BARONS ROBBERS

Trying to Make Poor Pay Expenses of Licentious Count.

ROBBING PETER TO PAY PAU

Prince Albert of Belgium is Poor and the King Wants His Supported by the Kink Wants Him Supported by the Hair Apparent to the Throne.

London, April 27.—A dispatch from Antwerp to the Daily Telegraph states that King Leopold, the count of Flanders (brother-of of the king), and the Belgian Finance minister, are debating the advisability of making the count of Flanders son, Prince Albert, the legal heir presumptive to the throne of Belgium by obtaining parliamentary sanction for the count of Flanders renunciation, already agreed upon, of his claims to the succession. It is feared, however, that the socialists in the chamber of representatives will violently oppose the measure, especially as it is also proposed to transfer the count of Flanders allowance of \$40,000 yearly to Prince Albert, who is poor. The socialists and progressives want to suppress this allowance on the ground that as both King Leopold and the count of Flanders are millionaires they ought to provide for the heir presumptive out of their private funds.

OUT OF THE ORDINARY.

Epitome of Anecdotes and Incidents With Comments by a Layman.

The more a disagreeable question is stirred up the worse the odor emitted therefrom. Agitation is beneficial in some cases and harmful in others.

"After a divorce, what?" asked the Skamokawa Eagle. It is a very evident fact that the editor never had to pay any alimony or he would know what.

If the newspapers don't quit marrying him off so recklessly, Alfonso of S pain will soon have as many wives as Hoch of Chicago.

Down in Massachusetts they claim to have had a hail storm, where the hail stones came down as big as baseballs. That's nothing. We had a rain in Astoria the other day when the rain came down as wet as high balls.

Andrew Dalgity says that happiness consists in forgetting your troubles, but just as soon as you forget your own somebody comes around and makes you listen to his.

Mrs. Friend of St. Paul is suing for a divorce from Mr. Friend. She has come to the conclusion that there are times when even the best friends must part.

Two New York detectives refused a bribe of \$10,000 from a thief. Maybe he didn't belong to the union.

How would municipal ownership of the race tracks do for a beginning? There's millions in it.

Mr. Hyde and Mr. Alexander will never succeed in mutualizing the affairs of their company to the extent of making it a mutual admiration society.

Ferdie—What were you chewing the rag about at your club just now?
Ethel—As to whether Eve ate an apple or a quince.

Ferdie—Oh, why don't you discuss something down to date? For instance, will gambling be closed in Astoria?

A millionairess 60 years of age has married a boy 19 and says she is old enough to know what she is doing. The boy probably figures she is old enough so that he knows what he is doing, also.

"Remember my friend," said an Astoria minister, "a soft answer turneth away wrath."

"You are right there parson, but it don't always turn in the right direction."

"How do you mean that?"
"Two friends of mine were talking about the county court house case and I chipped in with a soft answer. See that cut on my head?"

Up in Portland a milkman fell into the well and was drowned while drawing a bucket of water, which

proves that in the long run the cow is a safer source of supply than the well.

"What is your idea of heaven?" asked an Astoria man of his wife.

"A court where exact justice will be meted out."

"For instance?"

"Well, a place where the mother-in-law and the hired girl will get a square deal."

Astoria school ma'am—Oh, Mr. Smith, how lovely of you to bring me those beautiful roses. How sweetly they are, and how fresh. I do believe there is a little dew on them yet.
Smith—W-well, yes—there is, but I'll pay it tomorrow.

WONDERFUL CURE OF SORE HANDS

By Cuticura After the Most Awful Suffering Ever Experienced

EIGHT DOCTORS

And Many Remedies Failed to do a Cent's Worth of Good

"I was troubled with sore hands, so sore that when I would put them in water the pain would nearly set me crazy, the skin would peel off and the flesh would get hard and break. There would be blood flowing from at least fifty places on each hand. Words could never tell the suffering I endured for three years. I tried everything, but could get no relief. I tried at least eight different doctors, but none did me any good, as my hands were so bad when I got through doctoring as when I began. I also tried many remedies, but none of them ever did me one cent's worth of good. I was discouraged and heart-sore. I would feel so bad mornings, to think I had to go to work and stand the pain for ten hours, I often felt like giving up my position. Before I started to work I would have to wrap every finger up separately, so as to try and keep them soft, and then wear gloves over the rags to keep the grease from getting on my work. At night I would have to wear gloves; in fact, I had to wear gloves all the time. But thanks to Cuticura, that is all over now.

CURED FOR 50c.

"After doctoring for three years, and spending much money, a 50c. box of Cuticura Ointment ended all my sufferings. It's been two years since I used any, and I don't know what sore hands are now, and never lost a day's work while using Cuticura Ointment."
