In July, 1883, I began to break out with Eczema on my head, legs and arms, and began treatment with local doctors, but did not get much relief. They said the dis case had become chronic. I then quit them and tried various ointments and soaps for another two years, but as soon as cold weather came I was as bad off as ever, so I finally decided to let medicine alone, and for twelve or thirteen years did nothing towards curing the Eczema, except bath ing. This seemed to do about as much good as anything I had tried.

During the time I lost about one-half of my hair. agan S. S.
