cause one man does not want to use a certain thing no one else is to be allowed to use it—provided, of course, that it is not wrong in itself. If you take the ground that the use of anything containing alcohol is sinful and criminal, then the doctrine of prohibition might be considered. But even then the question might arise whether the state could interfere with the individual conscience. The great majority of the good and wise men of the world over, men whose characters are respected, and men whose opinions are likewise respected, do not consider the use of alcoholic drink in itself either sinful or criminal. There can be no question about the side on which the wisdom and intelligence of the world's greatest and best men is enlisted in this matter. Here and there a wise man may be found who is in favor of prohibition, but these are the exceptions and are very few. The conscience of the world goes against this doctrine.

Rev. Dr. S. M. McConnell, St. Stephen's Church, Philadelphia.

"I oppose prohibition in the interest of temperance. I have personally observed the effects of prohibition in Rhode Island and Maine, and I know that in the country districts as well as in the city anyone who wants rum can easily get it."

TRIED TO LYNCH HIM

Mob in Central Park, New York City, Chases Negro Who Attacked Two Girls.

COWERED BEHIND THE POLICE

Brute Frightened When He Heard Mob Screaming to Lynch Him for His Offense.

New York, May 28.—A serious demonstration against Charles Green, a negro, who attacked two girls in Central Park, has been checked by several policemen only after threats had been made by the latter to use their revolvers. The mob consisted of 300 or 400 men who aided in running down the negro on Fifty-ninth street. When they learned the charge against him stones and clubs were thrown at his head but he was not seriously hurt. Threats of lynching then broke out and the crowd began to close in upon the police who managed to drag their prisoner to the station after threatening to shoot.

The negro, attacked the girls, who were sisters, while they were taking photographs in a much frequented section of the park. In endeavoring to drive him off, one of the sisters beat him over the head with a camera and her screams quickly brought aid. The negro took to his heels and when he reached Fifty-ninth street, the crowd had grown to a howling mob. Several policemen ran up and headed the chase. Green was soon overhauled and when the crowd began to cry "lynch him," he cowered behind the police in terror. He was identified immediately by the sisters, both of whom suffered severely from the shock but were not injured otherwise.

SHOWING THE WAY.

This Public Statement of a Portland Citizen Will Be Appreciated.

Many a reader of this in Astoria has gone through the self-same experience in part and will be glad to be shown the way to get rid of the constant aches and pains of a bad back. Profit by a Portland citizen's experience:

J. Jenkins, of 315 East Sixth street, Portland, now retired from active life, says: "I think very highly of Doan's Kidney Pills. I used them for an acute attack of backache which had annoyed me for some little time. Three days after I began their use I knew they had gone to the cause of the dull dragging pains across the small of my back and relief came sooner than I expected. I believe the cure is permanent, for I have not felt any symptoms of a recurrence. Other members of my family have also used Doan's Kidney Pills with equally good results."

Emphatic endorsement can be had right here in Astoria. Drop into Chas. Rogers' drug store and ask what customers report.

Sold for 50c per box by all druggists. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

CLOMEL MAY NOT START.

Richard Croker's Horse May Not Start in Derby.

New York, May 28.—Richard Croker's horse, Clomel, for which it is said he paid \$15,000 with its Derby engagement, is now put down as a doubtful starter for the classic race, says a World dispatch from London. There are no reports of his training published and he is not mentioned in the betting. M. Blanc's Gouvernant is first favorite for the race this year and the prospect of it being won for the first time in 46 years by a Frenchman is giving the contest unusual in-

terest. Gouvernant will be ridden by Cannon, the crack English jockey.

The last three Derby winners were ridden by Americans. Gouvernant will cross the channel today and will be sent in a special train direct to Epsom to be prepared for the race next Wednesday.

Everything is being done to counteract the possible evil effects of the change. The horse is being accompanied by all its stable men and Chantilly water of sufficient quantity for its stay in England is being brought in huge tanks.

SOLVING MURDER MYSTERY.

Police After Murderer of Man Whose Body Was Found in Loaded Car.

Chicago, May 28.—The Record-Herald today says:

According to the police of Whiting, Ind., the identity of the man whose dead body was found in a loaded naphtha tank car yesterday has been finally established as L. J. Hall, 25 years old, of Wolfe Lake, Ind., and the police believe that he was murdered and his body placed in the car. Hall has been employed as clerk at the Wolfe Lake clubhouse. He left the clubhouse last Friday night and that was the last time his friends saw him alive.

OFFICIAL DEATH ROLL.

Just How Many Officers and Men Went Down in ill-Fated Ships.

Tokio, May 28.—(10 a. m.)—Revised figures show that 51 non-commissioned officers and 378 bluejackets were killed and drowned; 7 officers, 13 non-commissioned officers and 50 bluejackets slightly wounded, and 12 bluejackets seriously wounded in the sinking of the Japanese battleship Hatsuse by a mine off Port Arthur on May 15. Two hundred and thirty-five non-commissioned officers and men lost their lives on the cruiser Yoshino, which was rammed and sank by the cruiser Kasuga on the same day that the Hatsuse was blown up. The navy department has not yet received a detailed report of the two disasters.

IT IS FOR LADIES, TOO.

They Can Stop Their Hair Falling Out With Herpicide.

Ladies who have thin hair and whose hair is falling out, can prevent the hair falling out, and thicken the growth, with Newbro's "Herpicide." Besides, Herpicide is one of the most agreeable hair dressings there is. Herpicide kills the dandruff germ that eats the hair off at the root. After the germ is destroyed, the root will shoot up, and the hair grow long as ever. Even a sample will convince any lady that Newbro's Herpicide is an indispensable toilet requisite. It contains no oil or grease, it will not stain or dye. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
