 Lots of proof that Doan's Kidney Pills do this.
 It's the best proof, for it comes from Oregon.
 T. W. Shankland, who is a street car conductor on the Woodstock street car line, residing at 710 Ellsworth St., Portland, says: "Some time last fall I began having considerable trouble and annoyance from a dull aching pain in the back over the kidneys. I think it was caused from the constant shaking and jarring of the car. I thought at first it would disappear quickly as it came, but this was not

the case. Learning of Doan's Kidney Pills I procured a box and took them according to directions. The result was entirely satisfactory. The backache grew less and less and soon disappeared and as far as I can tell it has gone for good for there have been no symptoms of recurrence."

BEAUTIFUL CHILD HOMELESS AS RESULT OF GREAT FLOOD

After being buffeted about since the great and terrible flood that swept scores of people into eternity at Heppner last June, a beautiful dark-eyed baby girl found her way into the home of the Boys' and Girls' Aid Society today. The little innocent is Ada Morris, and her parents were both killed, it is claimed, in the disaster, that brought sorrow to so many homes. She will be cared for and given all the comforts of her new surroundings, if the case appears on the surface.
 Superintendent Gardner says the baby girl is one of the most beautiful he has ever seen, and is as bright as a new-made dollar. Not knowing the awful misfortune that has befallen her, she appears most cheerful and happy, and although quite young, interests herself in the many things in the home.
 The baby becomes a protegee of the Boys' and Girls' Aid Society by suggestion of the court of Yamhill county. The story goes that on July 3, 1903, Maud Flett, of Olex, brought the child to Mrs. Elizabeth Florey, of Watato, Yamhill county. Miss Flett stated that she was a nurse in the Morris household before the flood and that she and the baby were the only ones saved. She wanted to find a good home for the child and selected the one mentioned.
 In an affidavit filed with Superintendent Gardner, Mrs. Flora states that Miss Flett agreed to pay her \$10 per month for the care of the baby, but that she had received but a small amount, although having kept the infant eight months. She wrote to Miss Flett, she says, and received a reply that she would do no more for the baby, and that if Mrs. Florey desired she could give it to some one else.
 Mrs. Florey consulted the county court of Yamhill and was advised to take the baby to the home of the Boys' and Girls' Aid Society, which she did. Portland Telegram.

CRUSADE AGAINST FOUL HABIT NOW ON IN THE EAST

St. Paul, Jan. 15.—Health Commissioner O'Hage this evening began a campaign against expectorating on the walks and in public places. A dozen men in front of the Grand theater were forced by health officers to take out their handkerchiefs and mop the sidewalks they had befouled.
 More than this number escaped arrest by obeying the orders of inspectors at the Star theater. The humiliation of the offenders was deep. A crowd gathered about the Metropolitan theater front, expecting to see the officers give their orders, but the news of the crusade had spread.
 There were two inspectors at the Grand entrance, two at the Star and two at the Metropolitan theater. The warning will be general. It applies equally to street "spitters."
 Monday the inspectors will begin to arrest offenders. Health Commissioner D'Hage is taking a wide interest in the campaign. This afternoon he forced a Sidney street lumber jack to pull a red bandanna from his pocket and obey his orders.

To Protect Americans.
 New York Jan. 16.—An additional squad of 64 United States marines have arrived to protect American citizens, says a Herald dispatch from Seoul, Korea. Natives of the United States here outnumber those of any other country except Japan and China and their commercial interests exceed those of all except Japanese.

A VICTORY TO BE PROUD OF
 is the final and absolute cure of a sore throat, in which the rawness and tenderness have been spreading dangerously near those guardians of life, the lungs. The luxury of a sound throat and robust lungs is most keenly enjoyed by people who, having suffered all the consequences of "a little cold, you know," have been rescued from misery and danger by Arren's Lung Balsam.

Mrs. Laura S. Webb,
 Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.
 Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:
 "As I had always been troubled more or less at the menstrual period, I dreaded the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."
 Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.
 A million suffering women have found relief in Wine of Cardui.
