

FLOUR IS FALLING Expected There Will Be Drop of Ten Cents Per Barrel.

The Markets Are Overstocked With Colorado and Utah Potatoes and the Tendency is to Reduce Sale of Oregon Products.

Flour quotations were weak yesterday and today and the indications are that there will be a drop of 10 cents a barrel. Colorado and Utah potatoes have overstocked the market and have a tendency to lower the price of Oregon potatoes. Strawberries were scarce today on account of the rains in California. A few crates were received from Dillar, Ore., and met with a ready sale.
