Demand for Strawberries Greater Than Supply.

Salmon Reported Scarce in the Market on Account of Cold Storage Men Paying More Than Local Dealers Can Stand and Make a Profit.

Unfavorable weather in the Sacramento valley has cut short the supply of strawberries and there is not nearly enough to supply the demand. Complaint is also made that there is no salmon coming in, and it is attributed to the fact, that the cold storage men on the lower Columbia are paying more for salmon than the local dealers can afford. Chickens are coming in more plentiful and prices have dropped.
