BUSINESS HINTS FOR WOMEN

Things They Do and Things Men Wish They Wouldn't Do.

"We are told that women are becoming more businesslike every day," remarked the wife of a prominent lawyer, "and yet I cannot see any apparent decrease in the number of those who conduct their affairs foolishly or carelessly. Every now and then, for instance, my husband comes home and tells me about a case where a widow is at the mercy of some man who administers her estate. I don't mean a man her husband has left in charge, but one she herself has permitted the court to appoint because she blushing-

HAD TO ASK HIS CONSENT.

ly confessed she knew nothing about business. Why a woman will give herself a tyrant of this description I don't see when by retaining the administration of her own estate and merely appointing her lawyer her agent she can still enjoy his advice and yet be able to do things without his permission. I know of one silly woman with two grown daughters who appointed an uncle of hers administrator of her husband's estate, and, lo and behold, she had to ask the cross old man's consent even to shingle the roof on her summer cottage!

Every now and then I hear the officials of a bank largely patronized by women complain of the multitude of small checks they are compelled to bother with. Why on earth will women write checks for \$2.38, for instance? Another thing, why will some women always sign their checks as Mrs. Robert Brown instead of Mary Smith Brown as ordinary common good sense and taste should teach them to do? These are feminine mysteries as well as the distracting habit some women have of never adding up the checks they issue and consequently obliging the bank to notify them that they have overdrawn their account.

Then take the incidents of daily life. It is the women who favor installment plan furniture—not the men, when they can help it. A woman only sees the small cost of the initial payment.

MARION TERRY.

Gets Reward for Catching Bell.
Tacoma, March 28.—United States Marshal C. B. Hopkins has paid to Charles Joles \$250, the amount offered as a reward for the capture of Albert E. Bell, the mail-pouch robber who recently escaped on McNeil's island and was later retaken. Joles being the first man to lay hands on the notorious prisoner, in the hay mow of the prison barn. Joles is an ex-policeman, and was at one time a sergeant on the Tacoma force.

Wrestling Match.

Lima, Ill., March 28.—During a wrestling match between Al Ackerman of Fostoria, and Eddie Barr of Cincinnati tonight, Barr shoved Ackerman from the stage and he was seriously hurt, two ribs being fractured.

Lord Norton Dead.

London, March 28.—Lord Norton, who as Charles Adderly, took an active part in the establishment of the colonial self-government, is dead at the age of 90 years.

Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at Chas. Roger's drug store.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Trials of Motherhood

305 Broad Street, PHILADELPHIA, PA., June 12, 1905.

I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomited frequently and no medicine helped me until I tried Wine of Cardui.

Then my general health improved, the pains gradually lessened and after 18 weeks I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your splendid medicine.

Without it, I would have been a childless, instead of a happy and well mother.

Mrs. Frederick Nirdlinger

CHAIRMAN, ST. ANDREW'S ASSOCIATION.

WINE OF CARDUI

Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?

All druggists sell \$1.00 bottles Wine of Cardui.
