"THE BEARS."

AT THE STAR.

The management of the Star has arranged for a nonpariel entertainment this afternoon and tonight. At this afternoon's performance the full Hagle bank of 16 pieces will add to the program, which is all composed of headliners, and the performance will be the best yet seen in Astoria.

During the coming week a bill has been secured that will give vaudeville admirers the treat of their lives.

Robertl's trained bears are headliners; the Cardownie sisters are stars anywhere: Russel and Devirene, contortionists, present "Funin a Circus Ring" and the illustrated songs and the moving pictures are the best that can be secured anywhere.

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.
