OUTBREAK IS THREATENED

Hungpao Will Probably Furnish a Name for the Coming Battle — A Coveted Position.

JAPS BETTER POSITIONED

Soldiers Have Insufficient Clothing — Sometimes Only One Meal a Day — Aspect More Serious.

Mukden, Nov. 5, via Pekin.—The uninterrupted activity conspicuous between the opposing positions, that on the plain and on Hungpao hill, occupied by the Japanese, and on Manalon hill, named after a Russian general daily threatens a formidable outbreak. From Hungpao, the capture of which by the Japanese was reported on Oct. 12 by the correspondent of the associated press, the Japanese are now shelling the Russians with captured Russian guns and the resulting feeling among the Russian indicates that this spot, which is the most prominent along the entire line, will doubtless initiate the coming battle. Occasional casualties are reported at Pienchiapu on account of its exposed position, as the apex of an aggregating wedge used against the Japanese right. At the Shahopu station is a water tank which the Japanese are using as a watch tower, from which the Russian artillery has failed after an attempt lasting more than a fortnight to dislodge the enemy on account of it being such a small target. The Japanese still possess an elevated temple in the quadrangle west of Linshenpu, while the combatants occupy separate parts of the same village. The advantage of position appears slightly in favor of the Japanese along the entire line.

The women and children of Fenshapu, near Ta mountain, arrived at Mukden on Nov. 2 after a 20 mile tramp. The Russian authorities facilitate the movements of refugees by allowing them the use of numerous bridges over the Hun river. The use of all Chinese timber by the soldiers, together with the destruction of buildings, has caused the Chinese themselves to pull down their houses and sell the lumber which otherwise might be lost completely. In consequence of this General Kuropatkin has ordered that the houses shall be preserved for the reason that they are necessary for the Chinese and also useful to the army.

The soldiers are now mostly in line, giving the war an appearance of seriousness hitherto unobserved. The soldiers are now bearing their unusual hardships, sometimes only one meal daily, insufficient clothing and also exposure, with great hardness. The commander-in-chief's orders are now dated at headquarters for land and naval forces in conformity with his new appointment.

N. B. SCOTT'S ESTIMATE.
 At Least 305 Electoral Votes for Roosevelt.

Washington, Nov. 5.—Senator N. B. Scott of West Virginia, was the earliest caller at the white house today.

"I am on my way home and just dropped in to tell the president that the work is all done and the outlook could hardly be brighter," he said. "I am now going back to West Virginia to meet some of my old friends and cast my vote. The president will get at least 305 electoral votes. If he gets Nevada and Montana, as I think he will, he'll count 311 in the electoral college. There is no doubt about West Virginia, either on the state or national tickets. I look for a republican majority of about 20,000. The republican candidate for governor will go in with a safe margin. I see that John Sharp Williams is claiming the house by some forty or fifty majority. Now, I am not very familiar with the fight in the congress districts, but from what little I have seen I am certain that his figures are about as wild as those of the other democratic claimers. The house will be republican by just about the same majority it is at the present time. We may lose three or four districts here and there, but we'll win three or four in other places, so the number will remain just about what it is now.

"Judge Parker's speeches had one good effect. They have stirred up the interest of the republicans to beat him more thoroughly than would have been the case had he remained in the state of quiet which characterized his campaign at the outset. The judge never has had any chance at all from the start, and now that he has begun to talk about all sorts of things on which he is not posted he has still less."

A very pretty home wedding was solemnized yesterday afternoon at 3 o'clock, at the residence of Mrs. M. J. Badolett, when Miss Mary Nowlen and Mr. James J. Johnson were married. The parlors were beautifully decorated for the occasion. Only a few inti-

mate friends and relatives were present. The wedding of Miss Ross and Mr. Nat Tallant was solemnized on Wednesday at 3:30 at the Presbyterian church. The young ladies of the Saturday club and Miss May Utzinger acted as ushers and bridesmaids, and Dr. Paul Trullinger was Mr. Tallant's best man.

Miss Elsie Elmore entertained in honor of Miss Florence Ross and Mr. Nat Tallant on Monday evening. Those present were: Misses Ross, Hobson, Berry, Utzinger, Cole and Mrs. Morton; Messrs. Morton, Allen, Bert Allen, Halderman, Sanborn, Dr. Trullinger, Ross Trullinger, Warren and Gray.

The ceremony was performed by Rev. H. H. Brown, of the Presbyterian church. Miss Virginia Nowlen was the bridesmaid and Mr. Charles Johnson was the best man. Miss Mildred and Miss Lucile Howell, cousins of the bride, acted as flower girls. Mr. and Mrs. Johnson left on the evening train for a short wedding trip, after which they will continue to live in Astoria.

The residence of A. E. Minard, 2055 Commercial street, was the scene of an elaborate reception on Thursday evening, the event being the 25th anniversary of the wedding day of Mr. and Mrs. Minard. The house was profusely decorated for the occasion, and about 25 invited guests sat down to an elaborate spread. All the delicacies of the season were in evidence and many appropriate toasts were given, all with one accord wishing the couple another 25 years of married bliss. Many of the circumstances incident to conjugal happiness were made the subject of much amusement. A very pleasant evening was spent, and all present expressed appreciation of the ability of the host and hostess when it comes to "doing things up right."

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance. It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Politics Made Easy.

The following ticket will be nominated: City attorney, A. M. Smith; councilman in the Second ward, George Morton; Third ward, H. M. Lorntsen (if he will take it), otherwise John Nordstrom will be endorsed. There is no use going as the slate has been fixed. The citizen's party is run by one man.
