

CANDIDATES ARE CHOSEN

City Republican Convention Selects Nominees to Be Voted for in December.

C. H. ABERCROMBIE IS NAMED

Will Make Race for City Attorney—John Nordstrom and M. Franciscovitch Nominated for Councilmen.

For city attorney—Charles H. Abercrombie.

For councilman, Second ward—M. Franciscovitch.

For councilman, Third ward—John Nordstrom.

The republican convention yesterday selected the above-named candidates for municipal offices. It was all along supposed that Judge Frank J. Taylor would be nominated for city attorney, but Mr. Abercrombie's was the only name presented and he was unanimously chosen. The proceedings of the convention were harmonious and the work before the delegates was soon disposed of.

The convention was called to order at 2 o'clock by Temporary Chairman James W. Welch, who had been elected at the previous meeting. L. E. Selig occupied the temporary secretary's chair. A delegation was present to represent the Third ward, and this delegation was seated by the adoption of the report of the committee on credentials, which also gave seats to the regularly elected First and Second ward delegates. After the temporary officers had been made permanent, J. C. McCue moved the appointment of a committee on platform and order of business. The motion prevailed, and the following committee was named: J. C. McCue, L. O. Belland and H. D. Gray. This committee reported a few moments later, recommending the nomination of a candidate for city attorney, a candidate for councilman from the Second ward and a candidate for councilman from the Third ward; the appointment of a city central committee and the adoption of the platform. The report was adopted.

Nominations for city attorney were called for. Mr. Abercrombie's name was presented, and on motion he was declared the unanimous choice of the convention.

The Second ward delegation unanimously named M. Franciscovitch for councilman, while the Third ward unanimously selected John Nordstrom as its candidate for the council. The nominations for the council were ratified by the convention.

The following central committee was appointed: First ward, J. C. McCue, Charles H. Abercrombie and Charles V. Brown; Second ward, James W. Welch, Joseph Sinnott and H. D. Gray; Third ward, C. A. Lelnenweber, W. A. Goodin and W. B. Painter. This committee was authorized to fill any vacancy which might occur on the ticket.

The platform adopted was as follows:

"The city republican convention of Astoria, Ore., hereby endorses the principles of republicanism that have done so much for the nation, and pledges the nominees of the convention to an economical administration of city affairs.

"We believe that Astoria is ap-

proaching a period in her history that will mean much for the development of the city, and to this end we pledge our nominees to a liberal and progressive policy insofar as public improvements are concerned."

FOR A COUNTY FAIR.

Judge Bowlby Believes We Should Display Our Resources.

Astoria, Nov. 12.—(Editor The Astorian.)—Your recent article on "Lessons of the Fair" is in line with the question that some of our citizens have been asking themselves—why does not Clatsop county have a fair—stock, chickens, agriculture?

A fair would show what is being produced here and call attention to the room for remunerative development. People in Astoria do not know what can be done in this vicinity, much less people outside.

Almonds grow at Smiths point, grapes near Cathlamet and at Knappa; this is the natural home of cabbage, cauliflower, peas, potatoes, grass and small berries; climate, soil and market are excellent for dairy products.

The fair could be held in conjunction with the regatta, or later in the season, as should seem best.

J. Q. A. BOWLBY.

WADE MAKES HIS REPORT.

Tells of Conditions Now Existing in the Philippine Islands.

Washington, Nov. 12.—General commander of the Philippine division of the army, in his annual report, states that cholera has disappeared in the islands. The troops have been engaged principally to aid the peace officers. The general compliments the work of the Filipino soldier in the constabulary, but says that his value as a regular soldier in the face of an equal or superior force and his loyalty are not decided. He approves the canteen system, which, he says, keeps the young soldiers out of the low dives flourishing near the posts.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases, can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung disease by Charles Rogers, druggist, Price, 50c and \$1. Trial bottles free.

CALIFORNIA RESTAURANT.

COLLEGIANS ARE BEATEN

Multnomah Scores Three Touchdowns in Contest With Albany College Aggregation.

VISITORS WERE TOO LIGHT

Clubmen Also Had Them Outclassed, Although Second Half Saw Dogged Resistance by Albanians.

Portland, Nov. 12.—(Special.)—Outclassed, outweighed and outplayed, Albany college put up a dogged resistance against the relentless plunging of the Multnomah backs and tackles in the football game on Multnomah field today. The visitors did not even succeed in making their yardage once until the game was almost ended, but the two halves permitted the club team to score only three touchdowns, though their line was broken over constantly for gains averaging five yards. The final score was 16-0.

Albany received the ball at the kick-off, but lost it on the third down, and successful line plunges by Multnomah carried the ball across the goal for the first touchdown, making the score 5-0. With the exception of one stand by Albany, Multnomah in similar manner drove the ball across the line again for a second touchdown, and kicked the goal; score, 11-0.

The last touchdown was made in the second half and it was the hardest for Multnomah to make. Albany, far from weakening, braced up as chances became more desperate and flung back Multnomah's runners for losses, but every time one of the big bucks would force himself through and the gaining would continue. The last goal falling, the third touchdown brought the score to 16-0, where it remained.
