

### DEWEY'S SUGGESTION STANDS GOOD WITH THE HOUSE

### Admiral Has Hearing With Committee and His Ideas Are Followed Out.

Washington, Feb. 4.—Admiral Dewey's suggestion in favor of heavy fighting ships for the navy prevailed today with the house committee on naval affairs over the recommendation of the general board submitted by Secretary Moody. The naval appropriation bill was completed by the committee after a hearing granted Admiral Dewey. It carried an aggregate appropriation of \$95,000,000. The ships authorized are one battleship, two armored cruisers three scout cruisers and two squadron colliers. An appropriation of \$500,000, made last year for two submarine boats, was reappropriated.

### REPORTED THAT FLEET LEAVES PORT ARTHUR

New York, Feb. 4.—A dispatch to the Herald from Port Arthur by way of Chefoo, under today's date, says the Russian fleet has left Port Arthur. It was reported yesterday from Port Arthur that the Russian squadron heretofore inside the harbor had joined

the outside fleet in order that they might not be immured in the narrow channel. The combined fleet was stated to have anchored outside the harbor. The above dispatch would seem to indicate an important movement.

### LONG FIGHT ENDS IN COMPANY TO BE FORMED

New York, Feb. 4.—A long fight between the Sheldon reorganization committee and the United States shipbuilding affairs and the bondholders protective committee was settled tonight.

It provides for a new company with a capitalization of \$30,000,000, half preferred and half common, Schwab to get nine millions preferred and six millions common, and the first mortgage bondholders to get the remainder pro rata.

RADIOS RADIOS RADIOS

Thousands of Persons in All Sections of the Country Have Been Healed by This Wonderful Discovery.

Dear Friends: Don't read this advertisement if you expect to get something for nothing, because you won't. We have a good article and we want money for it. Be sensible.

If you had something that was worth a dollar would you give it free? When you read an advertisement where you get something for nothing, that something is either no good or else they are up to some "film flim" game.

We are not running a patent medicine business, so rest easy on that subject.

We do not know the word failure—never have and never will. The educated and higher classes are the ones we want to reach. We reach men and women in all walks of life. Men and women, who are today before the public as national characters have had our confidence and the benefit of our experience. It is a 20th century product one that will be more appreciated the more it is tried.

Fresh from the bath and as good as she looks. This old saying describes our clients to a T. We have a VITALIZER—not a patent medicine. It tones the system, centralizes weaknesses of all descriptions—makes an even temperature all over the body and in fact it makes a new man and woman. Radios will within a few years be a part of every hospital and surgical institute of our land. No term can stand the force of contact with this new discovery. Rheumatism and debility flee before it. The mighty force of the turbulent waters of Niagara are in comparison with this new product an old fashioned CANDLE is to RADIUM.

One person writes: "Why did not some one discover it before?" Another says: "So simple it is hardly creditable."

From the far west comes the unsolicited response: "A God-send to humanity."

Wallcott Christie, of New York, the well-known author says: "My success in a great measure is due to Radios." Weakness of certain organs is responsible for all diseases. We build up your system so that a disease is an impossibility. If your digestive organs are out of order, if your blood is impure, if you can't sleep, eat or attend to business, I will cure you, and guarantee to do so. I will give you a written guarantee. Could you ask for anything more? "RADIOS."

### RHEUMATISM NOT A SKIN DISEASE.

It is natural to rub the spot that hurts, and when rheumatic pains are shooting through the joints and muscles and they are inflamed and sore, the sufferer is apt to turn to liniments and plasters for relief; and while such treatment may quiet the pain temporarily, no amount of rubbing or blistering can cure Rheumatism, because it is not a skin disease, but is in the blood and all through the system, and every time you are exposed to the same conditions that caused the first attack, you are going to have another, and Rheumatism will last just as long as the poison is in the blood, no matter what you apply externally. Too much acid in the blood is one cause of Rheumatism; stomach troubles, bad digestion, weak kidneys and torpid liver are other causes which bring on this painful disease, because the blood becomes tainted with the poisonous matter which these organs fail to carry out of the system. Certain secret diseases will produce Rheumatism, and of all forms this is the most stubborn and severe, for it seems to affect every bone and muscle in the body. The blood is the medium by which the poisons and acids are carried through the system, and it doesn't matter what kind of Rheumatism you have, it must be treated through the blood, or you can never get permanently rid of it. As a cure for rheumatic troubles S. S. S. has never been equalled. It doesn't inflame the stomach and ruin the digestion like Potash, Alkalies and other strong drugs, but tones up the general health, gently stimulates the sluggish organs, and at the same time antitoxins and filters out of the blood all poisonous acids and effete matter of every kind; and when S. S. S. has restored the blood to its natural condition, the painful, feverish joints and the sore and tender muscles are immediately relieved.

Our special book on Rheumatism will be mailed free to those desiring it. Our physicians will cheerfully answer all letters asking for special information or advice, for which no charge is made.
