

**The Effective Remedy**

Washington, Iowa, April 4, 1905.

I was troubled for over a year with so nasty a flow that it was virtually suppression. A heavy cold superinduced this condition and nothing I could do seemed to help me. The only effective remedy I ever found was Wine of Cardui. Within two weeks I felt the great effects of the medicine and after I had used 18 bottles in all I was as healthy and regular as any woman could wish to be. My sister used it while expecting to become a mother and found that it made childbirth comparatively easy and after the child was born she found that it helped her to regain her strength.

**HAIR TELLS CHARACTER.**

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, introduced a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

"Destroy the cause—you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

**Terrific Race With Death.**

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Chas. Rogers' drug store; price 50c.

Where are you sick? Headache, pain-tongue, no appetite, lack energy, pain in your stomach, constipation? Hollister's Rocky Mountain Tea will make you well and keep you well. 35 cents. Frank Hart's drug store.

**TEN THOUGHTS.**

Dawn is the day smiling at night. Humility is often a cloak for hatred. It is better to believe than to suspect. The weak chain wastes the strong anchor. Many brave men have been shot in the back. Few people are strong enough to enjoy themselves. The song that reaches the heart seldom stays there. Wherever there is a victory there must be a defeat. The center of dramatic emotion is usually in the gallery. All shores are fair when the tide is full.—New York World.
