Rains Have Injured Strawberry Crop in Oregon.

from Southern Oregon.

Damp weather has interfered with the picking of strawberries and considerable damage has been done, rendering a large amount of the fruit unmarketable. The butter market is steady and no raise in prices is expected as long as cool weather lasts. Salmon is being received from Southern Oregon, there being no chinook salmon in market. 4.00

Covered from Head to Foot with Humours - Forty Boils on Head at One Time - Doctors and Drug Bills \$100-Baby Grew Worse.

CURED BY CUTICURA FOR FIVE DOLLARS

Mrs. George H. Tucker, Jr., 335 Greenfield Avenue, Milwankee, Wis., is a grateful mother. "When six months old," she says, " my little girl weighed a pound and a half less than at birth. When one month old a scab formed on her face, spreading until it completely covered her from head to foot, followed by boils, having forty on her head at one time, and more on her body. Then her skin started to dry up, and it became so bad she could not shut her eyes to sleep. One month's treatment with Cuticura Soap and Ointment made a complete cure, and now my child is as large, strong, and healthy as any child of her age. The doctor's and drug bills were over one hundred dollars, and my baby grew worse all the time. Then we spent less than five dollars for Cuti-cura and cured her."

CUTICURA A BLESSING To Skin-Tortured Babies and Tired Mothers.

The suffering which Cuticura Soap and Ointment have alleviated among the young, and the comfort they have afforded worn-out and worried parents, have led to their adoption in countless homes as priceless curatives for birth humours, milk crust, scalled head, eczemas, rashes, and every form of itching, scaly, pimply skin, and scalp humours, with loss of hair, of infancy and childhood.
