IS NOW HELD TO ANSWER

Arrested First for Jumping Board Bill, More Serious Charge Develops Through An Investigation.

Tacoma, Feb. 11 .- J. N. Jones, who was arrested Monday night at the Donnelly on a warrant from Seattle charging him with jumping a board bill, is now being held at the police station on a more serious charge, that of obtaining money under false pretenses. Information will be filed direct in the superior court, charging him with the latter offense.

Jones, it is claimed, appeared in this city several days ago and said that he was representing a New York newspaper and that he was authorized to take advertisements and receive money for the same. These advertisements were to be published about the same time that Jones' article on the beauties of Tacoma would be published. No date was set for the publication of the article, but the feature story, along with the advertising would probably be "sometime in the near future."

Dege & Milner were among those to whom Jones presented his proposition. It is believed by the police that there are at least seven other merchants of this city who have been taken in by Jones' plausible tale. In each case Jones backed up his statement that he represented the paper by showing a letter purporting to be from W. R. Hearst. Whether the name was in ink or typewritten, Mr. Milner cannot state positively, but he believes that it was written in ink. Jones is said to have destroyed the letter as soon as he heard the police were looking for him. Jones, it is said, does not deny the

charge brought against him by Dege & Milner. He is accompanied by his wife, who seems heart-broken over the misfortunes that have overtaken her husband. She is said to be practically penniless and weak from exhaustion. Jones himself fell in a faint when he is said that an effort s being made to arm and Leonardo went home. nnect Jones with the man who passed forged checks on local merchants, but that is likely to fail, owing to the fact that the merchants themselves are unable to positively identify the man. The only man that could identify the forger is C. A. Pipher, manager of the Boston store, who cashed one of the checks for \$28, and he says the man had an outcropping of beard that was reddish in hue. Jones in no way answers this description.

AL NEILL IS HAS BEEN.

Once Popular Boxer is Easily Put Out Of Business.

San Francisco, Feb. 10.—The "Dixie Kid," a colored whirlwind, with all the vigor and strength and fight of youth, cut down Al Neill, the once popular San Francisco man, in a little less than a round at Oakland last night, settling for good Al Neil's) recognition.

In just 2 minutes and 36 seconds the colored boy had beaten his white oppon ent to a pulp, and sent him dreaming to the mat. "Spider" Kelly's calls from the corner to cover up were not heeded, for there was not time.

Short as was the fight the "Dixie Kid" demonstrated more than a few things about his ability to handle him self in the ring. Stung by a blow from Neill after about half a minute of dal lying, he waded in with right and left slashing like a young black demon.

The was no resisting the terriffic on slaught. It is doubtful if a far better

EN ROUTE FOR OREGON.

Bellingham, Wash., Feb. 10.—Sheriff Sexton, of The Dalles, Ore., left here at I o'clock today for that city, with Norman Williams, who is charged with the murder of Miss Alma Nesbitt and her mother in March, 1900, and who is also ander indictment in Portland, Ore., for complicity in the United States land frauds in that state.

Williams was terribly nervous this morning, but was firm in his refusal to discuss his case. The only person he talked with was a Mrs. Zivney, the woman who has shown so much interest in him. According to his own statement, he has known this woman for many years, and Sheriff Sexton says that she shows up in various places throughout his career. He was advised by the sheriff's office here to cause her arrest and stated that he would advise the prosecuting attorney of his county to take steps looking towards her detention, but whether as a witness or otherwise he did not state.

According to the Oregon officer's story, this woman accompanied Williams to Portland 30 days ago, when he appeared there to plead to the indictment in the land fraud case, and there made a statement that she witnessed Miss Nesbitt's signature to the delinquishment which she made of her claim, half of which was afterwards taken by Williams on original entry.

The government contends that this reinquishment was a forgery. Mrs. Zivner bade Williams a tearful farewell this morning. She lived in his family here for a time last year.

Derailed Car Causes Excitement

New York, Feb. 10 .- Some excitenent was caused at the Manhattan end of the bridge last evening by the derailing of a Flushing avenue car. It was about 20 minutes before the car replaced, and meanwhile many persons who were able to extricate hemselves from the disorder that folowed went up stairs and took elevated trains. At the height of the confusior Rocco Leonardo approached Patrolman Miller, who had his hands full of ordinary matters, and said he guessed his arm was broken. He said that he

CUTICURA

The World Is Cuticura's Field, **Used Wherever Civilization** Has Penetrated.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczems, chiefly on the scalp, face, ears and neck and on one limb. I was for several months under professional treatments, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dread-fully disfigured and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies and I gave them a thorough trial with the most satisfactory results. The disease soon began to disappear and my bair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under their notice when a poor person is so afflicted, so that your remedies may be
