

## LAWN TENNIS GAME

Modification of Regulations Suggested By United States.

GO INTO EFFECT THIS YEAR

May Be of Interest to People Living in Belgium, England and China and Some Parts of the United States, But Poker is More Popular.

Boston, May 5.—James D. Wright, president of the United States National Lawn Tennis Association, has received a cablegram from G. R. Newburn, secretary of the English Lawn Tennis Association, conveying the information that the modifications to the regulations suggested by the United States National Lawn Tennis Association have been practically agreed to.

Some time ago the English Lawn Tennis Association submitted certain proposed changes to France, Belgium and the United States and the United States association, in turn, made certain suggestions. One of the principal changes suggested by the English association was to do away with the necessity of 21 days notice of the names of members of a team and also in the case of a team of four men, of the events in which they would take part.

This change was acceptable to the United States association, but there was doubt as to whether the changes would be agreed to by the several associations in time to take effect this year. It would appear that this year's competition at Wimbledon, England, must be played under the new rules. This being the case, a team of four men undoubtedly will be sent by the United States National Lawn Tennis Association.

## WABASH RAILROAD

Detroit Southern Purchases Ann Arbor Branch

OVER INABILITY TO COMBINE

A New Directorate Will Be Shortly Announced and Competing Lines Will Probably Be Amalgamated in Order to Reduce Expenses.

New York, May 5.—It is stated by the Herald that the recent purchase of the Ann Arbor railroad from the Wabash interests was for the Detroit Southern and that the two lines shortly will be merged. While the ownership and management of the Ann Arbor and Detroit Southern will be distinct from the Cincinnati, Hamilton & Dayton system, similar interests are identified with both systems. Inability to combine them is due to the fact that the Detroit Southern and Cincinnati, Hamilton & Dayton are parallel roads.

A harmonious working arrangement will, it is added, be entered into by the two systems. The Detroit Southern will thus enter Toledo over the tracks of the Cincinnati Hamilton & Dayton.

A new directorate will shortly be announced for the Ann Arbor road. The line runs from Toledo, O., to Frankfort, Mich., a distance of 292 miles. It also operates steam transfers on Lake Michigan, between Frankfort and Keweenaw, Wis., and Menominee and Gladstone and Mainistique, Mich. The Detroit Southern operates 553 miles from Detroit to Ironton, O.

## ASSESSMENT VOTED

Gompers Advocates Giving Financial Assistance.

RIVER SERVICE IS CRIPPLED

All the Principal Wholesale Houses in Chicago Have Been Boycotted by the Teamsters' Union, But Are Delivering Goods Without Much Trouble.

Chicago, May 5.—Additions to the number of teamsters on strike will aggregate nearly 100 today. The new strikers are confined to individual concerns, chiefly wholesale grocery houses.

All the principal wholesale grocery firms in the city are now under the ban of the teamsters, and the diminishing stocks in the retail stores are further placed in jeopardy.

The union leaders also threaten to tie up the river service by calling out the tugmen and thus add more difficulties to the transfer of goods from the grocery warehouses. Union tugmen reported that several large concerns were utilizing the river route to most merchandise.

It is learned that President Samuel Gompers of the American Federation of Labor has recommended to his executive board that they vote an assessment for the striking teamsters in Chicago.

The teamsters strike has attracted many labor leaders from all over the country, among whom is P. H. McCarthy of San Francisco. John L. Lennon, treasurer of the American Federation of Labor, also is in Chicago.
