RUSSIA'S HOSPITAL TRAIN LEAVES FOR THE FRONT
 Magnificently Appointed Cars for the Proper Caring of the Ill and Wounded on Battle Field.

St. Petersburg, May 26.—The empress hospital train started on its journey to the far east today. Among those at the station to witness its departure were Grand Duke Michael, the heir presumptive, and Duke Peter of Oldenburg the emperor's brother-in-law. The train is the fastest railway hospital ever constructed. It consists of two sections, the first composed of 14 ambulance cars fitted with every appliance for the comfortable transportation of the ill and wounded. The second section contains two operating cars supplied with every adjunct of the modern operating room—tiled interiors capable of instant cleaning, disinfectants, stores, instruments, bandages and adjustable operating tables. These cars are intended to be detached from the train and sent to various points, where ever they will be of the most use along the line. The remainder of the train contains a library, chapel and bath rooms, including a special electric bath, an x-ray car with dynamo and all apparatus and a kitchen car from which all the patients are fed. There are also cars containing a dispensary, sterilizing and disinfectant apparatus water distilling and ice manufacturing machinery. There went out with the train three doctors, four sisters of mercy and three assistants. The empress not only furnished the entire train, but furnished \$500 monthly to aid in the purchase of delicacies for the sick.

MARRIED IN ENGLAND.
Meteoric Tewksbury Does Another Stunt and Adds to Career.
 New York, May 26.—Lewis C. Tewksbury, whose meteoric career and failure for a large amount in Wall street a few years ago attracted much attention, is reported to have been married in London to Miss V. A. Butler of New York. Tewksbury fled to Mexico in 1900 with only a few thousand dollars of his large fortune. His counsel here stated that many mining claims against the ex-broker already have been settled. Mrs. Tewksbury, who remained here when her husband fled, recently secured a divorce.

PROCURIST FREED.
District Attorney Decides Not to Prosecute St. Louis Woman.
 St. Louis, May 26.—When the case of Mrs. Sophia Weinzler, charged with bringing girls to St. Louis from Germany for improper purposes, was called today before the United States commissioner. District Attorney Dyer announced that the federal grand jury, having considered the case, had decided not to proceed further. He asked that the charge be dismissed. The defendant was discharged.

Mayor McClellan in His Office.
 J. Herbert Welch, in Success.
 It is as if a band had struck up a quick march in the city hall when the mayor comes swinging along the corridor in the morning. The attendants and clerks take on a new alertness and animation. He nods to them briskly as he pushes through the swinging door to the inner office. His bell rings sharply, and at once the mill begins to grind. The first callers, who have been waiting for him, are shown in and bowed out in quick succession, and even those who have been unsuccessful in their errands are usually smiling when they pass out, because they are still under the spell of the mayor's magnetism. He has gripped the hand of each man heartily, and has made it plain to him that he would like to serve him if he could.

 New York, May 26.—Harry Verden, the golf expert, has had a serious setback in health, according to a Herald dispatch from London. It will prevent his taking part in the forthcoming championship tournament and in fact may necessitate his practical withdrawal from the links. His lungs are understood to be seriously affected.

The "Force" of Herpicide.

NOTHING SUCCEEDS LIKE SUCCESS
 Why is Newbro's Herpicide a success? Because it has the "Force" or capacity to produce an effect. What is the effect? The destruction of the invisible, vine-like, microbe growth that lodges in the sebaceous glands of the hair follicles, where its growth and development causes dandruff, itching scalp, falling hair, and later, incurable baldness.
 Is Herpicide pleasant to use? Clear as crystal Newbro's Herpicide is the daintiest, most delightful and refreshing application ever prepared for the scalp. It contains no oil, grease, sediment or dye matter. Careful people who now consider it a duty to use a scalp prophylactic, to insure cleanliness and freedom from dandruff contagion, prefer Newbro's Herpicide on account of its extreme purity, exquisite fragrance and refreshing quality. Ladies, in particular, become enthusiastic over it, because it keeps the hair light and fluffy and gives it a silken gloss.
STOPS ITCHING INSTANTLY.
THE FIRST HAIR-SAVER.
 Newbro's Herpicide is the first "Hair-Saver." It was not made until the microbe and contagious nature of true dandruff was discovered. Before this discovery, approaching baldness was considered inevitable, and after it came the scalp was treated with tincture of cantharides (made from dried blistering bugs) and other irritants to make the hair "grow." Every dermatologist now recognizes the fallacy of this treatment. Save your hair while you have hair to save. Kill the dandruff germ with Newbro's Herpicide and give nature a chance; marvelous results will follow.
MATERIALLY BENEFITED BY ITS USE.
 "I have noticed a very material benefit from the use of Herpicide and believe it will effect an entire cure."

MARVELOUS RESULTS.
 "I used a couple of bottles of Newbro's Herpicide with marvelous results. Dandruff disappeared and my hair stopped falling out."

ALWAYS TIRED NEVER RESTED
 To be tired out from hard work or bodily exercise is natural and rest is the remedy, but there is an exhaustion without physical exertion and a tired, never-rested feeling—a weariness without work that is unnatural and shows some serious disorder is threatening the health. One of the chief causes of that "Always-tired, never-rested condition" is impure blood and bad circulation. Unless the body is nourished with rich, pure blood there is lack of nervous force, the muscles become weak, the digestion impaired, and general disorder occurs throughout the system.
 For over four years I suffered with general debility, causing a thorough breaking down of my system. My cousin, who had been benefited by S. S. S., told me about it. I tried it and it cured me. I heartily recommend S. S. S. to all who may feel the need of a thoroughly good blood tonic.
 Yours truly,
MRS. JOSEPH A. BRITAIN,
 44 W. Ninth St., Columbia, Tenn.
 The hundreds of little ailments we often have are due directly to a bad condition of the blood and circulation, and the quickest way to get rid of them is by purifying and building up the blood, and for this purpose no remedy equals S. S. S., which contains the best ingredients for cleansing the blood and toning up the system. It is a vegetable blood purifier and tonic combined, that enriches the blood, and through it the entire system is nourished and refreshing sleep comes to the tired, never-rested, body.
