BREAKS HEART OF OLD MAN

Grief Causes Death of Aged Father-in-Law of Dead Patrolman.

OFFICER SHOT BY BURGLAR

Fund of \$15,000 Raised for Bereaved Family By Friends as Tribute to Bravery of Man Killed.

New York, April 15.—The tragic end of Patrolman Hugh J. Enright who was shot in a battle with a burglar recently has caused the death of his father-in-law, John J. Moran, 70 years old. Since the hour when Enright fell before the burglar's pistol the old man has grieved constantly. Just as he was about to take the two little grand children for a walk he cried to his daughter: "Hugh is calling me; I am going to meet him," and fell dead. The doctors say his heart was broken.

A fitting tribute to the bravery of Enright has been the raising of a benefit fund for his family, amounting to \$15,000. It has been placed in trust.

RECTOR OPPOSES OPERAS.

Says That Religion and the Theater Do Not Mix Well.

Chicago, April 15.—Dr. James S. Stone, rector of St. James' Episcopal church has put a stop to the choir's custom of giving operas, light or otherwise.

"Religion and the theater do not mix well in the way St. James' choir has been trying to mix it," declared the rector. "I do not have any objections to any members of the choir appearing in opera as individuals. I am, however, opposed to operas being given in the name of the church."

Dr. Stone believes the influence that surrounds the preparation and presentation of an opera is not good for the choir boys. It is understood that Bishop McLaren has informed the rectors of Episcopal churches generally that he would be better pleased if they would stop giving operas.

HOME IN SAN FRANCISCO.

Midshipman Who Dies on Missouri Lived in Bay City.

San Francisco, April 15.—William Taylor Neuman, one of the midshipmen killed in the explosion on the battleship Missouri, was a San Francisco boy and a graduate of the Lowell high school. He was only 22 years of age and was sent

to the naval academy at Annapolis through the instrumentality of ex-Congressman Julius Kahn. His father was Paul Neuman, a prominent figure in the club and legal circles, who died about two years ago. In Hawaii, Mr. Neuman held positions of honor when royalty swayed the destinies of the Hawaiian islands.

DENY COMBINATION.

Savings Bank Officials Say Higher Mortgage Rate is Proper.

New York, April 15.—Investigation of the sentiment in savings bank official circles has developed the fact, according to the Herald, that an increase in the mortgage rate made by every savings bank in New York is to result in the firm establishment of the higher rate at least for the remainder of the year. The prevailing rate is about 4 1-2 per cent with an occasional loan at five. An idea of the importance attached to this movement may be gathered from the fact that the savings banks of New York state have about half a billion dollars invested in mortgages.

Officials of the savings institutions deny any attempt at combination and say the higher rates are merely in line with the general financial state prevailing.

DRASTIC ACTION TAKEN.

Theatrical Association Will Fight Cut Rate Tickets.

New York, April 15.—Drastic action against cut rate tickets has been taken by the Theatrical Managers' Association of New York. In order to stop the traffic in bill board tickets carried on chiefly in small tobacco shops throughout the theatrical district a resolution was adopted providing that after August 1 no member of the association shall permit to be used any form of advertising for which tickets of admission may be given, and that no advertising shall be done in New York by lithographs otherwise than rented boardings, photographs, hangers, banners, etc. Another resolution to charge 10 cents each on complimentary tickets up to the number of 10 for each theater each night is expected to add sufficient revenue to the actors' fund to do away with the necessity of benefits.

An attempt will be made next fall to form a national association of managers which shall have among other objects these reforms.

Crushed Child Dies.

Seattle, April 15.—Anna Omley, the little girl crushed in a collision between a hose wagon and a street car last night, died in Providence Hospital at 1:25 this morning.

During the summer the Rock Island's California service will consist of a daily train by way of the El Paso route, carrying standard and tourist sleeping cars and dining car through to Los Angeles and San Francisco; also a daily train from Chicago to San Francisco by way of Colorado. RIVER OUT OF BANKS.

Baker City and Vicinity Damaged By Unusual Floods.

Baker City, April 15.—Burnt river is out of its banks and the traffic on the O. R. & N. is blocked by the washout of the bridge at Weatherby. In addition to this all wagon bridges have been carried out which makes it impossible to transfer any passengers or mail. It is expected that the damage can not be repaired for two or three days. The rise in the Powder river which flows through this city has forced the Sumpter valley river to suspend its train service since Monday. In this city the river has changed its channel and one building will probably be carried away. Unless efforts to turn the river back into its channel are successful several valuable residences will be badly damaged or destroyed.

The Medicine That Cures.

WINE OF CARDUI

WENO, ORE., May 11, 1903.

Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as a rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.

It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.

Dr. E. Buchanan
WIFE AND LABORER.

Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.

Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.

All druggists sell \$1.00 bottles Wine of Cardui.
