WISE ORIGINATES OTHERS IMITATE

.... THE FALL OF

PORT ARTHUR

The gallant defense of Port Arthur by the Russians and the reckless daring of the Japs, fills the world with wonderment.

Gen. Stoessel did not lose Port Arthur; it was lost by the Russian Fleet, for it seems that however bravely the Army fought, the Navy was very poorly handled.

It's so with modern merchandising; no matter how large the store or how great the Promises, it's the "MAN Behind the Gun" who does the business.

A Clothier must have the requisite **Nerve** and must be **quick in action**. He can hire assistants, but he can't hire Portland men to supply him with Brain and Grit.

He must himself be **The Captain of the Ship**.

<p>FORT RIHLUNG. Captured by our men's and boys' SUITS. We assaulted this Fort with our A-1 Quality and Low Prices. No Humbug Goes With WISE</p>	<p>203-METER HILL. This Hill was taken with Wise's Overcoats. The Superior Quality and great Reductions overcoming all obstacles and every Man and Boy can now afford a WISE OVERCOAT.</p>	<p>FORT NO. 5. A hand-to-hand encounter decimated the Prices of all our UNDERWEAR. Price was no obstacle, all grades the high, as well as low, had to Capitulate.</p>	<p>TIGER TAIL MOUNTAIN. Here a large Army of Wise's Hats, Overcoats, Sox, Trunks, Suit Cases and Umbrellas were assaulted, but General Wise's Bayonets cut prices right and left, and the opposition had to SURRENDER.</p>
