

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes."

STRIKE AT PANAMA

Government Employees Complain of Poor Food.

ENGINEER BARRETT STONED

Policemen Called in to Suppress Riots and Are Pelted With Stones, But Finally Succeed in Breaking up the Riot and Restoring Order.

Panama, April 27.—All the Jamicans who have been under contract to work on the Panama canal aqueduct struck today. Trouble has been brewing for some time and there has been a noticeable discontent among the men and complaints made about the poor quality of food furnished. This is stated to be the cause of the strike. Engineer Barrett remonstrated with them, but they became abusive and started in to stone Barrett, who sent for the police. Six policemen arrived and were treated to a stinging by the angry mob.

Additional reinforcements were sent for but before they arrived the six policemen had succeeded in restoring order and stopping the riot. It is probable that the matter will be satisfactorily adjusted, the fault seeming to be with the contractors who supplied the men and who are supposed to supply the provisions.
