CIVIL GOVERNMENT NOW FACT

Report of Secretary of Insular Affairs Says Duty on Sugar and Tobacco From Islands Should Be Reduced.

Washington, Nov. 21.—The report of Col. Clarence R. Edwards, chief of the bureau of insular affairs, for the past year, made public today, contains much interesting information relative to the administration of civil affairs in the Philippines. It says that the work of establishing civil government is now practically accomplished, and the results, on the whole, have been most satisfactory.

Attention is called to the legislation that the committee recommends to congress providing for a material reduction of the present tariff rates on Philippine sugar and tobacco. This reduction can be made without injury to any American industry, and it is strongly urged by the secretary of war.

The currency system of the islands, continues the report, has been entirely changed. Accounts are now kept only in the new currency, and the change from a silver to a gold basis, from a constantly fluctuating to a stable and fixed rate of exchange, was accomplished without any disturbance to business, and has elicited the admiration of financiers everywhere.

SIR THOMAS MAY COME.

Efforts Will Be Made to Have Great English Tea Merchant Visit Fair.

Portland, Nov. 21.—Sir Thomas Lipton, probably the most popular Englishman in American eyes, is likely to be a visitor at the Lewis and Clark centennial next year. William P. Lydon, who is Sir Thomas' western

HOARSE COUGHS STUFFY COLDS
QUICKLY CURED BY
Foley's Honey and Tar

There is no case on record of a cold resulting in Pneumonia, or other serious lung trouble, after Foley's Honey and Tar had been taken.

It will cure the most obstinate racking cough, and heals and strengthens the lungs.

Foley's Honey and Tar has cured many cases of incipient Consumption and even in the last stages will always give comfort and relief.

Foley's Honey and Tar gives quick relief to Asthma sufferers, as it relieves the difficult breathing at once.

Remember the name—Foley's Honey and Tar—and refuse substitutes that cost you the same as the genuine. Do not take chances with some unknown preparation.

Contains no opiates.

Cured of Terrible Cough on Lungs.

N. Jackson of Danville, Ill., writes: "My daughter had a severe attack of La Grippe and a terrible cough on her lungs. We tried a great many remedies without relief. She tried Foley's Honey and Tar, which cured her. She has never been troubled with a cough since."

Consumption Cured.

Foley & Co., Chicago. Dana, Ind. Gentlemen:—Foley's Honey and Tar cured me of Consumption after I had suffered two years and was almost desperate. Three physicians failed to give me any relief and the last one said he could do me no good. I tried almost every medicine I heard tell of without benefit, until Foley's Honey and Tar was recommended to me. Its effect right from the start was magical. I improved steadily from the first dose and am now sound and well, and think Foley's Honey and Tar is a God-send to people with Throat and Lung Trouble. Yours very truly,
MRS. MARY AMBROSE.

representative, is authority for the statement that the Lipton tea exhibit at St. Louis will be transferred to the fair at Portland. As it is known that Sir Thomas will be in the United States next summer, it seems likely that the great English merchant and sportsman will come west to see the fair. The exposition authorities will extend him an earnest invitation to visit the Lewis and Clark exposition, and should the great Englishman accept, as seems probable, his visit will carry with it an importance second only to that which would attend the coming of King Edward.

SOMEBODY WILL BE JOBBED.

5000 Tobacco Men in Secret Session Five Days.

New York, Nov. 21.—About 5000 independent tobacco manufacturers, jobbers and dealers will, according to officials of the retail cigar and tobacco dealers association, be represented at a meeting which is to be held Dec. 12 in Philadelphia. Plans will be discussed for the maintaining of the independent interests, with particular reference at the present time to Pennsylvania, Delaware, New York and the New England states. It is expected the delegates will remain in secret session five days.

SHOULD NOW BE HAPPY.

Wife could Not Please Him so He Hanged Himself.

New York, Nov. 21.—Dissatisfied with his wife's housekeeping and finally throwing himself into a towering rage because dinner was not ready the moment he arrived home, John P. Siegler, a furrier, has hanged himself at his home in the Bronx.

Mrs. Siegler told the coroner that she tried to conduct the household to please her husband but he was never satisfied. She said he attempted to poison himself two months ago and later tried to kill both by putting poison in the tea.

NO FREE PASSES.

Railroads Will Not Use Them to Get Business.

New York, Nov. 21.—It is understood that the eastern railroads have acquiesced in the annual pass agreement reached by the executives of the western lines last Tuesday in St. Louis. The plan, which will be in effect for 1905, is practically the same as that used this year. Its main object is to prohibit the issuance of free

or reduced transportation of any kind for the purpose of influencing and securing freight or passenger business.

DIED AT 107 YEARS.

Tacoma Woman Probably Oldest White Person on Coast.

Tacoma, Nov. 21.—At the unusual age of 107 years, Mrs. Julia Zounski, the oldest resident of Tacoma and probably the oldest white person on the coast, died yesterday afternoon at St. Joseph's hospital. Although bowed down with years and worn by many trials, Madame Zounski, up to the time of her death, retained much of her youthful strength and vigor. The cause of death is said to have been old age and a general decline. She leaves no known relatives in this city, and of an old family she was the sole living representative.

New York Justice Says Package Appropriated Was Not Stolen.

ling unguarded in the public street, unguarded in the public street, whether it be in front of an express office or department store, has been declared "lost" within the meaning of the law by Magistrate Whitman. The package, it was testified, was the only one on the sidewalk at the time.

One of the articles to be sold is a bracelet given to the queen by the emperor of Russia as a wedding present. The sale is exciting great interest among collectors.

MASS OF SORES

Awful Suffering of a Boy from an Itching Humour.

CURED BY CUTICURA

Not One Square Inch of Skin on His Whole Body Was Unaffected.

"My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did not do any good. At the time I was induced to try Cuticura Remedies he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was one mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heart-breaking. I began to think that he would never get well, but after the second application of Cuticura Ointment I began to see signs of improvement, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. I used the Cuticura Resolvent for his blood, and now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day."
