

## DROPS DEAD AT CAPITAL

General Harrison Allen Succumbs to Heart Failure at the Advanced Age of 72.

### LONG IN PUBLIC SERVICE

Entered the Union Army as a Private in 1861 and Gradually Worked His Way to Prominence.

District Attorney Harrison Allen of this city yesterday received telegraphic news from Washington that his uncle, General Harrison Allen, had dropped dead at the national capital Friday afternoon, of heart disease. District Attorney Allen was named after the general, who since 1861 had been in the public service. General Allen was about 72 years of age. His death is very generally regretted among public officials, who knew him as a man of honor and ability.

General Allen enlisted in the union army as a private soldier April 16, 1861; was elected captain upon organization of the company; was promoted to major, colonel and brigadier general; was commissioned brigadier general by the president for meritorious service in the field and approved by the United States senate by unanimous vote.

Pennsylvania was General Allen's native state, and after the war, in November, 1865, and again in November, 1866, he was elected a member of the legislature of the keystone state. He was elected state senator in 1869, and in November, 1872, was elected auditor general of Pennsylvania, the second highest office in the state, which he held for three years. He was elected a delegate to the national republican convention in 1868, 1872 and 1880. At the convention of 1880 General Allen was one of the "old guard" for Grant, and was given the medal of the 306. Delegates to the number of 306 held out for the nomination of Grant for the third term. In 1882 General Allen was appointed United States marshal for Dakota territory (comprising both present states) and was unanimously confirmed by the senate. He held the office of marshal for four years. For four years he was chairman of the state republican committee of Dakota.

At the time of his death General Allen was deputy auditor in the treasury department of the government. He was first appointed to this position by President McKinley, in 1901, and the appointment was unanimously confirmed by the United States senate. In 1902 he was reappointed by President Roosevelt for a term of four years, the senate again unanimously confirming the nomination.

General Allen is survived by Mrs. Allen. No children were ever born to General and Mrs. Allen.

Roll of 1904 ..... \$4,723,124  
Roll of 1903 ..... 4,641,163  
Roll of 1902 ..... 3,184,874

Assessor Cornelius yesterday completed the assessment roll for the year 1904. The roll as completed yesterday shows an increase over the 1903 roll of \$81,961, and an increase over the roll of 1902 of \$1,538,250. The board of equalization will meet tomorrow for the purpose of hearing protests and equalizing the assessment.

The value of non-tillable lands is placed this year at \$2,117,804. This character of land includes that on which there is timber. This year the assessor used five rates in classifying timber lands, the rates ranging from 10 cents to 40 cents. Last year only two rates were used—40 cents and 20 cents.

### Timber Lands Reduced.

"The assessment of timber lands will show a reduction this year as compared with last year's assessments," said Mr. Cornelius yesterday. "This year there were no exemptions, because the new law did not make provision for them, and consequently personal property such as household effects was not assessed as high as formerly. Many persons were assessed this year who had never before been assessed, and the assessment of cattle, horses, sheep, etc., was also reduced to the minimum. Last year's assessment of household effects was \$76,650, as compared with an assessment this year of \$62,905. In other respects there have been similar reductions. Those dissatisfied with assessments must appear before the board of equalization, which meets on Monday."

### What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly adjusts this. It's gentle, yet thorough. Only 25c at Chas.
