## BOULEVARD REFUSED

### Council Files Proposal Without Any Action.

## CITY HALL NEEDS REPAIRS

### No Light for the Foot of Ninth Street, Where the Drownings Occur—City Surveyor Files His Annual Report—Street Improvements.

The city council, Mayor Surprenant, presiding met in regular session last night with all members present except Burns, who is absent on leave.

The committee on streets gently slid a knife into the "boulevard" proposition with the assistance of the committee on ways and means. The two committees voted on the back of the document to "file these petitions," and that's what happened to it. Mr. Hansen of the First ward, spoke somewhat bitterly on the attempt of an honorable gentleman, I am sorry to say, who has tried to slide an amendment into the legislature and do a dirty trick to one of this council. It was assumed that he referred to Tuttle's amendments to the city charter, and to Mr. Burns of the council, who is also a member of the minority at Salem.

Another proposal that excited debate was that from A. Rickards for an electric light at the foot of Ninth street on the water front. It was represented that most of the drownings that have occurred of late years have been at the foot of Ninth, and Mr. Kaboth spoke strongly in favor of establishing a light, but Mr. Robinson opposed him, and when the matter came to a vote on the minority recommendation from the committee a tie resulted, and it was up to his honor. There will be no light at the foot of Ninth street. At least, if there is, Mr. Robinson says it will be at the request of some one besides Mr. Rickards.

Without preamble, a proposal was read from Ferguson & Houston offering to rehabilitate the chimney in the new city hall for \$275. This was a new one and aroused the indignation of Mr. Belland, who complained that since the city hall has been started the council has been continually called upon to make good the errors of builders, architects and what not till he, for one, was "weary and would have rest." He stated that one of the workmen had assured him when the chimney was built that it would not stand, and he favored compelling the contractors to make it conform to specifications. At this point the mayor interrupted Mr. Ballard with the statement that he had, personally, supervised the construction of the chimney, and while it had settled two inches and was badly cracked, he knew that the contractors had fulfilled the requirements of the specifications. Mr. Belland subsided, and the public building committee was authorized to have the work done and have the chimney, which weighs 18 tons, boosted back where it belongs and its gaping wounds healed.

A petition for grading and improving Irving avenue between Tenth and Thirty-ninth streets and appointing the limits of an assessment district to cover the cost of the work was referred to committee, also to build a sidewalk at an expense of \$320 on Duane street, between First and Third streets.

The report of the city engineer, showing a total of \$82,268.42 for street im-

provements during the year was read and accepted. The total expense of the maintenance of the office for the year was \$3,078.25. In his report Mr. Tee recommended the purchase and installation of a roller street cleaning brush and tool, and the establishment of a street cleaning department.

Approval was given the improvements on Taylor avenue, between Ilwaco and Kingston at a cost of \$1098.

The News was given the contract for the ensuing two years for city printing. An ordinance which was introduced providing for the sale of property bought by the city for delinquent taxes and assessments was indefinitely laid over because it was ascertained that title would not rest for something over a year.

Approval was given an assessment for making improvements to the amount of \$71.10 on Taylor avenue from the west end of Bond street to Hull, also for \$1209.99 for a sewer from the south line of Exchange street to the north side of Irving avenue.

The fire and water committee recommended the appointment of Thomas Davis, H. B. Lineweber, Walter Peterson, David McCoskey and Charles Bontholus as members of the fire department to receive the same salaries as other members. The council saw it the same way and gave the recommendation its sanction by unanimous vote. A recommendation of the purchase of 1500 feet of firehose at an approximate cost of \$1500 was referred to committee, and the council adjourned.

### Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was marvelous. I improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Chas. Rogers, druggist.

## MALARIA IN THE SYSTEM

Holly Springs, Miss., March 24, 1905. While building railroads in Tennessee some twelve years ago a number of hands contracted fever and various forms of blood and skin diseases. I carried S. S. S. in my commissary and gave it to my hands with most gratifying results. I can recommend S. S. S. as the finest preparation for Malaria, chills and fever, as well as all blood and skin diseases. W. I. MCGOWAN.

I suffered greatly from Boils, which would break out on different parts of my body. I saw S. S. S. advertised and after using about three bottles I was cured, and for the last three years have had no trouble whatever. A. W. ZEBER, 217 Read St., Evansville, Ind.

I began using your S. S. S. probably ten years ago for Malaria and blood troubles, and it proved so good that I have continued ever since using it as a family remedy. It is a pleasure for me to recommend S. S. S. for the benefit of others who are needing a first rate blood purifier, tonic and cure for Malaria. Arkansas City, Ark. C. C. HERRINGWAY.

Boils, abscesses, sores, dark or yellow spots and debility are some of the symptoms of this miserable disease. S. S. S. counteracts and removes from the blood all impurities and poisons and builds up the entire system. It is guaranteed a purely vegetable remedy. Write for medical advice or any special information about case.
