MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body. Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

Miss Sarah Finley.

following praise on Wine of Cardui:
"Among the numerous medicines placed before suffering women for their relief none can touch McEhee's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."
If you are suffering from female weakness Wine of Cardui is the medicine you need.
You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

NOVAK TELLS HIS STORY

Alleged Counterfeiter Wants Freedom and He Spins His Yarn Accordingly.

WORKS INTEREST OF RUSSIA

Says He Followed Band From England to America to Obstruct Unlawful Business—Story is Discredited By Officers.

Boston, Jan. 6.—Moses Novak, one of the band of alleged counterfeiters recently arrested in Revere, Mass., and New York city, has told a remarkable story to Secret Service Agent Murphy in substantiation of his claim that he should receive a light punishment or, in fact, be set free.

Novak says that several years ago when John Davis, the alleged leader of the band, was supposed to be operating in England and among other things was turning out counterfeit bills on the Russian government, he (Novak) was sent to England to find out all he could about Davis and his plans. Davis was arrested in England a short time afterward, in company with a number of others, in one of the biggest counterfeiting raids that was ever made in that country. Davis offered to turn queen's evidence, his offer was accepted and he escaped punishment. The other counterfeiters, however, each received 10 and 12 year sentences. Davis came to this country and Novak followed, as he claims, in the interest of the Russian government, to see that no Russian counterfeiters were made over here.

The secret service men, however, will not, it is said, agree to have Novak turn state's evidence by agreeing to be satisfied with a light sentence.

ORCHESTRA PIT DEFECTIVE.

Musicians Take Concerted Action to Improve Quarters.

Chicago, Jan. 6.—In the revision of the city building ordinances for the protection of the theater patrons in Chicago, the musicians will demand that attention be given to the orchestra pits. At least two exits from each pit will be one request. The musicians are also considering asking that more room be provided for them and that less wood be used in the construction of their quarters.

Charges that the pit of the burned Iroquois theater was dangerous have been made at a meeting of executive committee of the federated musicians. A communication was authorized to Coroner Traeger asking that he summon members of the Iroquois orchestra to the inquest. The musicians, it is believed, are in a position to throw much light on the conditions in the front part of the house at the time of the fire. A committee was appointed to confer with Mayor Harrison.

JEWS KNOCKED DOWN AND TRAMPLED UNDER FOOT.

Demonstration Against Persecuted Subjects of Czar is Suppressed By the Police.

New York, Jan. 6.—A threatening anti-Semitic demonstration has occurred at Kischineff, according to a dispatch from London to the American. The police suppressed the disturbance. The riot is reported to have occurred on Tuesday. It began with assaults

on Jews in the principal streets. A mob quickly formed and surged toward the ghetto where Jews were knocked down and trampled upon in the street. Missiles were thrown through windows of houses and many persons were clubbed, but so far as the dispatches indicate no person was seriously hurt. Interference by the police quickly put an end to the demonstration.

Sad Homecoming.

Victoria, B. C., Jan. 6.—C. Arnold, a passenger by the steamer Empress of Japan, which arrived yesterday, found on arrival that his mother and two sisters were among the dead of the Iroquois theater horror. He is hurrying to Chicago.

JEV ADVOCATE PUNISHED.

Rabbis Urge Followers to Adhere to the Czar.

New York, Jan. 6.—Advocate Kalnovich has been forbidden to practice World dispatch from Kischineff by way of Bucharest. He defended the Jews before the court which investigated the recent massacre.

Secretary of the Council Karabezowski is said to have been exiled to Siberia for five years.

Some Rabbis have joined in a proclamation advising the Jews not to participate in uprisings but to remain loyal subjects to the czar.

CHIEF SAVES PRISONERS.

Mob Collects to Lynch Murderers and Then Dissolves.

Denver, Jan. 6.—Prompt action on the part of the Denver police probably prevented an attempt to lynch three slayers of Mrs. Youngblood, Petera, Andrews and Arnold. A mob of about 100 people gathered at Valverde and began a march on the jail. Chief Armstrong learned of the movement and sent the prisoners to Colorado Springs. He then sent a force of police to intercept the mob. In some manner the mob learned of this action before it had proceeded many blocks and it turned back to Valverde and dissolved.

Allege They Were Deprived of Constitutional Rights.

Richmond, Va., Jan. 6.—Judge Richmond Waddill of the United States circuit court has transferred to this city from Norfolk three suits at common law, entered by colored residents of this state, who ask damages of \$5000 each from the governor, members of the recent constitutional convention and election officers for the alleged deprivation of rights under the new constitution. The cases will be argued in the circuit court here as to the questions involved. John S. Wise, of New York, formerly of Virginia and John G. GEN. GRANT BANQUETED

Son of Great Commander Prepares to Leave Texas for Command of Lake Dept.

FETED BY HIS CLUB FRIENDS

Hope is Expressed That He Will Retire From Army and Lead Republicans in National Political Affairs.

San Antonio, Tex., Jan. 6.—The

Businessmen's Club has tendered a fare well banquet to General Frederick Grant, who goes to Chicago to assume command of the department of the lakes. In the course of the banquet the hope was expressed that he would some day pass from military to civil life to head a republican ticket for president, a wish in which he good naturedly acquiesced.

The banquet was attended by 75 representative Texans and as many army officers. Federal Senator Adolfo Heberwirth of Mexico was among the speakers.

A glowing tribute to Japan and the Japanese army by Captain H. H. Ely, Twenty-sixth Infantry, was vociferously applauded by the military officers in attendance. Captain Ely, who fought by the side of Japanese soldiers in the Boxer campaign, said that Japan was a military power of great strength and that the Russians will not have an easy victory in the case of war with the Japanese empire.

MILLIONS MAY BE INVOLVED.

Litigation Likely to Result Through Death of Widow.

New York, Jan. 6.—Mrs. Margaret Hamersley, widow of James H. Hamersley, is dead at her home in Fifth avenue. She was a member of a prominent North Carolina family and grand niece of William Augustus Muhlenberg, the famous Protestant Episcopal preacher and writer. It is possible that her death may again involve the Hamersley millions in litigation, owing to the conditions of the trust which cut off, owing to religious differences, the child of the present Lady Beresford, widow of Louis Hamersley.

Bill is Recommended.

Washington, Jan. 6.—The only measure considered in the house today was a bill introduced by the delegate from Hawaii to ratify the act of the Hawaiian legislature authorizing the manufacture and distribution of electric light and power on the island of Oahu. Owing to objections made to the bill in the form presented it was re-committed to the committee on territories.

RHEUMATISM

NOT A SKIN DISEASE.

It is natural to rub the spot that hurts, and when rheumatic pains are shooting through the joints and muscles and they are inflamed and sore, the sufferer is apt to turn to liniments and plasters for relief; and while such treatment may quiet the pain temporarily, no amount of rubbing or blistering can cure Rheumatism, because it is not a skin disease, but is in the blood and all through the system, and every time you are exposed to the same conditions that caused the first attack, you are going to have another, and Rheumatism will last just as long as the poison is in the blood, no matter what you apply externally. Too much acid in the blood is one cause of Rheumatism; stomach troubles, bad digestion, weak kidneys and torpid liver are other causes which bring on this painful disease, because the blood becomes tainted with the poisonous matter which these organs fail to carry out of the system. Certain secret diseases will produce Rheumatism, and of all forms this is the most stubborn and severe, for it seems to affect every bone and muscle in the body. The blood is the medium by which the poisons and acids are carried through the system, and it doesn't matter what kind of Rheumatism you have, it must be treated through the blood, or you can never get permanently rid of it. As a cure for rheumatic troubles S. S. S. has never been equalled. It doesn't inflame the stomach and ruin the digestion like Potash, Alkalies and other strong drugs, but tones up the general health, gently stimulates the sluggish organs, and at the same time antidotes and filters out of the blood all poisonous acids and effete matter of every kind; and when S. S. S. has restored the blood to its natural condition, the painful, feverish joints and the sore and tender muscles are immediately relieved.

UNABLE TO SLEEP AT NIGHT.
Sidney, Ohio, August 20, 1903.
A few months ago I was feeling weak and run down and unable to get sleep at night. I felt extremely bad, and also had rheumatic pains in my joints and muscles. The medicine I used gave me only temporary relief at best; so seeing S. S. S. highly recommended for such troubles, I began its use, and after taking it for some time was well pleased with the result. It did away with the rheumatic pains, gave me refreshing sleep and built up my general system, giving me strength and energy. It is a good medicine, without a doubt, and I take pleasure in endorsing it.
