

MISSING AMERICAN GIRLS HAVE BEEN LOCATED

Are in Vienna Hospital Under Treatment for Nervous Trouble and Hysterics From Unknown Cause.

New York, June 8.—Friends of the Misses Bondy of New York have received from Vienna news that the young women are in a medical institute in that city, having been taken there for observation and treatment while laboring under great excitement or hysteria, says a Herald dispatch from Paris. The story of their affliction is a strange one. Six months ago three young sisters, who are between the ages of 20 and 30, left New York for Europe unattended, for a trip to the Mediterranean and Egypt. They were well supplied with money and proficient in European languages. After visiting the holy land they visited Egypt, saw the pyramids and went some distance up the Nile.

A month ago they reached Constantinople. There they met a party of Americans who obtained for the young

ladies a reliable courier to escort them to Havre where they proposed embarking on their return voyage. They were evidently in a nervous condition and told stories of an attempt made to kidnap them near the pyramids and of their having been pursued across Gallilee by a bandit Sheikh. They gave the impression to all who came in contact with them that their nerves had been considerably shaken by their adventures, fancied or real.

On the arrival of the sisters in Vienna their nervousness became more marked. They evaded the courier and moved from hotel to hotel, declaring their lives were in danger. Finally they called upon the police for protection and were turned over to the United States consul who is having them cared for pending the arrival of relatives. The real cause of the nervous breakdown is unknown.

by armed members of the citizens' alliance and their federation cards taken from them. They were told that they were wanted in Cripple Creek, but that they must take out cards in the citizens' alliance to stay. If they did not consent to do this they were to be deported.

After eating a hearty meal—the first that some of them had enjoyed, so the fugitives state, in 24 hours, secured beds when they could get accommodations. One of the deported miners said:

"I don't know why I was deported. I have violated no law, destroyed no property, injured no man. So far as I know every one of the men driven with me from home are equally innocent with myself."

The guards who accompanied the men from Cripple Creek returned to the district on the next train which left about an hour later.

Reports that an armed mob was gathering at the union depot took the train bearing the deported unionists caused Chief of Police Delaney to order a detail of police to the station. On their arrival they found everything peaceful and quiet.

DOORS OF HER HOUSE BATTERED DOWN WITH AXES IN THE HANDS OF DETECTIVES OF NEW YORK.

FIXED UP TO GO TO JAIL

Took Two Hours to Make Her Toilet Before Going to Spend Night in the Bastille.

New York, June 8.—Hannah Elias the octroon, charged by John Platt with having secured from him by blackmailing methods nearly \$700,000 passed the night in the Mercer street police station.

She was taken from her palatial residence in Central Park west (where the doors were knocked down with axes), to police headquarters in a carriage. She delayed so long at home arranging her toilet that the latter place was not reached until nearly 2 o'clock. After having given her name, age, etc., she was taken to Mercer street for the night.

Efforts to serve a warrant on Mrs. Elias in a civil suit had kept a crowd about her house for a week and when the detectives attacked the doors with axes in order to serve a warrant in a criminal action which Mr. Platt finally had been prevailed upon to bring, there was a large audience.

As Mrs. Elias left the house, hanging heavily upon the arms of the detectives, she had to pass between solid rows of curious persons, while street cars, carriages and automobiles were lined up in order that their passengers might view the outcome of the strange siege which had been no for several days. Mrs. Elias expressed no concern over her arrest.

The specific charge on which the warrant was handed is the alleged extortion from Mr. Platt of \$7500 in May last.

WAS A UNION MAN.

Sheriff Declares Man Who Blew Up Depot Belonged to Union.

Denver, June 8.—A Victor (Col.) special says the Newman today prints an interview with Sheriff Edward Bell of Teller county, concerning the Independence station tragedy. He is credited with saying:

"I will get the murderer sure. The criminal who set that infernal trap off and killed 14 men will be caught. I have a number of clues that are valuable, but will not divulge them at this time. I don't believe the murderer is in the state at this time. But I can and will get him. I have no doubt but what he is a member of the miners' union."

At 2:30 o'clock this morning General Bell and the mine operators, led by Charles M. M. MacNeill and C. C. Himlin, were preparing to take a secret trip down the Short Line railway, their destination being unknown, every member of the party taking the greatest pains to conceal the purpose of the trip. No sooner had General Bell arrived than the trip was suggested.

MARTIAL LAW DECLARED.

Cripple Creek District Is Now Under Military Control.

Denver, Colo., June 8.—A special to the News from Victor, Colo., says that martial law was declared in the Cripple Creek district at 2 o'clock this morning by the posting by Acting Governor Haggott of a proclamation at a number of places in the camp. The posting was done under the direction of Adjutant General Bell who arrived at Victor from Denver at an early hour this morning with the proclamation. Conditions in the camp are quiet according to all accounts. General Bell has assumed command of the military and control of the district and has called a council of the local-military company officers. He has also ordered Col. Verdeckberg, who had charge of affairs in the district when martial law ended there several months ago, to the district.

ARRIVED IN DENVER.

Deported Men Well Treated by Union Members.

Denver, June 8.—The 24 deported union miners from the Cripple Creek district, since the serious riots in that section, returned to Denver about midnight on a special train over the Denver & Rio Grande. In the rear of the car stood nine guards armed with shot-guns and army rifles, who had been deputized to accompany them to Denver from the gold camp. The miners were unarmed. Nearly all were penniless. The men were met by about 40 delegates to the convention of the Western Federation of miners and were taken to a restaurant.

The miners declare that the Cripple Creek district is no longer safe for union men.

"Any one who has an enemy," said one, "Had better get out, because it is impossible for him to be protected there now."

The miners assert that when they were searched by guards of the military and citizens alliance and their money and valuables taken. They also declare that before they were placed on the train they were lined up

BOAT WAS HIT.

Tokio, June 8.—(10:30 a. m.)—Four Japanese gunboats, which made a close reconnaissance of Port Arthur harbor at midnight on June 6 for the purpose of examining the entrance, were exposed to a severe cannonade. Gun-boat number 4 was hit eight times and sustained some damage. One of her sailors was killed and two others were wounded.

PAID THE BAIL.

New York, June 8.—Mrs. Cornelius Storrs has paid \$20,046.75 to Assistant District Attorney Miner, the amount, with interest, of the forfeited bail for Dr. Richard C. Flower, who is said to have obtained some \$300,000 of the woman's money through mining schemes. He has disappeared, Mrs. Storrs declares that Dr. Flower saved her from death; that she was grateful and had faith in him.

TRAIN HELD UP.

Brakeman Seriously Wounded by Two Masked Men.

Salt Lake, June 8.—Denver & Rio Grande passenger train No. 5, west bound was held up near Pallsade, Col., a station just east of Grand Junction, at an early hour this morning.

Brakeman Shellenberger is seriously wounded, the result of a bullet from the gun of one of the two holdups, and the conductor had his lantern shot from his hand.

The robbers flagged the train about two miles from the station and when the trainmen went forward to learn the trouble, were confronted with revolvers by two masked men.

After marching the conductor back to the train they detached the engine and express car from the coaches and blew open the safe, after running the locomotive and car some distance up the track.

The express officials at this hour are unable to say what amount was obtained, but claim it was small.
