid decline from the time he was first affected. The deceased had been a resident of Skipanon for a short time only and little is known of his family history. He is survived by a son who is employed at one of the quarries of the Northwest Construction Company. The funeral will be held Thursday, with interment in Ocean View cemetery.

TO CURE A COLD IN ONE DAY.

### TO THE PUBLIC.

In the hurry incidental to the publication of the first number of the Astorian and the Daily News in their new form, there are naturally many matters to which the management find it impossible to give present attention. With in a few days, however, all the work will be systemized, and with greatly increased facilities in the mechanical department, various improvements, for which preparation is being made, will be inaugurated. A new Mergenthaler Linotype machine of the latest type will be received about the end of the present week, and other machinery which will be required by the firm in the conduct of its business will be added in the near future.
