Chicago, Oct. 17.—Four Japanese students, employed as meat canners at the stock yards, have had a hand to hand engagement with a number of Russian packing house employees and suffered a complete rout. ## NAGGING PAINS

Newport News, Va., July 22, 1903.  
Last summer while recovering from illness of fever, I had a severe attack of Inflammatory Rheumatism in the knees, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniments and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken three bottles I felt a great deal better, and I still continued to take it regularly until I was entirely cured. I now feel better than for years, and I cheerfully recommend S. S. S. to any one suffering from Rheumatism. 613 3rd St. CHAS. E. GILDERSLER.

Rheumatism is caused by uric acid or some other acid poison in the blood, which when deposited in the muscles and joints, produce the sharp, cutting pains and the stiffness and soreness peculiar to this disease. S. S. S. goes directly into the circulation, all irritating substances are neutralized and filtered out of the system, the blood is made pure and the general health is built up under the purifying and tonic effects of the vegetable remedy. Write for our special book on Rheumatism which is sent free. Our physicians will advise without charge all who will write us about their case.

## AN EDITOR'S EXPERIENCE

In the Treatment of Humours  
with More Than Magical  
Effect with

### CUTICURA REMEDIES.

A Remarkable Testimonial from  
a Most Intelligent and  
Trustworthy Lady.

"A tumor came on my neck and in a day or two it was as large as half an orange. I was very much alarmed for fear it was malignant. My friends tried to persuade me to consult my physician; but dreading that he would insist on using the knife, I would not consent to go. Instead, I got Cuticura Resolvent and Cuticura Ointment. I took the former according to directions, and spread a thick layer of the Ointment on the swelling. On renewing it I would bathe my neck in very warm water and Cuticura Soap. In a few days the Cuticura Ointment had drawn the swelling to a head, when it broke. Every morning it was opened with a large sterilized needle, squeezed and bathed, and fresh Ointment put on. Pus and blood, and a yellow, cheesy, tumorous matter came out. In about three or four weeks' time this treatment completely eliminated the tumor. The soreness that had extended down into my chest was all gone, and my neck now seems to be perfectly well.

"About five or six years ago my sister had a similar experience, used the Cuticura Remedies with magical effect. I am willing you should use my testimonial, with the further privilege of revealing my name and address to such persons as may wish to substantiate the above statements by personal letter to me." Chicago, Nov. 12, 1902.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per box of 50). Ointment, 50c. Soap, 25c. Depot: London, 27 Charterhouse St.; Paris, 1 Rue de la Harpe; Boston, 127 Columbus Ave.; Potter Drug & Chem. Corp., Sole Proprietors, send for "How to Cure Every Humour."

In front of a saloon the promenaders and attacked them. A fist fight ensued, which ended with three of the Japanese in flight and one lying badly injured on the sidewalk.
