POINTED PARAGRAPHS.

Probably the easiest thing in the world is to be a bore. You waste half your time. There's reform work for you. It is possible to laugh at trouble, but the laughter doesn't mean it. What a disagreeable world this would be if people were perfectly candid. It is easier to talk a man out of a thing than it is to fight him out of it. There is one thing sure about a fuss—it does not do any good to talk it over. When men talk together, it is of prices at which things can be sold. Women talk of prices at which things can be bought. The sentiment seems to be always in favor of abusing the man who objects to cost when it comes to funerals or weddings.—Aitchison Globe.

—SAYING TO DODGE.

Wall Street—So your son is studying law. Do you expect that he will stick to it? Speculator—Oh, no! I just want him to know enough about it so that he will be able to evade it successfully.—Detroit Free Press.

The Omnibus.

The omnibus is probably the slowest, the least comfortable and the most uncertain type of vehicle built since the ark.—London Express.

HAIR NATURALLY ABUNDANT.

When It is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
