Trials of Motherhood

195 Broad Street. PHILADELPHIA, PA., June 12, 1908. I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomitted frequently and no medicine helped me until I tried Wine of Cardui.

Then my general health improved, the pains gradually lessened and after 18 weeks I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your apleudid medicine.

Without I would have been a

regulating menstruation, Wine of Cardui banishes inflammation regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philidelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same feedicine is within your reach. Will you take it?

Wheeling, W. Va., May 28, 1903. Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me 1 would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have Some 12 the sores ever broke out again. years have elspsed since what I have de-scribed occurred. Having been so signally benefitted by its use I can heartily recommend it as the one great blood purifier.

Chronic sores start often from a pim-ple, scratch, bruise or boil, and while salves, washes and powders are beneficial the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all in purities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood

purifier and tonic combined. Contain no mineral what ever but is guaranteed purely veget-able. If you have an old sore write us and our physi-cians will advise without charge. Book on diseases of the Blood free. The Swift specific Company, Atlanta, Ga
