JOURNALISTIC FREAKS.

It is passing strange what journalistic acumen some newspaper men are them admirably adapted to cattle possessed of. The press of Oregon is presided over by some of the most versatile men, whose versatality supplants brain and good judgment. The different views on the indictment of or from 32,000,000 to 38,000,000 acres. Senator Mitchell, entertained by these This will give the herdkeeping burghwould be editors, are sufficient to drive ers with their patriarchal habits a polecat into convulsions. One of the most ludricious statements published is understood that Emperor William and Hermann will have a tendency to a lively interest in these admirable keep people away from the Lewis and Dutch folk is making special effort Clark fair. This statement, we are hundreds of Boer families have emiinformed, eminated from an Astoria grated to the United States Mexico, paper.

In order to dissaprove this assertion world. and quiet the fears of the infantile fair. For a year prior to the opening sight of the hated British gold huntof the gates the grand juries, both federal and state, were constantly occupied will not be happy long in German indicting members of the legislature for accepting dough from an alum bak- hides in its arid breast the gold and ing powder company, and nearly every diamonds that proved the curse of portance. one in the legislature, except the chaplain and pages were indicted for complicity in the scandal. FOR FUTURE GLORY

IN BEHALF OF MAXIM GORKY

Memorial to the Russian Government Asking that Gorky Be Restored to Liberty for Future Glory of His Profession.

New York, Feb. 15 .- By direction of the executive committee of the Authors' Club a memorial adopted by the It is to be hoped that the Lewis and club recently interceding for Maxim Gorky has been transmitted by cable to Count Lamsdorff, Russian minister for foreign affairs. The memorial have published sufficient advertising concludes as follows:

to all the concessions, including the "We, as members of the guild of authors and devoted to its highest ideals. respectfully pray his majesty in the name of those ideals and of that profession of which M. Gorky is a distinguished exponent to realese our brother author and spare his services and genius for the future glory of his tory will make of the extinguished profession and of Russian literature throughout the world."
