

FALLING OFF OF RECEIPTS

Police Court Fines and Forfeitures Less for October Than During 1904.

FEWER GAMES ARE RUNNING

Receipts From January 1 to Date Show Gain for This Year as Compared With 1903 Revenue.

Fines and forfeiture in the police court for the month of October aggregated only \$717, or \$130 less than for the corresponding month of last year. Chief Hallock attributes the falling off to the decrease in the number of gambling games. Gambling has not been lively this winter, and the inactivity of the knights of the green cloth is plainly apparent in the statement of receipts.

"To give you an idea of the situation, it is only necessary for me to state that there are but 12 Chinese gambling games now running in the city," said the chief last evening. "Usually there are 20 or more. It is the same with all gamblers. The winter seems to be a quiet one thus far."

It was supposed that the closing of gambling at Portland would affect the local situation, but to the contrary it has had no effect on the gambling in this city.

Receipts to date this year aggregate \$9701.50, as compared with \$8874.50 for the first 10 months of last year. The gain is \$827. In December of last year the receipts were \$1120, while in November they were \$849, which would indicate that last year's total will probably be exceeded but little if at all this year. A comparative statement for the past two years follows:

Month—	1903.	1904.
January	\$ 752 00	\$ 895 00
February	818 00	995 00
March	719 00	910 00
April	868 00	864 00
May	973 00	1011 00
June	1017 00	925 50
July	978 00	909 00
August	1110 50	1440 00
September	792 00	935 00
October	847 00	717 00
Totals	\$8874 50	\$9701 50

CANDIDATE IS GREETED

Judge Parker Addresses Great Crowd at New York in His First Platform Speech.

ENTHUSIASM TURNED LOOSE

For Twenty-four Minutes His Admirers Cheer for Him—Talks of the Tariff and the Trusts.

New York, Oct. 31.—Judge Parker tonight made his first platform appearance, away from home, since his nomination for the presidency. He addressed a monster mass meeting at Madison Square garden, where his reception was attended by a demonstration seldom equalled in the intensity and duration of the enthusiasm displayed.

Parker's speech dealt with the methods employed in collecting campaign funds, taking severely to task his republican opponents. He discussed the tariff and the trusts. He told of his participation in political campaigns, and asked the audience if it was not like a return of what he termed old-fashioned principles.

The doors opened at 6 o'clock. In less than two hours standing room was at a premium and many persons were turned away. Isidor Strauss presided. When he referred to Parker, it was several minutes before he could proceed. The audience arose, waved flags and shouted itself hoarse.

When, at 9 o'clock sharp, Parker entered, everybody in the building sprang to his feet. The applause was one continuous roar. The audience refused to subside until 24 minutes of unbroken enthusiasm had passed.

Hoke Smith, Benjamin E. Shively, of Indiana, and Attorney-General Cuneen, of New York, also spoke.

London, Oct. 31.—A dispatch from Brussels to the Standard says that a Russian loan of \$270,000,000 was signed Saturday. The correspondent adds that the Rothschilds guarantee the loan.

Body Recovered.

Baltimore, Oct. 31.—The body of Rev. George Frederick Kettell, who was drowned on Friday evening in the river near Sparrow's Point has been recovered not far from the point where the rector lost his life. There was nothing in the clothing to throw any light on the tragedy.

Japanese Minister Is Better.

There are ginger worms and red-pepper bugs—queer boarders—that have to be looked for, not in Schilling's Best, but in making it. There are eggs of these queer boarders, too small to be killed by grinding. Don't keep spices warm, or they'll hatch.

Astoria's Great Clothier.

Minister Takahira, who was operated upon yesterday for appendicitis, is favorable.

A novel plan has been evolved in Chicago by E. P. Dwyer, a prominent labor leader of that city, to place an army of union men on farms in Mississippi. It is said that 20,000 acres have been secured, and the idea is to parcel the land out in five-acre tracts, making homes for 6,000 union families.

A NOVEL IDEA.

Box of Fine Cigars With Each Overcoat or Suit.

The nice weather has retarded the sale of fall suits and overcoats; in order, therefore, to induce men to buy now, Herman Wise hit upon a new idea. He offers with each suit or overcoat worth from \$15 up a box of fine 12-1/2c cigars, or if a man don't smoke he can take a quarter of a dozen silk handkerchiefs in place of the cigars.
