CAPTURED THE PAY ROLL.

Amusing Incident Occurs in Mimic Warfare at American Lake.

An incident that will appeal to the sense of humor of the layman, but one calculated to disturb the peace of mind of the members of company A, signal corps, Washington national guard, occurred at Lake Washington during the maneuvers there last Saturday.

In order to be in condition to be paid every militia organization on the maneuver ground must send its pay roll to division headquarters at Camp Murray. Saturday when the maneuver was going on a mounted signal corps orderly was dispatched at Murray with this precious document for his company. Unfortunately for him and his command he wore the usual blue shirt without non-combatant badge.

Down by the defile between Stella-coom and Gravelly lakes he ran into a bunch of Brown scouts. Regardless of his protests, they captured him and confiscated his papers. He obtained his liberty later, but the pay roll remained in the hands of the enemy, and many a tart message was sent from commander to commander before that pay roll was recovered and sent on its way through the regular military channel.

That Throbbing Headache

Would quickly leave you if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25 cents; money back if not cured. Sold by Chas. Rogers' drug store.

TO BACHELORS.

There are some hundreds of thousands more men than women in the Central and Western states of America and in Canada.

As a result thousands of trustworthy men—farmers, miners and others—living in certain districts there can not possibly get wives in their own neighborhoods.

But in England, Scotland, Ireland and Wales there are a million more women than men, and in these countries thousands of good, intelligent and attractive girls—many of them daughters of farmers and all of them qualified to make excellent wives—see nothing before them while they stay here but the prospect of living and dying as old maids, and this, to them, is a decidedly unpleasant prospect. They would willingly emigrate to America, could they be assured that they were going to meet worthy men there as husbands, and that they could look forward to happy, if humble, homes on the other side of the Atlantic.

We may say that all of them could afford to emigrate at their own expense.

We are prepared to give good men introductions to these girls.

If you wish to get an introduction, please write us with such particulars of yourself (age, nationality, occupation and circumstances) as a sensible girl would expect to get, and we shall write to you in reply, with a view to bringing about a suitable introduction without undue delay.

Tell us what kind of a wife (age, nationality, appearance and disposition) you wish to get.

If you have preference for any particular Christian sect please name it. You will also enclose our fee of \$5. A further fee of \$45 will be due to us within one month after marriage, thus making \$50 altogether. We do not confine ourselves to one introduction. We give as many as will be necessary until marriage. But we make no charge for any introduction after the payment of our said fee of \$5 for the first.

It is not at all necessary that you should be a wealthy man.

But it is necessary that you be a man who would make a kind and good husband to a good wife.

If you are not such a man, please do not write us.
