California Strawberries Are Arriving and in Good Condition and Reports Indicate That the Cherry Crop Will Be Early.

The cheese market is steady under a fairly good demand, although the receipts are falling off, owing to the fact that dairymen can get mor; for their cream at the creameries. Over 50,300 pounds of butter was received yester day. Strawberries are arriving from No. 2, and grease, 21/62c. California and are in good condition. The indications are that the Cherry crop will be earlier this year than usual.
