Right at the tip-top of perfection is the Star vadueville bill this week. The Alpine family is well worth going to see. Think of doing a cakewalk with nothing between you and the floor but a small wire! The girls do this. Don's miss Louis Mendenhall, Gillen and Gillen, Sam Hood and the rest.

The demand for the new size of La Imperial cigars has been so great during the past few weeks that Mr. Burns has found it impossible to keep up the supply. Last evening his wholesale cases were empty. This home product has proved very popular and it is evident Mr. Burns must employ more cigarmakers.

The steamer Alliance was reported off the Heads yesterday afternoon, with the new steamer Winona in tow. Because of the rough weather the Alliance did not cross in, but will make port today. The Winona is just out of the shipyards. She was built at Coos bay for the Callender Transportation Company, which will probably put her on the Grays river run.

The four boys who were arrested hallow'en night while in the act of carrying off a doorbell were released about 1 o'clock yesterday morning, after an incarceration of several hours. The lads were badly frightened and promised that hereafter they would play no more pranks. The arrest of these boys is declared by Chief Hallock to be the forerunner to other arrests for similar misdemeanors. All boys found on the streets after the curfew bell is rung will be taken to jail, and boys guilty of depredations will also be arrested.

The Alpines packed the Star last night at all three performances. Other excellent performers have been seen in Astoria, but none equals the Alpines. Their work is little short of marvelous and the crowds were highly pleased last night. Manager Gevurtz desires to announce that the Alpines will appear but three times daily—once at the matinee, again at the first evening performance and lastly at the second show at night. This does not mean that there will not be three evening shows, but that the Alpines will not appear at the third performance of the evening. Miss Mendenhall has demonstrated her ability as a violinist and theatergoers are enthusiastic in their outbursts of appreciation.

A NOVEL IDEA.

Box of Fine Cigars With Each Overcoat or Suit.

The nice weather has retarded the sale of fall suits and overcoats; in order, therefore, to induce men to buy now, Herman Wise hit upon a new idea. He offers with each suit or overcoat worth from \$15 up a box of fine 12 1/2c cigars, or if a man don't smoke he can take a quarter of a dozen silk handkerchiefs in place of the cigars.

Card of Thanks.

Local No. 425, International Cigarmakers' Union of America, takes this means of expressing its appreciation of the consideration shown its committee by Mr. Herman Wise, who promptly withdrew his offer of unfair cigars to customers and substituted home-made, union cigars. C. E. LANKESTER, Secretary.
