

# NO SUPPORT FOR PARKER

### Roosevelt Is Given Exceptional Majority in Seven Precincts of City of Astoria.

### VOTE LESS THAN EXPECTED

#### Democrats of the Bryan Stripe Did Not Go to the Polls and the Republicans' Plurality Is 655.

The expected full vote was not polled yesterday in Astoria. Only 1332 voters went to the polls, but the vast majority went there to cast their ballots for the republican candidates. Roosevelt's plurality in the city is 655.

The republican candidates received about two-thirds of the votes cast in the city. The democratic vote was woefully small, and the socialist candidate ran Parker a hard race in the seven precincts in Astoria. The Bryan democrats evidently did not vote, while the republicans made an excellent showing. The vote in the city was about 500 less than had been expected.

In precinct No. 1, the citizen stronghold, Parker received miserable support. Debs, the socialist candidate, got many of the votes that ordinarily go to local democrats, while Roosevelt received more than all of the other candidates combined. In No. 2 Roosevelt also received an overwhelming majority, although the democratic vote here was greater here than the socialist. No. 5 made the best showing for Parker, giving him 59.

The election passed off quietly, although great interest was manifested in early reports from eastern states. The saloons were all closed and no drunken men were seen on the streets. One man made the statement last evening that he had been approached by a stranger who offered him \$4 for his vote. The men to whom the story was related concluded that the man who made the offer was either insane or intoxicated. The political faith of the man with the \$4 was not ascertained.

The number of voters who were sworn in was unusually large for the small vote cast. In all 101 voters were sworn in, precinct No. 1 leading, with 37.

That Parker's candidacy was not popular with the masses seems evident from the returns. He did not arouse the sentiment of democrats who either remained away from the polls or else voted for Roosevelt. A prominent democrat said last night, discussing the republican landslide: "Well, the men who supported Bryan have retiated for the gold standard democrats' support of McKinley. They have cast their ballots for Roosevelt."

There was little or no betting on the general result, as the odds were too long to suit republicans. Some few wagers were reported on the result in the various states, but the aggregate amount wagered was small. Locally, democrats seemed to have little hope, while republicans were absolutely confident.

The vote in precinct No. 1 for prohibition was greatly in excess of the vote against it. The liquor question was submitted to the people of that precinct, which includes the west end, and they turned down saloons by a de-

clisive majority. The number voting for prohibition was 145; the number voting against it was 56. This means that the three saloons there and the fourth about to be opened must go out of business. The result was all along anticipated.

Precinct No. 1 polled the largest proportionate vote, being third on the list in this respect. Precinct No. 4 polled the greatest vote, 238. The vote for the republican and democratic electors in the city was as follows:

Precinct	Rep. Dem.	Pro. Soc.
No. 1	128	11
No. 2	115	33
No. 3	108	91
No. 4	168	42
No. 5	148	59
No. 6	120	18
No. 7	79	13
Total	863	208

The vote for Swallow, prohibition and Debs, socialist, was as follows in the various city precincts:

Precinct	Pro. Soc.
No. 1	7 82
No. 2	3 29
No. 3	1 10
No. 4	4 14
No. 5	1 17
No. 6	1 12
No. 7	10 25
Totals	24 163

Watson, populist, received five votes in the city precincts. He received no votes in precincts No. 1, 3 and No. 6.

The vote in the city precincts, as compared with the registration, was as follows:

Precinct	Reg. Vote
No. 1	257 239
No. 2	263 173
No. 3	290 153
No. 4	299 235
No. 5	298 231
No. 6	223 194
No. 7	193 144
Totals	1822 1332

### Tammany Leader Unable to Account for Result of Election in New York State.

### CAUSE WILL DEVELOP LATER

#### Then the Party Can Deal With It, He Says—Regrets Defeat for the Sake of the Party and the Country.

New York, Nov. 8.—Charles F. Murphy, leader of Tammany hall, made the following statement tonight:

"Of course, I am very much surprised at the results. I do not attempt to account for it. Whatever may have been the cause, it will develop and the party can then deal with it."

"I sincerely regret the defeat of Judge Parker. He was in all respects a worthy candidate. As much can be said for Judge Herrick and his associates on the state ticket. They undoubtedly were the choice of the democracy, and their defeat is regretted for the sake of the country and the party more than for the candidates individually."
