You Can Be Cured.

No. 11 Cedar Terrace, Hor Branson, Ark., April 25, 1904.
When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month, and had intense bearing down pains. My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.
A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.
I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Right bottles brought back my lost health and strength, and I have not had a sick day in six months.

Mrs. Emma Finnegan

WINE OF CARDUI

Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.
But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.
You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.

WOULD STOP AUTO RACES

Further Objection Raised to 300-mile Contest for Vanderbilt Cup.

INJUNCTION IS ASKED FOR

People's Protective Association of Nassau County, N. Y. Starts Agitation, Claiming Unconstitutionality of Law

New York, Oct. 7.—Judge Wilnot M. Smith, of the supreme court, sitting in Brooklyn, has granted an order to show cause why an injunction should not be issued against the Automobile Association of America and the board of supervisors of Nassau county annulling the privilege to hold motor car races upon the roads of Nassau county. A subpoena was served upon President Whipple of the association, commanding him to appear. Should an injunction be issued it will interfere with the planned 300-mile race tomorrow for a cup offered by W. K. Vanderbilt, Jr. The motion for the order was somewhat unexpected to the race promoters, who believed that after the hearing at the Nassau county court house at Mineola last Tuesday, they had effectually disposed of all opposition. The motion for the order was presented by counsel for Secretary Bennett of the People's Protective Association of Nassau county.
Judge Smith said that he had granted the order and made it returnable today so that both sides might be argued and the set for hearing the contest. He said that so far as the board of supervisors are concerned in giving the road privileges for the race they had apparently acted upon the law enacted last winter for the provision of allowing motor cycle races upon the highways. The constitutionality of this act is questioned by Secretary Bennett.

BURGLAR CAUGHT AT LAST.

Women and Children Effect Capture of Harry Russell.
Chicago, Oct. 1.—Pursued by two women and a score of pupils of the Marshall high school, Harry Russell, whom the police call the "Gentleman Burglar," and who has been sought for weeks, has been captured after a chase covering several blocks. The pursuit was along the streets of the residence district about Garfield park and followed an attempt at burglary.
When arrested the man wore kid gloves, patent leather shoes, a light overcoat of expensive make, and carried a silver-headed cane. When seized he protested with indignation against the arrest. The police were puzzled for a few moments, but the insistence of the women pursuers convinced them and Russell was taken to the police station, where later he is said to have admitted the robbery. Burglar's tools and false keys were found in the man's pockets. Several pieces of jewelry, supposed to have been thrown away by the man during the chase, were found in the street. Russell is accused by the police of nearly 20 robberies committed in the Garfield park district during the last month.

CHAPEL MARCH UNDER BAN.

But Students Would Not Obey Faculty's Command.
Salem Journal—The student body at Willamette University "locked horns" with the faculty this week in an amusing manner. From time immemorial, ever since old Willamette first started on its mission of educating men and women, the chapel march has been one of the features of the school. This year the faculty, for some reason, decided to abandon what they consider a useless practice.

The order leaked out before it was officially published, and the students prepared to meet the emergency. At first it was agreed that all should stay away from chapel, but, on reconsideration, it was decided to attend, and at the conclusion of the services march out, in spite of the order.
This course was pursued, and when the student body started to leave the hall they "fell in line, and marched away," much to the consternation of the professors. The "varsity yell" rent the air, and these tactics were pursued for three days, when finally the faculty withdrew the order.
It was a good-natured clash of authority, but the students were determined to win, and they feel greatly elated over their victory.
