Where the Play Was
Going On.New York, July 2.—After choking
the doorkeeper into submission and
taking his keys, a police captain and
three detectives have accomplished an
unusual raid on a gambling house in
West Thirty-fourth street. Three at-
tendants and four players were cap-
tured.The house had been under police
guard several weeks. Finally the cap-
tain moved his guard from view and
the proprietors were reassured. Tak-
ing three trusted men, the captain rang
the basement doorbell and was an-
swered by a negro doorman. He was
seized and throttled, while a gag was
slipped into his mouth and handcuffs
slipped over his wrists. Then, with
keys taken from the prisoner's pocket,
the police carefully opened the steel
doors and made their way to the up-
per floors.So quietly had the work been done
that the raiders stood in the darkened
hall several minutes and witnessed the
games in operation. The officers
stepped into the brilliantly lighted
rooms and placed every one there un-
der arrest. The raid was the most
successful here in some time.**Notice.**For the purpose of correcting an im-
pression which exists in the minds of
some that William Thompson, Arnold
and Albert Davey have done some in-
jury to my little boy Salvador Arci-
diacono, I beg to say that I have dis-
covered that the injuries were purely
an accident and the boys had nothing
to do with them.

Paper Says.St. Petersburg, July 2.—The Journal
de St. Petersburg, the semi-official or-
gan of the foreign office, prints this
morning one of its infrequent editor-
ial articles dealing with official denial
by the Japanese government of the re-
ports of the mutilation of Russian
wounded. The article says:"A simple denial is not exculpation.
We do not deny that our wounded are
well treated at Sasebo and other Japa-
nese cities where well organized hos-
pitals are operated, under the eyes of
Europe; but on the field of battle,
when the Russians are forced to aban-
don the wounded, a cruel fate awaits
them, as their agonized cries there
cannot be heard in Europe."A photograph has been taken by
Dr. Stankevitch of General Mischenko's
division, showing horribly mutilated
Russians, with hands cut off and
tongues cut out and pierced by thongs.
An officer was found in a pitiable con-
dition, but still breathing. He was re-
stored to consciousness and said he
had been fired upon deliberately by a
Japanese soldier. His deposition,
signed by the Russian authorities and
several military attaches, will soon be
in our possession."**Brutally Tortured.**A case came to light that for per-

Rheumatism, and nothing relieved me,
though I tried everything known. I
came across Electric Bitters, and it's
the greatest medicine on earth for that
trouble. A few bottles of it com-
pletely relieved and cured me." Just

SSS THE BEST TONICIn S. S. S. Nature has provided a tonic suited
to every requirement of the system when in a debilitated,
run-down condition. It contains no strong minerals or
drugs, but is a pleasant vegetable preparation. You can find no better re-
medy for toning up the nerves and bringing refreshing, restful sleep.S. S. S. improves the ap-
petite and digestion, and its
good effects are seen almost
from the first dose. It acts
promptly in cases of chronic
dyspepsia, indigestion and
all stomach troubles, and
does away with the uncon-
fortable fullness, shortness
of breath, drowsiness and dizziness that so often come after eating. S. S. S.
is not only the best tonic, but possesses alterative or purifying properties,
and if there is any taint, humor or poison in the blood, it searches it out and
removes it. Many times a low state of health is due to a bad condition of
the blood and can only be remedied by such a remedy as S. S. S.If you suffer from debility, weakness, insomnia, nervousness, loss of ap-
petite, bad digestion, or any of the miserable symptoms of a disordered
blood, nothing will so soon put your blood in good condition, invigorate
and tone up the system and restore the health as S. S. S.
